ACCREDITATION

Trevecca Nazarene College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award Bachelor's and Master's Degrees. Membership in one of the six regional accrediting associations in the United States indicates that the college has been carefully evaluated and found to meet standards agreed upon by qualified educators.

Its Teacher Education program is accredited by the Tennessee Department of Education, and its Physician Assistant Program and Medical Assistant Program is accredited by the Committee on Allied Health Education and Accreditation. The College is accredited by the National Association of Schools of Music.

These documents are on file in the office of the Academic Vice President and may be reviewed upon request.

Trevecca is a member of the American Association of Colleges of Teacher Education, the Council of Independent Colleges, the National Association of Independent Colleges & Universities, the Association of Church Related Colleges and Universities, Council for the Advancement of Experiential Learning, Christian College Coalition, the Tennessee College Association, the Tennessee Council of Private Colleges, Tennessee Institute of Private Colleges, and the Tennessee Independent Colleges Fund.

ON THE COVER

The Seal of the College on the cover includes the symbol of the *Cross* signifying that Trevecca is a Christian college, the symbol of the *Globe* reminding us of our service mission to the world, the *Open Book* symbolic of knowledge and truth of a liberal arts education, and the motto, "Esse Quam Videri" which means "To *Be* Rather Than To *Seem*," symbolic of the holistic approach to Christian education in producing men and women of real quality, both in Christian character and academic excellence. The date of 1901 reminds us of our historical heritage.

GENERAL INFORMATION

TREVECCA NAZARENE COLLEGE? . . . the College of the Church of the Nazarene in the southeastern United States . . . a quality Christian liberal arts college.

WHAT DO YOU MEAN BY "CHRISTIAN" COLLEGE? . . . We, as a church-related, Bible-believing community, offer an education in the context of Christian beliefs and perspectives. We try to study, to think, to live as a genuine "Christian community."

WHAT IS THE CAMPUS LIKE? . . . The school is spread out on a hill in Southeast Nashville overlooking the downtown area. Trees, fountains, picturesque old buildings, modern new buildings . . . it's a beautiful and varied environment in which to learn.

WHAT KIND OF A CITY IS NASHVILLE? . . . a busy, bustling one, offering a great variety of opportunities and entertainment. The "Grand Ole Opry," 15 colleges and universities, Centennial Park, numerous concerts and plays . . . all this and more!

WHAT WILL A TREVECCA EDUCATION DO FOR ME AS A PERSON? . . . To you as an individual, a person, we offer an educational experience which will open doors into a lifetime of thinking and learning. We offer a place where you can thoughtfully develop the philosophy and the beliefs by which you will live your life. We offer a community of people in which you can find meaningful and life-long friendships.

HOW'S THE TEACHER EDUCATION PROGRAM? . . . It's one of the best! Trevecca is proud of her quality Teacher Education Program. And we've had a high degree of success in placing teachers in full-time teaching positions after graduation.

ANY PRE-PROFESSIONAL AND PARA-PROFESSIONAL PROGRAMS? . . . Yes, TNC has developed one of the finest pre-professional and paraprofessional programs in Tennessee. These include pre-nursing, pre-medicine, pre-pharmacy, pre-law and pre-engineering.

HOW'S THE ATHLETIC PROGRAM? . . . active and growing! A wide variety of intercollegiate and intramural sports gives every student a chance to participate. Varsity sports include women's volleyball, and softball; men's basketball and baseball.

ARE THERE MANY STUDENT CLUBS AND ORGANIZATIONS? . . . **YES!** TNC students have a chance to be involved. Vocal and instrumental groups, a respected student government, several student publications, two radio stations, forensic team, and numerous service organizations offer many chances for each student to pursue his or her own special interests.

DO YOU PROVIDE FINANCIAL AID? . . . Trevecca's program to aid students with scholarships, grants, and loans is extensive, flexible and designed to meet each student's need. We want to help you as much as we can!

CAN YOU HELP ME FIND A JOB? . . . We're committed to helping our students find jobs, both while they're here and after graduation. The Student Employment Office and the Career Planning and Placement Center work full-time to find just the right place of employment for you!

HISTORY

Trevecca Nazarene College was founded in Nashville in 1901 by Rev. J. O. McClurkan as the Literary and Bible Training School for Christian Workers. In 1910 the curriculum was enlarged and the name changed to Trevecca College, a name taken from an institution started in Wales in 1768 during the Wesleyan Revival.

In 1914 the College was moved from downtown Nashville to a site on Gallatin Road in East Nashville and in 1935 was established at its present location on Murfreesboro Road in Southeast Nashville. Trevecca became an official College of the Church of the Nazarene in 1917 and graduated its first four-year class in 1942. It was first accredited by the Southern Association of Colleges and Schools in 1969. Master's degree programs were added in Education in 1984, in Religion in 1987 and in Organizational Management in 1992.

The College is governed by a Board of Trustees elected by the various districts of the Church of the Nazarene which comprise the Southeast Educational Region.

A WORD FROM THE PRESIDENT:

A college catalog would be of only casual interest to many. While the "cast" is interesting, the "plot" is a little difficult to follow ... if you take it up as "collateral reading."

But for many of us, we recall picking up a college catalog as a "life-changing experience." Within its pages we found direction for our lives. Our career, our values, our network of friends, even our companion for life was hidden within its pages.

So ... do not underestimate the value of this book. Read it carefully. Discover its greater meaning. It is potentially a life-changing book for you.

Sincerely,
Millard Reed
President

MISSION STATEMENT

Trevecca Nazarene College is a private, coeducational, Christian liberal arts College. It exists to carry out the educational mission of the Church by means of academic programs that promote scholarship, criti-

cal reflection, thoughtful worship, and the preparation of students for lives of meaningful service in various careers. It intends that its graduates be persons of high moral character who are competent, responsible, and compassionate. The College desires that each student develop a personal relationship with Jesus Christ as a basis for a life of service.

Trevecca is the official College of the Church of the Nazarene in the southeastern United States and is guided by the doctrines and principles of conduct of the denomination. It emphasizes both the authority of the Bible and Christian holiness as interpreted by the Wesleyan tradition. While the College is an institution of the Church of the Nazarene, it welcomes students of any religious affiliation, age, sex, race, and national or ethnic origin who subscribe to its ideals and standards.

To achieve its purpose of Christian education, Trevecca employs faculty who are committed Christians, are professionally qualified in their subject areas, and whose major responsibilities include teaching, advising, professional growth, college and community service, and loyalty to the College's mission/purpose. In addition, the faculty and administration seek to provide a supportive and challenging environment in which every student can achieve a well-balanced and positive College experience.

The College's curricular programs are permeated by Christian values and focused principally upon undergraduate education in the liberal arts and sciences as well as career and professional fields of study. It also offers Master's degree programs in selected academic and professional areas and a variety of carefully selected programs of continuing education that seek to prepare individuals for positions of leadership in their chosen careers. The College seeks to achieve the integration of faith and learning in the full range of its activities.

Agreed Statement of Belief: Church of the Nazarene:

1. In one God - the Father, Son, and Holy Spirit.
2. That the Old and New Testament scriptures, given by plenary inspiration, contain all truth necessary to faith and Christian living.
3. That man is born with a fallen nature and is, therefore, inclined to evil, and that continually.
4. That the finally impenitent are hopelessly and eternally lost.
5. That the atonement through Christ is for the whole human race; and that whosoever repents and believes on the Lord Jesus Christ is justified and regenerated and saved from the dominion of sin.
6. That believers are to be sanctified wholly, subsequent to regeneration, through faith in the Lord Jesus Christ.
7. That the Holy Spirit bears witness to the new birth and also to the entire sanctification of believers.
8. That our Lord will return, the dead will be raised, and the final judgment will take place.

INSTITUTIONAL GOAL STATEMENTS*

ACADEMIC GOALS

1. To prepare graduates of all degree programs to develop a depth of understanding in their major field and prepare for a career or graduate school following graduation.
2. To integrate faith and learning in the life and thought of students in preparation for a life of service.
3. To recruit, develop, and retain professionally competent Christian faculty members who model the integration of faith and learning.
4. To provide a quality educational program that combines liberal arts, career and professional education, and Christian values in the total College experience.
5. To provide adequate learning resources and support systems which assist students in achieving their academic and career goals.
6. To provide quality Graduate degree programs and Continuing Education programs for Adults.

7. Demonstrates physical skill and vigor in recreational activities.
8. Has developed through experiences with the world of work an ability to fill a productive role in society.
9. Demonstrates proficiency in at least one academic discipline.
10. Comprehends the Christian heritage and its relevance to the community, within a Wesleyan context.

*The educational goals in each academic area are derived from or in harmony with these institutional goals.

CAMPUS BUILDINGS

SMITH HOUSE (1939), originally on the site where the library now stands, was formerly the President's Home. The house was moved behind McKay Hall in 1960 and named after Donnie Joel Smith, a student killed by lightning the day before his graduation from Trevecca in 1959. Smith House now serves as the residence for a campus employee and has been relocated next to the Guest House behind Georgia Hall.

McCLURKAN HALL (1943), was named after the founder of Trevecca, Rev. J.O. McClurkan. Completely renovated in 1981, the building houses the Eva Green Benson Auditorium used for Chapel and other religious services, classrooms, and faculty offices.

ADAMS ADMINISTRATION BUILDING (1944), is on the site of one of the three buildings purchased in 1937. The original structure was destroyed by fire in 1943, and the building was rebuilt one year later. The Administration Building now houses the offices of the Vice President for Academic Affairs, Dean of Students, Vice President for Financial Affairs, Registrar, Financial Aid, Management Information Systems, and a conference room. The building is named in honor of Dr. Homer J. Adams for 30 years of service to the College, twelve (1979-91) as President.

TIDWELL FACULTY CENTER (1947), Tidwell Hall was built for use as a men's dormitory. The building was named in honor of the first student to enroll at Trevecca in 1901—Rev. W.M. Tidwell, a long-time pastor of

Chattanooga First Church of the Nazarene.

In 1974 Tidwell Hall was remodeled into a Faculty Center which now houses the majority of faculty offices, faculty conference rooms and lounges. The radio station, and Management and Human Relations Offices are on the ground level.

WAKEFIELD FINE ARTS BUILDING (1954). The November 1975 Founder's Day activities included the naming of the Fine Arts Building after Mr. A.C. Wakefield, a longtime song evangelist, for his contribution to church music. It houses classrooms, the 225 seat Wakefield Auditorium, band and choral practice rooms, private music practice rooms, Perelandra Studios (recording facility) and faculty offices.

BUD ROBINSON HALL (1954), was named after "Uncle Buddy" Robinson who was a pioneer evangelist in the Church of the Nazarene. The building was remodeled in 1965 to house the 250 seat cafeteria on the main floor while providing residents housing for women on the second floor. In 1984 the cafeteria area became the snack shop and recreation area. In 1992 it has been remodeled to include Education Offices.

MACKEY LIBRARY (1961), was named after Dr. and Mrs. A.B. Mackey in recognition of their long years of dedicated service to the college. In addition to its resource materials, the library also houses the library staff offices, curriculum library, media lab, study rooms, archives, and special collection rooms.

THE PRESIDENT'S HOME (1963), is temporarily occupied by the Vice President for Financial Affairs.

JOHNSON HALL (1963), was named after Sadie Agnew Johnson and serves as a residence hall for 100 women.

GEORGIA HALL (1966), was built as a residence hall for 120 women and includes the student dispensary. Georgia Hall was named for the Georgia District in recognition of their Educational Budget being paid in full during 1966.

WISE HALL (1966), houses apartments. The building was named in honor of Rev. H.H. Wise, a longtime pastor of Nashville First Church and a strong, loyal supporter of Trevecca.

TENNESSEE HALL (1966), was named in recognition of the Tennessee District for their Educational Budget being paid in full in 1966. It serves as a residence hall for 100 women.

GREATHOUSE SCIENCE AND BUSINESS BUILDING (1969), houses the science, business, math, and allied health departments as well as laboratories, classrooms, and faculty offices. Named in honor of Dr. William Greathouse, TNC President, 1966-69.

MOORE PHYSICAL EDUCATION CENTER (1969), includes a gymnasium, olympic swimming pool, handball courts, exercise rooms, a number of classrooms, locker rooms, faculty offices, and the audio visual center. Named in honor of Dr. Mark R. Moore, TNC President, 1968-1978.

REDFORD & SHINGLER APARTMENTS (1971). Redford Apartments were named after Rev. and Mrs. M.E. Redford who gave longtime service on the Trevecca faculty. The Apartments contain 30 one-bedroom apartments for married student housing.

The 20 one-bedroom apartments of Shingler Apartments for married students were named after Mr. T.J. Shingler who was the founder of

Southeastern Nazarene College in 1912. The college eventually merged with Trevecca in 1919.

BUSH APARTMENTS (1973), were named after Miss Carrie B. Bush, a loyal friend and benefactress of the college. The 10 two-bedroom apartments are for married students, faculty, and staff housing.

BENSON HALL (1974), was named in recognition of Mr. John T. Benson, Sr., in recognition of his loyal support of Trevecca. Benson Hall serves as a residence hall for 266 men. Within the building is a laundry room, game room, and day room.

TREVECCA HEALTH CARE CENTER (1976), was built by a general partnership which includes Mr. T.E. Jones, Mr. Don Jernigan, and Mr. Robert Whitcomb. The 2 1/2 acre site was made available by the college. Trevecca Health Care Center is a 250 bed, five story, facility which provides medical allied health training opportunities as well as job possibilities for students.

MAINTENANCE BUILDING (1982), houses offices and equipment for maintenance, grounds, and janitorial services.

MARKS GUEST HOUSE (1982), includes seven rooms for guest or overflow student housing.

JERNIGAN STUDENT CENTER (1984), built on the site of McKay Hall, includes dining facilities, meeting area, bookstore, post office, student activities offices, student counseling center, and two conference rooms. It is named for Dr. and Mrs. Don Jernigan, benefactors of the college.

TARTER STUDENT ACTIVITY BUILDING (1989), built on to the northeast corner of the Physical Education Center, has become the site for many varied activities. It is named in honor of Rev. R. E. Tarter, founder of the Trevecca Million Dollar Club, which funded the construction of the building. Drama productions, student registration, variety shows, concerts, and seminars are but a few of the types of activities held in this building.

MARTIN COLLEGE ADVANCEMENT BUILDING (1990), is located east of the Adams Administration Building. It has ground level entrances for both floors providing access to the President's Office, the Vice President for Institutional Advancement, the Director of Development, the Alumni Director, and the Director of Church Relations on the lower level. The upper level houses the offices of the Dean of Enrollment Services along with Admissions, Retention, Recruitment, and Public Information. Funds for this structure were provided by gift income. The building was named for Paul Z. and Ethel Martin, benefactors of the College.

LECTURESHIPS

John T. Benson Lectures

In memory of the late John T. Benson, Sr., long a supporter and benefactor of Trevecca Nazarene College, his son, John T. Benson, Jr., has provided a fund which makes possible each year a special series of lectures with an evangelistic emphasis.

The Staley Distinguished Christian Scholar Lectures

Since 1947 the Student Government Assembly has sponsored an annual lecture series by a layman aimed at providing inspiration in various fields of cultural and professional interest. The Thomas F. Staley Foundation of New York began funding these lectures in 1972 and in

1976 provided an endowment for funding these annual lectures.

Slonecker Business and Professional Lectures

William T. Slonecker, M.D., has provided an endowment for annual lectures and/or seminars in business, science, and the professions. The first lectureship was presented during the 1972-73 school year.

The David K. Wachtel Lecture Series on Evangelism

Dr. David K. Wachtel, Sr. (1911-1977), the founder of this lecture series, served in the Nazarene denomination as an evangelist and a pastor, and eventually as the District Superintendent of Tennessee. Throughout his life he worked to promote the cause of evangelism; it was his hope that these lectures would continue for many years to make people aware of the importance of our evangelistic mission in this world. The Wachtel Family established a fund to underwrite this annual series.

ALUMNI ASSOCIATION

The Alumni Association, which has alumni located throughout the world, seeks to keep in touch and foster graduate and former student involvement in the life of the college.

The Director of Alumni Relations coordinates the annual drive for funds via the Phonathon and alumni participation in Homecoming and Alumni Day. The "T" Club, an athletic support group, affords an attractive forum for alumni participation.

The TREVECCAN, published six times a year, is the official publication of the college and conveys information about the College to constituents and alumni. The *Alum'-News,* which highlights alumni activities and achievements, is issued two times a year by the Alumni Association.

STUDENT LIFE

COLLEGE SERVICES

Religious Life

Trevecca places special emphasis on the development of the religious life. Classes are regularly opened with prayer. There are chapel services three days a week. Students are required to attend two of the three services. These periods include regular worship services and student class chapels. Prayer meetings and regularly scheduled revival meetings provide helpful spiritual influences. All students are expected to attend a local church regularly.

A Prayer Chapel, for private meditation, is available in McClurkan Hall.

Campus Ministries coordinates all religious life activities on campus and offers opportunities for involvement and ministry through its three major divisions: (1) Public Worship which assists in the planning of Chapels and Prayer and Praise services; (2) Discipleship Ministries which coordinates the dorm chaplaincy program and arranges for small groups for prayer and Bible study; and (3) Outreach Ministries which plans for Outreach Teams and other opportunities for Christian service in the greater Nashville community.

In addition, the Ministry Outreach Teams and Fellowship of Christian Athletes provide other avenues for ministry.

Academic Advising

Every new freshman is assigned to a faculty-student advising team for the fall semester. These groups meet regularly during the semester to discuss scheduling of time, goal setting, study methods, values and other adjustment problems of new freshmen.

Students are assigned to academic advisors according to their choice of field of study. The Assistant Academic Dean provides assistance for students with academic problems.

Counseling Services

The college offers a wide range of counseling/advising services to its students. Any member of the faculty, administration or staff is willing to be available to a student who desires assistance. The Student Services office provides a full time staff including the Dean of Student Services and Assistant Deans of Student Services who are available to help students solve personal and social problems. The Resident Counselors and Resident Assistants in the dormitories also assist in this area. In addition, professional counselors and a career planning counselor are available. The College Chaplain is available for counseling during regular office hours and at other times by special appointment. The Counseling Center is located on the top floor of the Jernigan Student Center.

Food Services

The Cafeteria is located in the Jernigan Student Center and is catered by Pioneer College Caterers, Inc. Its manager is trained in food services. Wholesome menus are provided through the company's staff of registered dietitians. A food committee meets with the manager periodically to discuss ways and means of improving the food services. All resident students are required to participate in the Boarding Plan. Meal plan options are available. Students can choose the full meal plan which consists of 21 meals per week, or the partial meal plan consisting of 14 meals per week. A third option of 10 meals per week is available on a restricted basis for those involved in student teaching.

A College Center is located in Bud Robinson Hall which serves as a lounge for students, faculty, and staff.

The Snack Shoppe, in Bud Robinson Hall, provides a wide range of fountain, and packaged items.

Housing

All single students who do not live at home or with a close relative are required to live on campus. Exceptions for seniors and those over 21 years of age with a 2.5 G.P.A. and good social standing are granted by special permission of the Dean of Student Services and the Student Life Council. A new residency requirement has been approved and will be implemented August 1, 1993. All non-married students under the age of 23 at the time of registration who are enrolled for six or more hours per semester and do not live at home are required to live in college residence halls and participate in the board plan. **The Assistant Deans of Student Services exercise general supervision over all of the residence halls.** In addition, there are Resident Counselors and Resident Assistants in each dormitory. Councils are organized to assist in all matters pertaining to dormitory life and residence regulations. Dormitory regulations are stated in the Student Handbook.

Trevecca offers approximately 80 apartments for rent on or nearby campus for married students and other personnel. The majority are one-bedroom and two-bedroom unfurnished apartments in the Bush-Redford-Shingler Apartment complex. The Manager of Married Student Housing located in the complex can give more specific details regarding the amount of rent, availability, and regulations.

Health Services

The Clinic, located on the ground floor of Georgia Hall, provides the free services of a registered nurse and appointments from 3:00-5:00 p.m. for the campus physician. Students should contact the clinic during office hours and dormitory Resident Counselors at other times. Students may bring to the clinic any injectable medications prescribed by private physicians with instructions for administration. The clinic will assist in securing referrals with private physicians for the college community.

Employment

The Office of Career Planning and Placement handles all matters relating to student work. Those desiring employment should request a

job application form. Interviews for positions in various offices and other jobs should be arranged through the Career Planning and Placement Office which is located in the Counseling Center on the third floor of the Jernigan Student Center. The office of Career Planning and Placement is also available to assist students in search of job placement.

Post Office

The Post Office is located on the ground level of the Jernigan Student Center. All students are assigned a mail box in the Post Office upon registration. Each student is responsible for securing the mail box combination and for all information sent through the mail. The Post Office is open from 11:30 a.m. to 12:30 p.m. Monday through Friday, and closed on Saturday.

Library

The Mackey Library provides a place for quiet study and research. The library is open six days a week. The hours are posted for each semester. Books may be borrowed for a period of four weeks and may be renewed provided they are not in demand. Reserve books may be checked out for periods of two hours, two days, and one week.

Bookstore

The College Bookstore is located on the ground level of the Jernigan Student Center and is open Monday through Friday 8:30 a.m. to 4:00 p.m. Textbooks, paper, pencils, pens, and other necessary stationery supplies may be purchased there, as well as a limited supply of personal items such as greeting cards, toothpaste, school sweaters, shirts, and jackets, etc.

STUDENT ORGANIZATIONS AND ACTIVITIES

Publications

Trev-Echoes, the campus newspaper, is published at regular intervals each semester. The *Darda* is the college yearbook which is published annually. Editors for both of these student publications are elected by the student body each year.

Student Government Assembly

The Student Government Assembly composed of the elected representatives of the Associated Students of Trevecca Nazarene College, serves as a liaison group between faculty and administration on the one hand and between student groups on the other. It supervises student activities including elections and class events. The Student Government Assembly plans programs for the school year in cooperation with the Dean of Student Services, the Student Life Council and the Lyceum Committee. It nominates student representatives to serve as voting members of faculty committees. It publicizes various honors and awards and in conjunction with the Administrative Council selects persons and organizations to receive the various awards.

Athletics

Trevecca's athletic program is divided into three basic areas: intercollegiate sports, intramural societies, and a student activities program in the afternoons and evenings in the Physical Education Center.

The Intercollegiate Program, begun at Trevecca in the winter of 1968-69, includes basketball and baseball for men and volleyball and softball for women. The Intercollegiate Athletic Program is under the administrative leadership of the Director of Athletics and the Intercollegiate Athletic Board (composed of faculty, administrators, and students). Trevecca is a member of the Tennessee Collegiate Athletic Conference and the National Association of Intercollegiate Athletics. Cheerleaders for the Varsity Cheerleading Squad are chosen by the Student Body.

The Intramural Program is under the administrative supervision of the Director of Intramural Athletics and the immediate sponsorship of the Trevecca Intramural Association. Sports included in the intramural program are football, basketball, volleyball, softball, handball, golf, ping pong, badminton, track, archery, and racquetball.

The Student Activities Program in the Physical Education Center during afternoons and evening includes the use of the gymnasium, swimming pool, handball courts, exercise rooms, athletic fields, tennis courts, jogging track, and weight room.

ACADEMIC ORGANIZATIONS

Scholastic Departmental Organizations—are organized to develop among students an appreciation for their intended profession. They are the Speech-Pi Kappa Delta; Business-Phi Beta Lambda; and the Speicher/Vastbinder Physician Assistant Society which exists to promote the concept of the Physician Assistant as a professional at the academic level and in the community.

Music Organizations—These include the following performing groups: Wind Ensemble, Madrigalians, Pep Band, Stage Band, Concert Choir, Ambassadors, TrebleTones and Choral Union String Orchestra.

WNAZ-89.1 FM & WENO-760 AM—College owned radio stations serves as training facilities and provide religious and educational programming for the Nashville community.

Forensics Team—Trevecca students compete in a variety of intercollegiate speech contests. Traveling to several tournaments each semester, the squad members go against speakers from top colleges across the nation. Award-winning performances by Trevecca speakers have won the college recognition at national championships. The team is sponsored by the Department of Communication Studies.

Dramatic Arts Program—Each year, students from all fields of study assist the Department of Communication Studies in the production of plays for the college community. These productions provide students with valuable experience in all aspects of theatre. The plays are open to the public and are attended by the Nashville community. Many of these

students also receive opportunities to attend the annual American College Theatre Festival and the Southeastern Theatre Conference.

The MasterWorks Touring Company—A small ensemble of Trevecca students is chosen each year for this exciting, touring drama ministry/education team. This select group of actors travels to local public and private schools as well as area churches. The group performs fresh and challenging material each semester while representing the college in a uniquely powerful ministry.

Lyceum Series—Outstanding programs of cultural enrichment are presented during the year. Nationally known artists in various fields as well as local and regional performers participate in these events.

Honor Society—This society is composed of students (sophomores and above) who have a cumulative average of 3.5. Seniors with a cumulative 3.5 average or higher are eligible for election to the Zeta Chapter of the National Nazarene Society, Phi Delta Lambda.

CLUBS

Trevecca Intramural Association—This student organization maintains an active and interesting program of intramural athletics for both men and women. Students may participate in a variety of athletic activities throughout the year.

Service Clubs—These include the Circle K, Civinettes, Rotoract, Sigma Society, and Theta Chi which provide a stimulating and challenging outlet for various types of service both on and off campus.

STUDENT CONDUCT

High standards of Christian conduct are expected of all students. The use of alcohol, tobacco, narcotics, possession or use of fireworks or firearms on campus, and loud or questionable conduct are prohibited. Students are not to attend or participate in entertainment, the nature or reputation of which would not be in keeping with the building of Christian character or which diminishes moral perceptivity and judgment.

The College expects its students to observe standards of dress as outlined in the *Student Handbook*.

All students are permitted to bring cars to campus. However, all cars must be registered with campus security and are subject to the College's and Metro's Traffic Control regulations.

Attendance at Trevecca Nazarene College is both a privilege and a responsibility. The College may request the withdrawal of any student who fails to comply with the standards and regulations of the institution.

ADMISSIONS

Write or call the Office of Admissions to obtain an **Application Packet for Undergraduate Admission:** Enrollment Services, Office of Admissions, Trevecca Nazarene College, 333 Murfreesboro Road, Nashville, Tennessee 37210-2877; (615) 248-1320.

2. Submit a $25.00 *non-refundable* application fee with the application. *(Required for processing.)* Checks or money orders made payable to *Trevecca Nazarene College.*
3. Submit Two (2) wallet size photos of the applicant.
4. Submit the confidential Medical Health History and Physical portion of the packet to TNC's Student Health Clinic. All information on the form will be maintained in strictest confidence by the professional medical staff.
5. Submit an official American College Test (ACT) report *(optional requirement of applicants 23 years of age or older I high school graduate of five (5) years or more).* The ACT is available in local designated testing centers. The results will automatically be sent to the College if the applicant specifies Trevecca as his or her college choice. (ACT code is 4016.) The ACT data base is used in academic advising and is the official academic documentation for admission. SAT scores are acceptable although ACT is preferred. An existing ACT report can be requested by writing to the American College Testing Program, Box 414, Iowa City, Iowa 52240. ACT/SAT scores on an official high school transcript are acceptable. (SAT code is 1809.)
6. Request an official high school transcript to be mailed directly from the institution to Trevecca's Office of Admissions. A final transcript stating date of graduation must be forwarded immediately after graduation, since many high school offices are closed during the summer. If eligible by GED, an official score report and partial high school transcript must be sent directly from each reporting institution.
7. All freshman applicants are required to take TNC's Freshman Placement Tests. These assessment exams are administered during Orientation.

TRANSFER

1. Complete steps 1-4 under FRESHMAN procedures.
2. Request an official academic transcript be forwarded directly to TNC from EACH college previously attended.
3. Submit the Transfer Recommendation portion of the packet *(option-*

al requirement of applicants with bachelor degree I previous college attendance was ten (10) years or more ago.). Transfer applicants must sign the upper portion of the form and and submit it to the Dean of Students from the college or university most recently attended for forwarding to TNC's Office of Admissions.

4. An applicant with ten (10) transferable semester hours (15 *quarter hours)* or less will need to comply with all the steps under FRESHMAN procedures.

RE-ADMIT ***(Former TNC student not registered in the previous semester)***

1. Complete the undergraduate Application for Admission portion of the packet to initiate re-activating previous credentials. (Note: An application fee is NOT required for re-admit applicants.)
2. A re-admit applicant having attended another institution(s) since leaving TNC must have an official academic transcript forwarded from EACH institution. The Transfer Recommendation portion of the packet should also be submitted from the college most recently attended.
3. Submit a new Medical Health History and Physical Form if the previous TNC Clinic record has been on file beyond two years.

TRANSIENT ***(Student enrolled in another institution)***

1. Complete the undergraduate Application for Admission portion of the packet.
2. Submit a $25.00 *non-refundable* application fee with the application, unless previously paid.
3. Submit an official "letter of good standing" from the institution currently attending. The letter must be mailed directly to TNC's Office of Admissions from the Academic Dean of the student's present institution. If the letter designates a period of enrollment longer than one semester, an additional letter will not be required.
4. Submit the Medical Health History portion of the packet only.

Upon receipt of all information, and approval of a student's application, a Certificate of Acceptance is mailed to each applicant. Applicants not approved are also notified by letter. The Certificate of Acceptance must be presented at the time of registration.

Notice of Nondiscriminatory Policy as to Students

As a private Christian college affiliated with the Church of the Nazarene, Trevecca is open to any qualified student without regard of race, color, sex, age, creed, national or ethnic origin, or physical disability. Trevecca Nazarene College complies with all statutory and regulatory non-discrimination requirements applicable to this institution in the administration of its educational policies and programs, admission policies, scholarships and loan programs, equal opportunity employment practices, and athletic and other school-administered programs.

ADMISSION POLICIES AND REQUIREMENTS

Admission of High School Graduates

Freshman admission requirements include graduation with a least 15 units of credit from an approved secondary school. It is recommended that for the best preparation for college, secondary school credits should include:

English — 4 units
Mathematics — 2 units
Foreign Language — 2 units
Natural Science — 1 unit
Social Science — 2 units

This background provides a broad foundation for college studies.

The College believes that all students who can profit from post secondary training should be given such an opportunity. Therefore, admission to Trevecca is classified in two ways: Regular Admission and Admission through the Academic Enrichment Program.

Trevecca accepts as the official academic admissions document, the American College Test (ACT). The Enhanced ACT is used for academic advising and placement and for determining the type of Freshman admissions granted.

Students with an Enhanced ACT Standard Composite Score of 19 or above will be given Regular Admission.

Any student with an Enhanced ACT Standard Composite Score of 18 *(or below),* AND an Enhanced ACT Standard Score in English of *17 (or below),* or in Math with 18 *(or below),* will be accepted through the Academic Enrichment Program (AEP).

Early Admissions Program

The high-achieving and mature students whose school officials, parents and others from whom the College may seek information, believe they can benefit by entering college a year early may be admitted under the Early Admissions Program. To do so, these minimum requirements must be fulfilled:

1. Completion of the junior year in high school with a grade point average of 3.50.
2. Completion of at least 12 units of secondary credit, *7* of which must be college preparatory subjects *(including English, 3 units; mathematics, natural science and social science).*
3. A Standard Composite Score of 27 on the Enhanced ACT.
4. Provide favorable recommendations and/or approval from high school officials and others as may be designated by the Office of Admissions. If advisable, personal interviews may be requested. An applicant desiring high school graduation should ascertain from his or her high school officials whether or not college credits earned may also be applied toward requirements for a high school diploma.
5. It is desirable and may be required that an applicant enter summer school to demonstrate ability to do successful college work. In such cases, a minimum of two courses would be carried and a grade point average of 2.0 necessary.

6. Completion of all regular admission requirements.

Admission to Pre-College Honors Program

This is a special program planned for high school juniors who desire to initiate their college work during the summer between their junior and senior years. The program is designed for students who rank in the upper 25 % of their class with a "B" average and are recommended by their high school principals or counselors. Students who have graduated from high school and plan to enroll in college in the fall may also benefit from this program.

Students in this program will be allowed to take regular college courses; credits received will apply toward a degree after the student has enrolled in the College full-time. In addition to the regular academic work, special conferences and activities will be provided under the guidance of the Office of Academic Affairs. For further information and registration, write to the Office of Admissions.

Admission to Honors Program

Fall Semester freshman applicants who qualify with at least one of the following criteria may apply for admission to the Honors Program:

1. High School G.P.A. 3.5 or above
2. Enhanced ACT composite of 27 or 1060 on SAT
3. Rank in upper 10% of high school class
4. Will have high school credit in honors courses or AP credit

Applications for the Honors Program may be secured from the Office of Admissions or college recruiter. The applications will be considered by the Honors Committee who will select possible candidates for interviews. Admissions files must be completed before an applicant can become an interview candidate. Honors Program admission does not affect regular admission to the College. See academic section of the Catalog for description of the program. Application file for Honors Program should be complete by March 1.

Advanced Placement (AP)

Applicants who have participated in the Advanced Placement Program, sponsored by the College Entrance Examination Board while they are in high school, will receive credit if they earn a score of 3, 4, or 5. The official score report must be sent directly to TNC's Office of the Registrar. Trevecca's CEEB Code is 1809.

College Level Examination Program (CLEP)

Scores for the College Level Examination Program will be evaluated by the Registrar and credit assigned to the appropriate areas. Courses may be waived up to 30 hours of credit and will be entered on the student's official transcript after attendance at Trevecca for one semester. Tuition for CLEP credit received is charged at a reduced rate of $40 per hour.

Credit may be earned with minimum qualifying scores of 500 on the English exam and at the 50 percentile level on the sub-test in other

exams. CLEP credit awarded at other schools must also meet the above standard before received in transfer. Official score reports must be sent directly to TNC's Office of the Registrar.

Admission of Non-High School Graduates by GED

Applicants may be admitted on the basis of a minimum average score of 45 on the USAFI Test of General Educational Development (GED) High School level. Transcripts of all high school work must be submitted. Applicants who are granted college admission on this basis must take the placement tests given to freshmen.

Admission of International Students

Trevecca welcomes students from other lands. Applicants whose native language is not English are required to take an examination of their English language ability before official acceptance will be granted. The test required is the Test of English as a Foreign Language (TOEFL), and a minimum score of 500 is required.

All regular admission requirements must be completed. Trevecca's Certification of Financial Support must be on file at the time an I-20 is issued. International students will have the same financial policy applied to them an any other student. In addition, an advance deposit of $1,000 is held in escrow for the total period of enrollment for students coming directly from outside the U.S.A. An exception to the deposit requirement is made for students who are citizens of Canada or Mexico. The deposit must be received prior to the issuance of the acceptance card which is required for registration. Unless there is documented proof of reading, writing and math skills, international students will be required to register for academic enrichment courses.

Admission of Special Students

Adult (Degree Students)

Applicants, 18 years of age or older, not having a high school diploma or a GED score of 45 may be admitted to the provisional Adult Special Program, which allows the student to prove his or her ability to do college level work. The student will be limited to 9-12 hours of course work per semester, must earn a passing grade of S in all S/U courses, and must maintain a 2.0 GPA the first semester to be allowed to enroll for the second semester. On completion of two semesters with a passing grade of S in all S/U courses, a 2.0 GPA or better, and a minimum of 18 hours of credit, the student may petition the Admissions Committee for status as a regular student.

Adult (Non-Degree Students)

Applicants, 18 years of age or older, not desiring to pursue a degree program may be admitted as Adult Special students to take occasional courses for personal enrichment. A maximum of 16 semester hours may be earned in this status.

High School Students

High school students, upon recommendation of the high school princi-

pal or counselor, will be accepted as special students for individual classes. Credits received will apply toward a degree after the student has qualified for admission to the College.

Dual Enrollment

High school seniors, upon recommendation of the high school principal or counselor, may be granted dual enrollment admissions during the senior year in high school. Before dual admissions is granted, the applicant must take the American College Test and have the official scores sent to TNC's Office of Admissions. Such students may take college classes while completing their high school diploma.

Admission to Professional Programs

These professional programs have special admission requirements and, in some programs, a limited enrollment:

Medical Technology
Physical Therapy
Physician's Assistant
Social Work
Teacher Education

The specific procedures for each program are described in the Allied Health, Social and Behavioral Sciences, and Teacher Education Department sections of this catalog.

Transfer from Other Colleges

Applicants from other institutions seeking admission to advanced standing in the College must present evidence of honorable dismissal from the institution last attended and official transcripts of all college work taken. The institution must be a college or university accredited by a Commission on Colleges of a regional accrediting association.

A grade of D on transfer work will be accepted with the following qualifications: (1) A transfer course in which a D has been earned will not be allowed to count toward a major or minor; (2) Applicants who transfer a D grade in a course equivalent to ENG 1020—English Composition will be subject to the requirement of taking English 1030 unless they have also completed the equivalent of ENG 1080—Critical Reading and Writing; (3) Policy will apply only to work transferred from regionally accredited institutions of higher learning. Applicants from junior colleges may generally transfer only 64 semester hours. Transfer students with grade point averages below minimum standards will be entered on probation.

A maximum of 12 hours of correspondence work may be accepted from selected regionally accredited institutions who are also members of the National University Continuing Education Association. The courses accepted must be comparable to Trevecca courses. Correspondence work taken as transient work will be considered part of the 12 hour limit on transient work.

Transfer from Non-Accredited Colleges

After one full-time semester of satisfactory work at Trevecca, a student may have credits earned at a non-accredited college reviewed for

acceptance as a basis for academic standing. The procedure is to require a statement from three (3) accredited colleges that have previously accepted credits earned from the non-accredited college. Evaluation of courses will be made on an individual basis. No credit will be given for courses below C, and courses must parallel course offerings at Trevecca Nazarene College. Only hours earned (not grades or GPA) will transfer. All transfer credit issues pertaining to general education core, college-level learning, instructional quality, and course equivalency shall receive final resolution through a collaborative effort involving discipline-appropriate faculty and department chairperson(s), and the Divisional Dean or Academic Vice President.

Credit from non-regionally accredited proprietary schools will be validated for credit only by demonstration of competency through a departmental exam or nationally recognized testing agency (e.g., CLEP). CLEP Tests will be used when available.

Transfer from Bible Colleges

Trevecca Nazarene College will accept up to 96 semester hours of credit (not grades or GPA) for courses with grades of C or above from Nazarene Bible College and other Bible Colleges accredited by the American Association of Bible Colleges. In addition to credits accepted, applicants must meet all requirements for graduation at TNC, including general education requirements and departmental requirements.

Freshman Orientation and Testing

Freshman orientation is offered at the beginning of the fall and spring semesters. It includes the testing program, group guidance session, personal counseling regarding curriculum, and social, recreational and religious events.

Students who have not taken the ACT/SAT previously but required to do so, may arrive on campus early for orientation to take a residual ACT administered by Trevecca's personnel. Charges for the ACT will be applied to the student's bill.

Introduction to College Life (INT 1000) is required of all freshmen entering in the fall term.

Housing Information for New Students

Resident Hall students are required to pay a $20.00 dorm deposit to reserve a room. (This is refundable if the student withdraws his or her Application for Admission a minimum of two weeks prior to registration.) Check or money order made payable to *Trevecca Nazarene College* and submitted to the Office of Admissions. Resident Hall and roommate assignments are determined by the Office of Student Services, with a housing interview required for students 23 years of age or older.

Trevecca offers apartments for rent on or near the campus to married students and other personnel. Inquiries should be made directly to TNC's Property Manager.

FINANCIAL INFORMATION

FINANCIAL INFORMATION

Trevecca Nazarene College is an institution of the Church of the Nazarene. Charges at Trevecca are maintained at a level commensurate with the cost of a quality educational program. Each student is charged tuition and certain fees which cover approximately 2/3 of the cost of the student's education. The remaining 1/3 comes from the generous support of the Southeastern Region of the Church of the Nazarene and individual and corporate contributions.

(1) Senior citizens 60 yrs. of age or older, may take courses tuition-free on space available with approval of instructor and academic vice president. Does not apply to trips, special degree programs, or course fees. If credit desired, workshop rate applies.

(2) Includes student activities, yearbook, student health services, student newspaper, ID card, use of Library, use of PE facilities, and free entrance to athletic events. Part-time fee does not include yearbook and free entrance to athletic events.

(3) Every student living in college housing will be assessed a $100 security deposit against vandalism in the residence halls. This must be paid when the student registers and be maintained at $100 a semester. The deposit is to cover the cost of vandalism in public or general areas of the residence halls during the entire school year. Damage in a residence hall for which responsibility cannot be determined will be charged on a pro rata basis to all residents during the semester. The deposit will be refunded after the student vacates college housing, following all provisions of proper checkout procedures, except that it may be offset against any indebtedness to the college. Persons known to be responsible for vandalism will be charged the full amount personally. Such amounts will not then be charged to the

general security fund. Damage in a student's room is chargeable to the residents of that room, or to the person(s) known to have caused the damage.

(4) Non-refundable after August 1st if student does not attend Trevecca. Deposit renewable each semester while student is college resident. Partial or full refund will depend on the condition of the room after student has left. Request for a refund of room deposit must be made to the Student Services Office within one year after student leaves the residence hall.

(5) Paid to dormitory resident counselor when student receives room key. Refunded when key is returned to the college.

(6) Applies only to students who have a bachelor's degree and are not working on a second degree or major. Directed Study taken through the Workshop Program is charged regular college tuition plus fee.

(7) Added to amounts of fines, returned checks or other similar charges placed on account.

METHODS OF PAYMENT

All charges are due and payable at the time of registration at the beginning of each semester. If a student cannot pay all charges at registration, satisfactory payment arrangements must be made with the Business Office at that time. Satisfactory payment arrangements are as follows:

1. A minimum of Tuition and General Fee must be paid in cash, check or pre-determined loans and grants at registration.
2. The balance of charges must be paid in two equal installments which will be due on the following dates:

   Fall Semester: September 28 and October 30
   Spring Semester: January 30 and February 28
   Summer: In full at registration
   Mini-term: In full at registration

A one and a quarter percent (1¼%) interest charge is added at the end of the month to any unpaid balance which is at least thirty (30) days old. Each semester must be paid in full before registering for a new semester. Any financial agreements between the College and its students will be binding only if such agreements are in printed or written form. Any student who has become delinquent through failure to make payment or proper financial arrangements will be disenrolled until such matters are satisfactorily resolved with the Business Office.

No degrees or certificates will be awarded and no transcript of credits will be issued until all financial obligations to the College are discharged in full. <u>All sales in the bookstore are to be cash or check.</u> The College reserves the right to make financial changes for tuition, room, board and fees between times of publication of the catalog.

Refund Policy

For students dropping out of school or dropping a course, the following refund policy applies to tuition and fees.* The same policy applies to moving from dorm room.

1st Week**	100%	5th Week	50%
2nd Week	90%	6th Week	40%
3rd Week	75%	7th Week	20%
4th Week	60%		

After the 7th week no refund on tuition, fees and room. Board is returned on a pro-rated basis. No deposit or credit balance will be refunded unless all financial obligations to the College are satisfied, including Married Student Housing.

When sufficient space is available, a non-enrolled student may remain in college housing for one additional semester. Approval must be granted by the Student Services Office and completed by making satisfactory financial arrangements with the Business Office. Permission will be contingent upon paying (1) a partial activity fee of $75.00, (2) full board, and (3) full room cost. Full payment is due at the beginning of the semester.

When a student is due a refund according to the refund policy, and Title IV assistance programs are involved the College uses the following formula to determine the amount of the Federal portion that must be restored to Title IV:

Portion of refund due the Title IV Programs: Lesser of a or b:

a) Title IV aid awarded (excluding CWS) X amount of refund
Total aid award (excluding employment)

(_____X_____) ÷ _____ = _____

or

b) Title IV aid other than CWS received for the payment period:

$_____

The allocation procedures for treating refunds are as follows: First priority is to return a portion of the refund to Perkins Loan, second priority to SEOG, third priority to Stafford Student Loans, fourth to PLUS/Supplemental Loans, fifth priority to Pell Grant and sixth priority to TSAC not to exceed the amount disbursed to such student for such payment period. Funds remaining after such refunds are made will be returned to the student.

* No portion of the general fee is refunded after the 1st week of classes.
** Begins with Monday of week classes begin.

FINANCIAL AID

Trevecca Nazarene College offers a comprehensive program of financial aid in the form of scholarships, grants-in-aid, loans, and part-time employment. A student must be admitted to the college before an award will be made.

The financial aid program at Trevecca serves a two-fold purpose: (1) to recognize overall academic scholarship and outstanding achievement in specific areas and (2) to assist students who find it difficult or impossible to attend college without financial help.

Student Aid is administered in conjunction with a nationally estab-

lished philosophy which is based on the belief that parents are the primary resource for helping students to meet educational expenses. The student's assets also should be considered. Financial Aid becomes a bridge to fill the gap between the student's potential resources and college costs.

To determine need, the College utilizes the services of the ACT Family Financial Statement.

Family Financial Statement

All students seeking financial assistance (except those applying for Academic Scholarships only) are required to submit a copy of the Family Financial Statement to the American College Testing Program designating Trevecca Nazarene College as one of the recipients. Forms are available through high school guidance offices or from Trevecca Student Aid Office. Trevecca's ACT code number is 4016. This form serves as your application to the Financial Aid office for all financial aid programs.

Deadlines

Applications should be submitted in the early spring for the following fall. Aid is awarded on a rolling basis, first come-first served, with April 15 serving as a priority date. The later you file, the less your chance of getting aid. Only one application is required to determine your eligibility. If you are a resident of Tennessee, the application will also determine your eligibility for a Tennessee Student Assistance Award. Begin in February or March, whenever possible.

A family's ability to contribute may fluctuate from year to year. Therefore, awards are made for one academic year only. Each applicant must submit a family financial statement annually. The processing of the Family Financial Statement takes approximately six weeks at peak periods. All inquiries and requests should be directed to the Financial Aid Office.

Satisfactory Progress for Financial Aid

All students who receive financial aid must enroll for 6 hours or more and make satisfactory progress academically. In order to assure the student makes progress both in terms of numbers of hours completed each semester and cumulative GPA, Trevecca will utilize the following satisfactory progress policy for the 1992-93 school year:

PROGRESS STANDARD

1. Semester Progress: Students MUST, as a minimum, receive a satisfactory grade in the courses they attempt each semester as outlined below:

Student enrolls for:	Student must complete satisfactorily:
12 or more hours	8 hours per semester for the first two years. After that according to the table in #2 below
8-11 hours	8 hours

6-8 hours	16 hours by end of and academic year including summer sessions

Satisfactory grades are A, B, C, D, S, or IP (for one semester only). Unsatisfactory grades are F, U, W, or I.

2. Cumulative Progress: Students must, in addition to the above, meet the academic probation and suspension standards as outlined in the college Catalog. A student must complete his/her undergraduate degree within six years, as outlined below, except for half-time students who would be allowed up to eight years.

Academic Year	# of Credits Successfully Completed	Accumulative Hours Completed	% of Work Completed
1	16	16	.125
2	16	32	.25
3	24	56	.44
4	24	80	.63
5	24	104	.81
6	24	128	100%

Academic work done at other institutions (if accepted by TNC towards their degree) will count in our progress standard.

TNC reserves the right, in selected (and documented) instances, to determine that a student is making satisfactory progress even though his or her cumulative progress is not meeting published institutional standards. The reason for this is due to the remedial work allowed by regulations.

FINANCIAL AID PROBATION

1. Students will be placed on financial aid probation for one semester if they fail to meet either standard as outlined above.

2. Removal from probation—A student will be removed from financial aid probation at the end of the next semester if he/she is enrolled and satisfactorily completes the semester as defined in 1 and 2 under progress standard.

REMOVAL FROM FINANCIAL AID

1. A student on financial aid probation who fails to meet the standards of progress for two successive semesters of enrollment will be removed from financial aid.

2. Any student who receives all F's, U's, W's, or I's, or any combination of these (no progress made whatsoever), in any semester will be removed from financial aid without a probation period.

3. After four semesters, a student who goes on academic probation will automatically lose his/her financial aid.

NOTE: Removal from financial aid does not prevent a student from enrolling in Trevecca with his/her own finances, if he/she is eligible to re-enroll.

APPEALS

Students placed on financial aid probation or removed from financial aid can appeal that decision to the Scholarship Committee. The appeal must be prepared in writing and be accompanied by appropriate support documents.

Reasons that may be acceptable for the appeals are:

1. Serious illness or accident on the part of the student. This will normally require a support statement from the doctor.
2. Death or serious illness in the immediate family.
3. Other extenuating circumstances may be acceptable and will be considered.

ELIGIBILITY TO HAVE FINANCIAL AID REINSTATED:

A student may be eligible to have his/her financial aid reinstated whenever he/she enrolls without financial aid and successfully completes enough hours to satisfy the cumulative progress standard.

Trevecca offers counseling and an advising system to assist students in their efforts to achieve educational goals. The Office of Financial Aid encourages all students to use these services to help make their progress toward a degree more successful.

NOTE: This Satisfactory Progress Standard for Financial Aid applies to ALL students whether or not they are receiving federal aid and must be taken into consideration at such time as a student begins to receive federal aid.

SCHOLARSHIPS AWARDED 1992-93

Trevecca Nazarene College annually offers scholarships in recognition of outstanding scholastic achievement. Academic scholarships are awarded for the period of two consecutive full-time semesters (fall and spring semesters) and are distributed in two equal payments. A student may receive only one academic scholarship per semester. Academic scholarships at Trevecca can only be applied to fees, tuition, room and board, and can never generate a balance. Academic scholarships require a minimum load of twelve hours each semester and will not be awarded beyond eight full-time semesters.

Trevecca Scholars

The freshman, sophomore and junior with the highest grade point average in his/her class shall be recognized as a Trevecca Scholar. The three class scholars shall receive $3000.00 maximum grants (tuition only) except if they are already receiving the Valedictorian scholarship they would not receive any additional funds. The Scholarship Committee will select recipients.

Valedictorian Scholarship

The freshman applicant who is the Valedictorian of his/her high school graduating class and affirms a strong Christian commitment will receive a 100% tuition scholarship for his/her first year, provided there are 15, or more, in the graduating class. This scholarship will continue in subse-

quent years at full tuition providing he/she maintains a GPA of 3.9 or higher, carries a full load (30 semester hours or more) for the two semesters and maintains a Christian commitment and good citizenship standards.

Salutatorian Scholarship

The freshman applicant who is the Salutatorian of his/her high school graduating class and affirms a strong Christian commitment will receive a 50% tuition scholarship for his/her first year, provided there are 15, or more, in the graduating class. This scholarship will continue in subsequent years at half tuition providing he/she maintains a GPA of 3.7 or higher, carries a full load (30 semester hours or more) for the two semesters and maintains a Christian commitment and good citizenship standards.

Special ACT Scholarship

The freshman applicant who makes 31 or 32 on the ACT and affirms a strong Christian commitment will receive a 50% tuition scholarship for his/her first year. This scholarship will continue in subsequent years at half tuition providing he/she maintains a GPA of 3.7 or higher, carries a full load (30 semester hours or more) for the two semesters and maintains a Christian commitment and good citizenship standards.

The student who makes 33 or higher on the ACT will receive the 100% tuition scholarship as does a valedictorian. The same requirements apply.

President's Scholarships

A $1200.00 scholarship is available to incoming full-time freshmen who have a standard composite score of 27-30 on the Enhanced American College Test (ACT). The College must receive this report directly from ACT. Students must apply for this scholarship. After the freshman year this becomes the Dean's Scholarship if a pre-determined GPA is achieved.

A $900.00 scholarship is available to incoming full-time freshmen who have a standard composite score of 24 to 26 on the ACT.

A $600.00 scholarship is available to incoming full-time freshmen who have a standard composite score of 21 to 23 on the ACT.

Dean's Scholarships

A $1200.00 award will be made to students who attain a 3.90 GPA for 2 consecutive semesters provided they are progressing from one class level to the next.

A $900.00 award will be made to students who attain a 3.70 GPA for 2 consecutive semesters providing they are progressing from one class level to the next.

A $600.00 award will be made to students who attain a 3.50 GPA for 2 consecutive semesters and progress from one class level to the next.

Transfer students are eligible for the Dean's Scholarship if they meet the specified requirements. These awards (transfer only) are recommended by the Office of Admissions.

National Merit Finalist

A scholarship of $1200.00 will be awarded to all National Merit Finalists who designate Trevecca as their college choice. This scholarship will be divided equally into two payments and will be renewable if a GPA of 3.9 is achieved.

Freshman Leadership Scholarship

Up to three $600.00 Leadership Scholarships will be awarded annually. These scholarships are to be for incoming Freshmen who have established academic excellence in high school, been involved in leadership activities in high school and/or church or civic groups, but received a composite score of 19 or 20 on ACT test. Apply to the Director of Admissions. A special committee selects the recipients from the pool of applicants.

Honors Program Scholarship

Students admitted to the Honors Program will receive a $1,700 scholarship for the freshman year which will be continued for the sophomore year for students who remain in the program and achieve a 3.0 cumulative g.p.a.

Accounting Scholarship

Gerald D. Skinner, CPA, has provided an endowment for an annual scholarship to be awarded to a regularly enrolled junior or senior student satisfactorily pursuing an academic program in the field of accounting.

Homer and Beatrice Adams Scholarship

A scholarship was established by contributions from constituents of the College on the 10th anniversary of President Homer J. Adams to honor Dr. and Mrs. Homer J. Adams for a decade of outstanding service (1979-89) to Trevecca College. The scholarship shall be awarded by the College Scholarship Committee.

The Agape Scholarship

A scholarship has been made available to assist qualified full-time students attending Trevecca Nazarene College. It is the intention of the donors to assist exceptional students with high integrity and a definite financial need. The scholarship committee of the college serves as the selection committee. The scholarship committee will also decide the number of scholarships per year as well as the amount. The recipient should be a U.S. citizen, strong, committed Christian, have definite financial need, and be willing to send an annual thank you letter to the donor.

Alumni Scholarship

A number of scholarships are made available each year to children of alumni through the Alumni Student Scholarship Endowment Fund. Preference is given to seniors and juniors who show academic promise and who are in good social standing. Funds are made available through donations from the annual Phonathon, proceeds from the Alumni Visa

Card, the Trevecca Golf Classic and any other funds designated by contributors to this fund. The principal of the fund is invested and the interest earned provides the scholarships.

John T. and Eva Green Benson Scholarship

A permanent scholarship has been established by Robert G. Benson in memory of his parents, John T. and Eva Green Benson. The principal of the fund shall be invested and the entire income used by the college to provide scholarships for Trevecca students. In choosing recipients consideration shall be given to those students having the highest grade point average. Financial need may also be considered.

Marguerite Chilton Scholarship Fund

A scholarship has been established in the memory of Marguerite Chilton to assist needy and worthy students preparing for Missionary work. The principal of the fund shall be invested and the income used by the college to provide scholarships to give in her memory. The recipient(s) will be chosen by the Scholarship Committee of Trevecca.

The Charles A. Frueauff Foundation Inc. Scholarship

The recipient or recipients should be students with need, preferably from the Appalachian region. The recipients shall be chosen by Trevecca's Scholarship Committee.

The Ausby E. Guyer Scholarship

A sizeable endowed scholarship has been established for needy students preparing for the ministry or missions. The endowment provides some $3,000 per year, or more, and is distributed to students in the amount of $250 per semester. Recipients are chosen by the Scholarship Committee, in consultation with the Department of Religion.

R.C. and Jean Henderson Living Investment Scholarship

A scholarship has been provided by a gift to Trevecca by R.C. and Jean Henderson for the benefit of qualified full-time students at Trevecca. The scholarship committee of Trevecca shall serve as the selection committee for the recipients and must choose worthy students with financial need.

Jernigan Ministerial Scholarship

Funds have been made available by Dr. Don Jernigan to provide up to six $500 awards to students preparing for the ministry. Recipients will be chosen by the Scholarship Committee, in consultation with the Department of Religion.

Buford M. Jewell Scholarship

A scholarship has been established in the memory of Buford M. Jewell, a Nashville educator and former Trevecca student, to assist needy students attending Trevecca Nazarene College. The principal of the fund

shall be invested and the income used by the college to provide scholarships to full-time students showing need. The recipient will be chosen by the scholarship committee of Trevecca.

The Arthur E. and Flora Rhoades Kelly Scholarship

A scholarship has been made available by Rev. Arthur E. Kelly to assist married students at Trevecca who are preparing for full-time pulpit ministry. This scholarship will be administered by the scholarship committee of Trevecca with first priority going to students from South Carolina. Ministerial students with children will be given priority for this scholarship. A thank you letter and a brief report of the recipient's work would be welcomed by Rev. Kelly.

The Kercher Memorial Scholarship

A scholarship provided by R. Paul Kercher and Grace Kercher Boyett in memory of Rev. and Mrs. George Kercher and son, John Wesley Kercher. This scholarship is established to provide assistance to older full-time ministerial students who accept the call to the ministry later in life. The interest earned from the investment of the corpus shall be used to benefit such students as may qualify and will be selected by the scholarship committee of Trevecca. The recipient should be a full-time older student who has accepted the call to ministry later in life. The amount of the scholarship will depend upon the interest earned annually.

A.B. Mackey Memorial Scholarship

A fund was established by the Alumni Association to perpetuate the memory of A.B. Mackey, who gave 46 years of service to Trevecca - 26 years as President. Interest from this fund allows a limited number of scholarships to be given annually.

R.E. and Laura Merchant Scholarship

A scholarship established as a memorial to R.E. and Laura Merchant, parents of Joyce M. Stocks and Rose Pickard to assist worthy full-time students with financial need. The principal of the fund shall be invested and the income used to provide the scholarship(s) in the amount of $500 to $1000 per recipient per year. The exact amount and the recipient to be determined by the Scholarship Committee.

Lillie Nielsen Scholarship

Raymond A. Nielsen contributed an Indian Relics Collection valued at $48,000 to be used in the establishment of a scholarship in memory of his mother. The interest earned by the Lillie Nielsen Scholarship fund is awarded annually to worthy students.

Pastor's Scholarships

This scholarship is available to incoming Freshmen or first time students at Trevecca Nazarene College. It is awarded by the individual churches who have paid their educational budgets in full. It is entirely up

to the church to decide who receives this scholarship. The scholarships, if not used the preceding years, are good up to three years. The awards certificate is available at your local church office. The certificates are not transferable to any other church.

The Rodger and Belle Parker Living Investment Scholarship Fund

A scholarship made available by Rodger and Belle Parker to assist qualified full-time students who are children of pastors or full-time commissioned evangelists of the South Carolina District Church of the Nazarene. The recipients are chosen by the scholarship committee of Trevecca. The scholarship is based on financial need. Grants will be made available from the interest earned annually from the corpus.

The J. Dwight and Betty Ragsdale Scholarship

The scholarship has been made available by J. Dwight Ragsdale to assist qualified full-time students at Trevecca Nazarene College. The student must show financial need. The scholarship committee of Trevecca serves as the selection committee for this scholarship.

The Fred Sartin Scholarship for Ministerial Students

A scholarship has been made available in the memory of Rev. Fred Sartin to assist needy students at Trevecca Nazarene College. The recipient must be a Christian, and must believe in and preach holiness and purity of heart and life. Priority will be given to the children of ministers or children from non-Christian homes who show great financial need.

Nettie V. Spence Living Investment Scholarship

A scholarship has been provided from the estate of the late Nettie V. Spence of Mobile, Alabama, to assist qualified full-time students at Trevecca. The scholarship committee at Trevecca serves as the selection committee. A student must be full-time and must show financial need.

The Richard D. Steele Scholarship

Richard D. Steele has provided an endowment for annual scholarships to assist qualified full-time students with outstanding academic ability preparing for a professional career in law, medicine, certified public accountants, etc. Preference shall be given to students from the state of North Carolina. The scholarship committee of the College will serve as the selection committee and determine the number and amount of each scholarship awarded annually.

M.H. and Joyce Stocks Scholarship

A scholarship has been established by M.H. Stocks to assist qualified students in the ministerial or missions fields, as well as accounting or business. A special committee has been established to choose the recipients. Should there not be any qualified candidates in the religion or business field, the committee may choose to award the scholarship to students in other areas. For further information regarding the selection

process, please write directly to Professor Alan Smith in care of Trevecca Nazarene College. The scholarship is designated for juniors and seniors with 3/4 of the available funds going to students preparing to be a missionary or minister and 1/4 for students majoring in accounting or business administration.

J.R. Vaughan Ministerial Scholarship

An annual scholarship made available in honor of Reverend J.R. Vaughan for an older married ministerial student, who is accepting the call to the ministry later in life and is uprooting his family to come to Trevecca to prepare for the ministry. The scholarship is made available in various amounts but could be as much as $3,000.00 for the year.

Earl and Elizabeth Vennum Scholarship

An annual scholarship made available by Howard and Gladys Marks in honor of Rev. Earl and Elizabeth Vennum. At least $1,500.00 annually is awarded to a student of outstanding ability preparing for the preaching ministry. The recipient is recommended by the Religion Department in consultation with the Director of Financial Aid.

Howard T. Wall, Jr. Memorial Scholarship

A scholarship has been established in the memory of Howard T. Wall, Jr. to assist students at Trevecca Nazarene College. Students should be full-time, and should show financial need as well as promise. The scholarship committee of Trevecca will choose the recipients.

EMPLOYMENT

College Work Study Program

Federal funds are available at Trevecca to assist students who have established that they need part-time employment in order to pursue their college studies. CWSP jobs may be on campus or at an off campus non-

profit agency. CWSP employment is determined by the student's need, skills, availability of funds, job vacancies, and willingness to work.

Campus Employment

A limited number of Trevecca funds are available for students who have established need and who do not qualify for CWSP. TNC campus employment is determined by the student's skills, availability of funds, job vacancies, and willingness to work.

Off-Campus Employment

The campus Student Employment Office will assist students in locating community work opportunities.

OTHER AID PROGRAMS

Vocational Rehabilitation

Students who feel they may qualify under this program should contact their local office or the Financial Aid office.

Monthly Payment Plans

Trevecca Nazarene College has authorized the use of the Tuition Plan, Inc., and the Insured Tuition Payment Plan. These programs advance semester payments to the college. Repayment may be extended to four or more years.

Benefits for Veterans

Veterans who have served on active duty since January 31, 1955, may be eligible for educational assistance under Public Law 94-502 and 95-202. Application should be made to the Veterans Administration regional office having custody of the veteran's file.

Public Law 634 and Public Law 90-631 provide educational assistance to (1) widow, sons, and daughters of deceased veterans who died while in service, or after discharge from a service-connected disability; and (2) wives, sons, and daughters of veterans who have service-connected disability considered to be total and permanent in nature. Application should be made to the Veterans Administration regional office having custody of the veteran's file.

Under the provisions of Public Law 894, veterans who, as a result of a service-connected disability, require re-training or other vocational rehabilitation, may be entitled to educational assistance. Inquiry should be made to the Veterans Administration regional office having custody of the veteran's file.

Certificates of eligibility to be used at registration will be issued by the appropriate regional office of the Veterans Administration to those who are eligible for educational benefits. The Director of Student Financial Aid also serves as the campus Veteran's Coordinator.

Company Aid

Many employers have scholarships and/or loans for children of their employees. Parents should investigate this possibility.

GENERAL ACADEMIC INFORMATION

Academic Policies

The Academic Council, a committee of faculty, administrators, and students is responsible for developing the academic policies of the College. The items listed below are an attempt to answer student questions concerning the most frequently asked items of academic information.

Classification

Students are classified at the beginning of each semester on the basis of work already completed, as follows:

Freshman: Approved entrance credit
Sophomore: 32 semester hours college credit
Junior: 64 semester hours college credit
Senior: 96 semester hours college credit.

Full Time: Students carrying 12 hours or more each semester. Participation in intercollegiate athletics, college traveling groups, student government scholarships and most financial aid programs require this minimum academic load.

Part-time: Students currently enrolled for fewer than 12 hours of work for college credit, with the exception of seniors who may lack less than the minimum load of meeting graduation requirements in their senior year.

Registration

All presently enrolled students are expected to submit a pre-registration schedule of courses to the Registrar on assigned dates during the fall and spring semesters. This schedule is made out by the student with the assistance of the faculty advisor and requires the signature of the advisor. A late fee is charged for submission of the registration schedule after classes have begun.

The last day to add classes is five days after school starts in any semester including the first day of classes. The last day to drop classes without a grade appearing is 5 class days after the first day of classes including the first day of class.

Summer School

The College operates on the basis of two semesters during the regular school year (August-May). In addition, three summer terms are available with regular courses along with selected special course offerings.

Mini-Term - May - 2 ½ weeks - maximum one course
Summer I - June - 4 weeks - maximum two courses
Summer II - July - 4 weeks - maximum two courses

Course Numbering System:

1000—courses—Freshmen
2000—courses—Sophomores

3000—courses—Juniors
4000—courses—Seniors

The numbers enclosed within parentheses opposite the course number and name represent the number of credit hours awarded for the course.

Majors - Minors - Professional Cores

An educational major at Trevecca Nazarene College is a prescribed coursework plan within a broader curricular area (e.g., Religious Studies Major in the curricular area of Religion and Philosophy). Academic majors offer students an opportunity to focus their learning on theories, skills, and applications relevant to their course of study and the broad curricular area from which the major is offered. Educational majors generally have credit hour requirements of approximately 30 semester hours. However, there are a few with 26-27 and two professional majors in Allied Health of 64 and 99.

Minors allow for additional concentrations of study. Some are required with particular majors; most are options which may be added to any major or minor creating options for personal enrichment or career enhancement. Requirements vary from 15 to 27 hours.

Professional cores are courses required for many majors which focus on the more practical applications of the content of the major courses. The professional cores are sometimes referred to as concentrations, emphases, options or support courses and in education are called minors. Requirements may vary from 12 to 31 hours.

All academic majors, minors and professional cores are approved by the college's Curriculum Committee and Academic Council or Education Council and published with their credit hour requirements in the Trevecca Catalog.

REQUIREMENTS FOR GRADUATION

Requirements for B.S. or B.A. Degree

The degree of Bachelor of Arts or Bachelor of Science is conferred upon successful completion of a major, at least one minor, and 57 hours of General Education courses which must be taken by the end of the junior year (except REL 4000). These General Education Core Courses have been selected to give a broad liberal arts training as a foundation to students majoring in any field.

The following provisions apply to all 4-year degrees:

1. The candidate must complete a total of at least 128 semester hours of credit with a 2.00 grade point average.
2. The senior year must be taken in residence at Trevecca Nazarene College, with a minimum of 32 semester hours for B.A. or B.S. and 16 semester hours for A.A. or A.S. A summer graduate must be within 12 hours of graduation by the end of spring semester (except for P.A. students). No student may graduate with less than 32/16 hours earned at Trevecca.
3. A student is to graduate under the terms of the catalog at the time of his/her graduation, or the one immediately preceding.

4. The candidate must have completed a department approved major with a 2.0 average or better in the major field. A minimum of C- is required on all courses counting on a major.
5. The candidate must also present an approved minor or a second major. Careful selection of electives will allow a second major and expanded career opportunities.
6. The candidate is limited to a total of 32 hours of non-traditional credit such as PLC, CLEP, professional schools or military P.E. credit on the degree program. There is a limit of 32 hours PLC credit. (15 hours for A.A. or A.S. degree)
7. The candidate must take a minimum of 9-12 hours of courses in the major at Trevecca (exclusive of History of Philosophy in Religion major).
8. The minimum number of hours for a major is 30 hours, and the maximum number is 61 hours.
9. The candidate is limited to 12 hours of Directed Study, 8 hours of Internship (exclusive of Student Teaching), and 4 hours of Practicums on a degree program.
10. A candidate expecting to teach must meet certification requirements under the guidance of the faculty advisor and the Director of Teacher Education. A teacher education student must pass the N.T.E. Core Battery as a pre-requisite to graduation.
11. A candidate must make application for graduation and submit to the Registrar a program for meeting graduation requirements by the last day of pre-registration for the semester in which degree requirements will be met. Candidates graduating in August but wishing to participate in May commencement exercises must make application and submit the program for meeting requirements by the last day of pre-registration for spring semester.
12. A candidate must pay a graduation fee of $30.00 by November 1 for December graduation and April 1 for May or August graduation.
13. All work must be completed and grades recorded in Registrar's Office prior to the specified graduation date. In the event requirements are not met by the specified graduation date, the candidate must reapply for graduation and pay a $10.00 reapplication fee.
14. Transcripts will be available for December graduates following the December graduation date. Diplomas for December and May graduates will be awarded at the May commencement. Diplomas for August graduates will be available on the August graduation date.
15. A candidate is required to participate in Baccalaureate and Commencement exercises unless excused by the Vice President for Academic Affairs.
16. A candidate who fails to establish competency in the skills indicated by course titles through ACT and various entrance testing programs will be required to establish competency by taking the following courses graded on an S-IP basis. These hours will be in addition to the 128 hours required for graduation:

INT 0900 Basic Study Skills	2 hours
ENG 0910 Writing Skills I and/or	(a) 3 hours
ENG 0920 Writing Skills II	(a) 3 hours
ENG 0950 Reading Skills	(b) 3 hours

MAT 0930 Math Skills (c) 2 hours
and/or MAT 0940-Elementary Algebra (c) 2 hours

(a) Required if ACT English standard score is 17 or below, or need is indicated by competency testing.
(b) Required if raw score on Nelson-Denny Reading Test is 64 or less on Form E or F.
(c) Required if indicated by diagnostic testing given all freshmen.

17. INT 1000. Introduction to College Life is required of all first time freshmen.
18. Completing the Academic Profile survey as a freshman and as a junior is a graduation requirement.
19. The candidate must meet the following General Education requirements which should be taken during the freshman and sophomore years but no later than the junior year with the exception of REL 4000.

GENERAL EDUCATION CORE CURRICULUM BACHELOR OF ARTS OR BACHELOR OF SCIENCE DEGREE

Purpose of the Core Curriculum

The General Education Core at Trevecca Nazarene College reflects the cultural heritage of the liberal arts tradition. Each course in the six essential outcome areas is meant to explore some part of the students' cultural and historical heritage and thereby provide them with knowledge and skills to deal with current and future problems associated with this heritage. Each course in the core is also designed to be values-based. Students are provided with the educational resources and experiences to clarify or expand their current values or to acquire new values within the framework of Christian holiness in the Wesleyan tradition. These values are to be related to current social, political, and religious issues and to the students' lives and career plans.

Outcome Areas

The Core is organized and defined by six essential outcome areas. These outcome areas are composed of a number of objectives which delineate each area. Coursework developed from these outcome areas should reflect a breadth in its totality but also a certain depth; i.e., general education courses are not designed primarily as introductory courses to academic disciplines. Indeed many disciplines are represented, but the General Education Core must stand on its own. A student-product of the Core should evidence the understandings and skills of this heritage-based and values-processing general education program. The core is designed to be taken over a four year collegiate career, with certain courses taken at different student maturational and classification points.

Below are the outcome areas with their defining objectives:

Outcome One: Personal Development In a Christian Values Context

1. Personal values identification and development.
2. Values-based decision making in a Christian context.
3. Integration of life, learning, and faith based on Biblical knowledge.
4. Authority of the Bible and basic Bible study skills.
5. Christian holiness in the Wesleyan tradition.
6. Church of the Nazarene's doctrinal-ethical standards.
7. Personal physical development in a Christian values context.

Outcome Two: Development of an Effective Style of Communication

1. Enhancement of reading skills.
2. Enhancement of writing skills with attention to subject, audience, purpose, and style.
3. Development and enhancement of speaking skills with demonstrated awareness of the elements of effective oral communication.
4. Awareness of the types of listening required by different communication situations.
5. Use of mathematical skills as communication tools: to think quantitatively, to apply numeric and symbolic skills appropriately.

Outcome Three: Critical, Reflective and Creative Thinking

1. Thinking in ways that are analytic, synthetic, interpretative, reflective, interactive, evaluative, and creative in order to analyze varied types of personal and societal issues.
2. Selecting, developing, creating, and implementing solutions to problems.
3. Application of the tools of philosophy.
4. Use of the tools of thinking in exploring academic fields.
5. Development of a clear, logical prose style.
6. Development of the tool of the research paper.

Outcome Four: Artistic, Aesthetic and Literary Dimensions of Culture

1. Exploration of the literary genres of short story, poetry, the novel, and drama.
2. Recognition of the elements of art and music.
3. Identification of the elements of music composition.
4. Analysis of the sociocultural climate of various historical periods.
5. Recognition of representative art forms, artists and composers.
6. Exploration of personal appreciation and cultivation of art.

Outcome Five: Living in Community With Others

1. Understanding the historical-social dimensions of human behavior, of human life in time and place.
2. Interpretation of the present through the past as a means of planning for the future.
3. Exploration of systems of meaning that are woven into foreign languages and cultures and the communicative process involved in foreign languages.

4. Analysis of individual and group behavior.
5. Analysis of social, political, and economic forces that make an impact on institutions.
6. Examination of global forces, of historical movements and personalities.
7. Understanding of effective ways to develop and maintain relationships with others.
8. Exploration of the importance of creative and intelligent Christian service in a global community.

Outcome Six: Science and Technology in Life and Culture

1. Examination of the methodology of science.
2. Recognition of technology as an outcome of the process of science.
3. Exploration of the characteristics, attitudes, and limitations of science and technology.
4. Interpretation of the basic laws of physical science.
5. Analysis of significant biological processes.
6. Problem solving in environmental and technological issues.
7. Appreciation of wise use of resources.

Total: 57 hours

*There are variations for Teacher Ed., Music and Allied Health majors.

(a) May be by-passed if ACT standard score in English is 24 or above and placement is validated by competency testing.
(b) Must be taken by end of Sophomore year.
(c) Prerequisite: ENG 1080
(d) Prerequisite: REL 2000, PHL 2010.
(e) Prerequisite: REL 2000, 3000, PHL 2010, Senior classification.
(f) Music majors will take MUS 1010 and Music 3000 instead.
(g) May be waived on basis of 2 years of same foreign language in high school. Voice majors may substitute 4 hours of vocal diction. Religion majors must substitute Greek 2010 or Hebrew 2010.
(h) Religion majors must choose the second semester of the same biblical language or the first semester of another for one social science.
(i) Competency testing by Math Department will determine if other math options (MAT 1050, 1060, 2010, or 2090) are required or MAT 1040 math requirement is waived.
(j) Science majors and minors will substitute BIO 1510 or BIO 2500 for Life Science, and SCI 3510; CHE 1010; CHE 1040; PHY 1010 or PHY 1110 for Physical Science.
Other students with ACT Natural Science Scores 22 or above and a composite ACT of 21 or above should take one of the above substitutions for their general education requirement in science.
(k) Varsity athletics does not count toward this requirement.

Policy on general education waiver and substitution in relation to major or minor course work.

Course work can count toward the completion of a major or minor and simultaneously satisfy a general education requirement. This can be done by: (a) **waiver** of a general education requirement when the completion of a course listed as part of the general education core directly contributes to the fulfillment of a major or minor, as approved by the department; (b) **substitution** of one or more courses completed to fulfill a major or minor for a course in the general education core in the same field, as approved by the Curriculum Committee.

Requirement for the A.A. or A.S. Degree

In addition to the above 4-year degrees, Trevecca offers the Associate of Arts degree and the Associate of Science degree in selected paraprofessional programs of study. These 2-year programs are career-oriented and require approximately one year in general education including six hours of required religion courses. The balance of the program is in the specialty area selected. The college requires 64 semester hours of college work with a 2.00 grade point average for graduation with the A.A. or A.S. degree. The residency requirement for the A.A. or A.S. degree is 16 hours exclusive of PLC credit.

Requirement for Obtaining a Second Degree

A second Bachelor's degree may be obtained with a minimum of 32 hours of additional work at Trevecca, including meeting requirements for a second major. In no case will more than one degree be conferred upon a candidate at any one commencement. Second degree candidates are eligible for graduating honor ranks, Honor Society and Dean's List but not for membership in Phi Delta Lambda.

ACADEMIC POLICIES

ACADEMIC ENRICHMENT PROGRAM

Trevecca's Academic Enrichment Program (AEP) is a special program for students who score eighteen and below on The Enhanced ACT Assessment Standard Composite score and seventeen or below on the Enhanced ACT Assessment Standard score in English and/or eighteen or below in Math. Students must successfully complete the program before they are given regular admission to the College.

Courses structured for the AEP are Reading Skills, Writing Skills, Math Skills and Study Skills. All students who score into the AEP are required to enroll in the study skills classes. Students who score eighteen and below and also all freshmen who have no ACT score will be required to take the Nelson-Denny Reading Test - Form E or F. Students who score sixty-four and below on the Nelson Denny Reading Test are required to enroll in a reading skills class. In addition to the ACT score a student's writing sample will be used to place the student in Writing Skills I or II. A student placed in Writing Skills I will need to take Writing Skills II in the following semester. Students who test into writing skills, reading skills or study skills are required to enroll in the classes their first semester. Placement in appropriate math skills classes will be made on the basis of supplementary tests given to all freshmen. Those showing specific deficiencies in fractions, decimals, and percents will be required to take Math Skills their first semester and Elementary Algebra their second semester. Those with deficiencies in signed numbers, algebraic operations, and equations and inequalities will be required to take Elementary Algebra their first semester. Those with fewer deficiencies may defer any necessary math class until their second semester to try to refresh skills on their own and to then succeed on a retest before their second semester begins. A passing score on a retest will offset the need for Elementary Algebra and/or Math Skills.

All basic skills courses are graded primarily on the Satisfactory, Unsatisfactory, and In-Progress basis. Students required to take them may have more than one semester (two semesters maximum) to complete the competencies they must achieve for regular admission. Students who qualify may receive an A for the course. Likewise, students may receive an F for the course. However, the grades A and F are for transcript purposes only; they will not count in the g.p.a.

Students receive only institutional credit for basic skills courses. Credits earned in basic skills classes do not count toward graduation credits.

Students who are required to enroll in the AEP will have a special developmental studies counselor until they have completed the basic skills program and have begun regular college courses on a full-time basis.

Regularly admitted students who score within the ranges listed above on the Enhanced ACT Assessment, the Nelson-Denny Test and the supplementary math and writing tests will be placed in appropriate courses.

Policy for IP Grade

In Progress (IP) grades may be assigned in basic skills courses if a student has worked diligently but has not yet reached the required competency level. A student receiving an IP grade is required to register and pay for the same course the following semester or the next semester he/she is enrolled. Failure to re-enroll as required will cause the IP grade to become F. A student may only receive the IP grade for one semester in each basic skills course. At the end of the second semester of work, a student must earn a grade of S or receive a grade of U (F if too many unexcused absences). If a student receives a U or an F at the end of the second semester in more than one skills class, he/she may be suspended according to school policy. In the case of deficiency in one class only, the decision of the student's suspension or retention will be made by the Basic Skills Director in conjunction with the Vice President for Academic Affairs. If a student receives a U or an F in a basic skills course for two consecutive semesters, that student will be suspended according to the school's suspension policy. When a student satisfies the suspension, he/she has only one semester to finish the basic skills classes.

Any questions concerning the Academic Enrichment Program should be directed to the Director of Developmental Education.

ACADEMIC PROBATION AND SUSPENSION

To encourage and ensure satisfactory progress toward a degree, the office of the Vice President for Academic Affairs administers the following system of probation and suspension. As a student advances in class, the minimum academic level increases according to the following scale to assure that the 2.0 minimum average requirement is met for graduation.

Probation Limits By Student Classification

Four-Year Degrees

Classification	Hours Attempted	Probation Level
Freshman	0-31	less than 1.60
Sophomore	32-63	less than 1.80
Junior	64-95	less than 1.95
Senior	96-completion	less than 2.00

Two-Year Degrees

First Year	0-31	less than 1.80
Second Year	32-64	less than 2.00

All students' records will be evaluated at the end of fall and spring semesters. Probation and suspension will be based on the cumulative grade point averages of each of these semesters. Transfer students with grade point averages below minimum standards will be entered on probation.

Probation: designation after the first semester in which a student fails to achieve the minimum GPA for his/her class standing. Students on probation are required to have their class schedule approved by the Assis-

tant Academic Dean before they are allowed to register and are required to maintain a 2.0 average for courses taken during the semester of probation to avoid suspension the following term. Social restrictions for students on probation are outlined in the *Student Handbook*. Students on advice of Assistant Academic Dean may be required to include a study skills course in their schedule during their semester of probation.

Continued Probation: designation for students who have achieved a 2.0 average during a semester of probation but have not yet attained minimum GPA for their classification. The same requirements and restrictions of first semester probation apply to those on continued probation.

One-Semester Suspension: designation any semester after a student fails to maintain a 2.00 for the courses taken during a semester of probation.

Two-Semester Suspension: designation the second time a student fails to maintain a 2.0 for courses taken during a semester of probation.

Right to Appeal Suspension

If there were extenuating circumstances (illness or family emergency) during a semester previous to suspension, a student may appeal in writing to the Admissions Committee for waiver of suspension. The extenuating circumstances and their probable solution should be documented in writing by someone such as a doctor, parent, pastor, or appropriate school official. If a waiver is granted, failure to maintain a 2.0 for the semester in the semester in which the waiver is granted or any subsequent semester prior to being removed from probation automatically moves the student to the next suspension designation.

No student on academic or social probation will be allowed to fill any major office.* Students must have a 2.5 average to be approved for election to major offices.** Students serving the college as official representatives in any capacity, such as SGA officers, intercollegiate athletics, forensic team, and non-academic musical groups, must not be on academic or social probation.

*All SGA members, class and club presidents.
** If new freshman, student must have an ACT Composite score of 19 or above. Freshman officers cannot be in AEP.

GRADING SYSTEM

Trevecca's grading system, based on class work and examinations, is as follows:

Extremely exceptional	A +	4.0 quality points per semester hour.
Exceptional	A	4.0 quality points per semester hour.
Highly superior	B +	3.5 quality points per semester hour.
Superior	B	3.0 quality points per semester hour.
High average	C +	2.5 quality points per semester hour.
Average	C	2.0 quality points per semester hour.
Low average	C-	1.5 quality points per semester hour.
Passing	D	1.0 quality points per semester hour.
Passing, but unsatisfactory	D-	0.5 quality points per semester hour.
Failure	F	0.0 quality points per semester hour.
Incomplete	I	Given for sickness or emergency reasons near end of term and must be approved by the teacher, department chairperson and assistant academic dean. Must be removed within the first five weeks of the following semester (including summer) or grade becomes a permanent "F." Seniors expecting to graduate at the completion of Summer School must have all "I's" removed prior to August 15.
Withdrawal	W	Granted to students who officially withdraw from a class during the first 8 weeks. May be assigned by the Assistant Academic Dean for extenuating circumstances.
Withdrawal Failing	WF	Assigned by professors to students who withdraw after the eighth week and up until 1½ weeks before end of semester.
Withdrawal Passing	WP	Assigned by professors to students who withdraw after the eighth week and up until 1½ weeks before end of semester.
Grading for Special Courses		
Satisfactory	S	Credit toward graduation, but no quality points. Courses numbered below 1000 carry institutional credit but not credit toward graduation.
In Progress	IP	No credit. Given in Basic Skills courses and ENG 1020 and 1030 to students who need additional time to complete competencies. May be changed to F if student fails to register for the course the next semester he/she is enrolled.
Unsatisfactory	U	No credit.
Audit	N	No credit.

For graduation—128 semester hours and a 2.00 grade point average are required.

Grading Policy - Each regular course must have a minimum of two significant evaluative measures (preferably exams) - at least one by midterm.

Change of Grade Policy - After a professor has assigned a grade in a course, changes may be made only for clerical error. Changes must be approved by the Vice President for Academic Affairs.

Transcript Policies

Official Transcripts: The transcript of a student's academic record will be released by the Registrar only upon receipt of a student's written

request. No degrees or certificates will be awarded and no transcript of credit will be issued until all financial obligations to the College are discharged in full and a student's academic file is complete in the Registrar's Office.

Unofficial Transcripts: Currently enrolled students may obtain an unofficial student copy of their transcript from the Registrar's Office.

Transcripts of Transfer Credit: A transcript of a student's record from another university or college is not forwarded to a third institution. The student should request another transcript from the original institution.

Transient Credit From Other Colleges

Students are not permitted to register for courses in other institutions while attending Trevecca without the approval of the Vice President for Academic Affairs. A maximum of 12 hours transient credit is allowed. The College reserves the right to reject any courses submitted which were not first approved. Students who owe the college money or are on academic probation or suspension will not be allowed to take work at another college as an approved transient student.

Scholastic Honors

Dean's List. The Dean's List is composed of those students who achieve a 3.5 grade point average carrying 12 or more hours.

Graduating Honors. Students of high scholastic standing will graduate with honors, according to the following criteria for each honor rank:

With Distinction—representing a cumulative standing of at least 3.5 for A.A. or A.S. degree candidates only.

Cum Laude—representing a cumulative standing of at least 3.5.

Magna Cum Laude—representing a cumulative standing of at least 3.7.

Summa Cum Laude—representing a standing of 3.9 or above.

Phi Delta Lambda is the national honor society of the colleges of the Church of the Nazarene. Each college maintains a chapter, the one at Trevecca Nazarene College being the Zeta chapter. Honor graduates are eligible for election to membership in this chapter. Elections are held each year by the faculty during the commencement season. Membership each year may not exceed 15 percent of the graduating class.

The Honor Society is composed of those students (sophomores and above) who have maintained a cumulative average of 3.5. This is a learned society under the sponsorship of the Assistant Academic Dean. The five Junior students who have the highest grade point averages in their class have the honor of being Junior Marshals and Flagbearers in the annual Commencement ceremonies.

Honors Program

The General Education Honors Program is a two-year sequence of enriched humanities and science courses in the general education curriculum which are team taught by faculty members from different disciplines.

Approved honor students will take them in lieu of the following general education courses: HIS 1400, 1450; ENG 1080, 2000; MUS 1500; SCI 1500 or 1600; PHL 2010 and one social science elective. All other general education courses will be required or replaced by AP or CLEP credit.

Registration for honors courses requires approval by the Honors Committee. This approval requires application to the Honors Program and an interview by the Honors Committee. Criteria for admission and instructions for application are in the Admissions section of the Catalog. Students must maintain a 3.0 average to remain in the program. Descriptions of the courses are in the Interdepartmental section of the Academic Program section of the Catalog.

Academic Advisor

Each student is assigned an academic advisor according to his/her choice of field of study. Students undecided about their majors are advised by counselors designated for undecided students. The successful planning and completion of the requirements for graduation are the joint responsibility of the student and the advisor. To change a major and/or advisor, the student must submit a request through the office of the Vice President for Academic Affairs. AEP students are assigned an AEP advisor and are not transferred to a major area advisor until they have successfully completed all AEP courses.

Limitation of Student Load

The average load is 16 hours; the maximum is 18 hours. A student may not register for more than 18 hours unless the grade average for the preceding semester was a "B" and has the approval of the Assistant Academic Dean. Students who work should limit their academic load according to the amount of work and their level of ability.

Academic Honesty

Academic honesty is expected of all students at Trevecca Nazarene College. It is an integral part of the educational process where learning takes place in an atmosphere of mutual trust and respect. Each student is responsible to maintain high standards of academic ethics, personal honesty, and moral integrity. Dishonest academic behavior will be dealt with fairly and firmly. Specific guidelines for dealing with dishonesty are outlined in the *Student Handbook*.

Examinations

A minimum of a mid-term and final exam are required in regular courses, although some courses may have three or four exams. Examinations must be taken at regularly-scheduled times. Permission will not be given to take final examinations early.

Class Schedule

A schedule of classes and examination times is published each year for the next school year.

The College reserves the right to cancel a class with fewer than seven students enrolled and to make necessary changes in schedules and programs.

Monday, Tuesday and Thursday nights are reserved for study and evening classes. No school-wide social activities are to be scheduled on these nights.

Class Attendance

Regular class attendance is expected of all students. Each professor includes his/her attendance policy in the class syllabus at the beginning of each semester. Absences for any reason may be taken into account in the evaluation of a student's work.

1. A student is allowed only three weeks of absences (excused and unexcused) during a semester term and still be eligible to receive credit for a course.
2. Attendance counts from the first day of class whether students are registered or not. Registering late is an excused absence.
3. Students need to save their 3-week allowance of absences (excused count as well as the unexcused) for illness, necessary trips home, work related problems.
4. Students need to keep careful count of their absences and inform professors of tardiness immediately after class.
5. Students need to have a drop form signed by their advisor and professor and to submit it to the Registrar's Office as soon as they decide to stop attending a class.
6. Each professor will keep accurate attendance records and report excessive absences to the office of the Assistant Academic Dean when the number has exceeded 3 weeks.
7. Each professor determines whether the absence is excused or not except for extended illness verified by a doctor and travel with an official college group verified by the Vice President for Academic Affairs.
8. Disenrollment—

   If class meets 3 times per week, the student may be disenrolled on the 10th absence.

   If class meets 2 times per week, the student may be disenrolled on the 7th absence.

   If class meets 1 time per week, the student may be disenrolled on the 4th absence.

   If the disenrolling absence is before the end of the eighth week, the grade will be W. If it is after the end of the eighth week, the grade will be WP or WF depending on whether the student is doing passing or failing work.

Excused absences will require one of the following evidences:

a. a note from the college clinic saying the student in unable to attend classes.
b. a note from a physician saying the student is unable to attend classes.

c. an excused absence recorded by the professor.
d. official functions of college and excused absences sent out by the Assistant Academic Dean's Office.

If students are disenrolled for absences, they may apply for reinstatement within a week of the disenrollment. The application must be made to the Academic Affairs Office and include proofs of the excused absences and absence and grade reports from the professor. A committee composed of the Assistant Academic Dean, the student's advisor, and the student's professor will make the decision concerning the student's reinstatement.

However, students in the Honor Society will be allowed unlimited cuts in a course where the nature of the course does not depend on class participation. The professor of the course will decide whether the allowance will be granted or not.

Please consult the Assistant Academic Dean concerning any questions about the policies and how they apply to a particular situation.

Directed Study

A limited amount of directed study is available for students to do individual research, special problems, and further study in a particular subject area. Regular courses are not to be taken by directed study except in cases regarding unavoidable schedule conflicts with graduation requirements in the senior year. When regular courses are taught by directed study, they must have essentially the same requirements as those taught in the classroom, including exams. A student is limited to one course of directed study per term and a total of 12 hours credit by directed study. Students on academic probation are not permitted to take any courses by directed study.

Academic Grievance Policy

Students with grievances or problems with the way a particular course is conducted and how their grades are assigned should first seek a solution with the professor of the course. If there is not a satisfactory solution, the student should ask the professor's department chairperson to help solve the problem. If there is still no satisfactory solution, the student may consult the Vice President for Academic Affairs who will try to find a reasonable solution or may refer the matter to the Academic Council as an appeal.

Withdrawals From Courses

The last day to drop classes without a grade appearing is 5 class days after the first day of class including the first day of class.

Thereafter, a student will receive a grade of "W" in a class anytime up to the end of the eighth week. WP or WF grades will be assigned by the professor for withdrawals after the eighth week. No student may withdraw during the week and a half before finals. If the student withdraws from any course without following the proper procedure with the Registrar's office and Business office, the grade in the course will be recorded as "F."

A student who finds it necessary to withdraw from all of his/her cour-

ses must secure the proper forms from the Dean of Student Services Office and complete them to ensure accurate grades and financial arrangements.

Course Repeat Policy

Students may repeat courses if the second course is equivalent to the first. The repeat grade is the grade recorded as part of the G.P.A. Course equivalencies are decided by Department Chairpersons, Vice President for Academic Affairs, and Registrar. A failed course may not be repeated by Directed Study.

Student Rights and Responsibilities in the Academic Area

Every student at Trevecca Nazarene College has the **right** to:

1. Respect as an individual and to forthright, friendly, tactful, and helpful treatment, the right to ask sincere questions and receive polite answers.
2. Expect that the course material reflect the current state of learning in the field.
3. Information in a printed syllabus as to course objectives, requirements, evaluation procedures, and attendance policy.
4. Be informed by the teacher at regular intervals as to individual progress in courses.
5. Expect assignments back within a reasonable period of time, including corrections and criticisms of student work either orally or in writing.
6. Personal consultation with teachers and advisor during regular posted office hours.
7. Withdraw from any course during the first eight weeks of the semester with a grade of "W." Withdraw from any course after the eighth week and up until a week and a half before finals with grade of WP or WF assigned by the professor.
8. Due process for appeals about grades or academic matters relating to a course through the Teacher, Department Chairperson, and Vice President for Academic Affairs who has the right to make a decision on whether or not to refer the matter to the Academic Council.

Every student at Trevecca Nazarene College also has the **responsibility** to:

1. Attend classes regularly and participate in class discussions.
2. Complete all assignments on time to the best of his/her ability.
3. Know the academic policies of the College as stated in the College Catalog and annual class schedule, including requirements for graduation.
4. Consult with his/her faculty advisor each semester regarding academic planning for the next semester.
5. Plan extra-curricular activities and work schedule so as not to interfere with academic work or chapel attendance.
6. Maintain honesty and integrity in all academic work.
7. Take proper care of equipment and materials used in academic work, such as in the science labs and library.
8. Maintain appropriate conduct in the various areas on-campus, such

as the classroom, chapel, and library.

9. Maintain a standard of professional conduct off-campus in areas such as student teaching, practicum, internship, clinical training, field trip, forensics, music group, athletics, and outreach ministry.

Army-Air Force ROTC

Trevecca has a cooperative agreement with the Army ROTC at Vanderbilt University and the Air Force ROTC at Tennessee State University in which students from Trevecca may receive credit for ROTC courses and transfer them back on their degree program at Trevecca. Upon successful completion of the bachelor's degree program at Trevecca and successful completion of the ROTC program, the student will receive a commission in the Army or Air Force as well as the degree from Trevecca. A student must be enrolled full-time at Trevecca to be eligible to apply for the ROTC program. Scholarships are available on a competitive basis to qualified students. There is no military commitment until entering the Advanced Program. Upon graduation, there is an active duty and reserve duty obligation for scholarship students.

The location of Trevecca makes these cross-town agreements attractive for students desiring officers training in the Army or Air Force. Students may use ROTC credit for a minor in Air Science or Military Science.

CONTINUING EDUCATION

The Continuing Education courses are designed to meet the educational needs of adult learners. Credit may be earned by attending regular classes (day or evening), through Continuing Education units, through the Prior Learning Assessment Program, and through Teacher Workshops, and Minister's Workshops.

Teacher Workshops

Teacher workshops are offered regularly in various content and professional fields for the professional growth of teachers. Two or three semester hours of undergraduate credit may be earned in from two to three weeks of concentrated study. Credit earned in this program may be used to meet teacher licensing requirements for: (1) persons already holding a bachelor's or higher degree who are seeking to meet teacher licensing requirements, (2) persons already holding a teaching license who are seeking to obtain an add-on license, (3) persons whose certificate is expiring and are required to take a specified number of hours in order to renew their license, and (4) persons taking these courses for self-enrichment purposes, or similar professional growth as may be required by a local school district.

Prior Learning Assessment

This College recognizes the validity of prior learning and provides opportunity to receive academic credit for college-level learning from experience, professional schools, or training. Up to 32 semester hours of

academic credits for a B.A. or B.S. degree and 15 semester hours for an A.A. or A.S. degree are allowable with proper validation and approval. Such credit will be awarded only after 12 semester hours have been completed at TNC. Post Grad students may earn up to 6 hours of PLC credit after they have completed 8 regular hours of academic credit. This program is administered through the MHR office.

Continuing Education Unit

Certain non-credit educational activities are awarded Continuing Education Units. A CEU is defined as "ten contact hours of participation in an organized continuing education experience under responsible sponsorship, capable direction and qualified instruction." CEU awards may be earned as class units or individual units.

Workshops, Conferences, Seminars and Study Tours

As need and opportunity arise, the college may provide sponsorship or resources for credit or non-credit training in a variety of educational programs.

The Southwestern and Thomas Nelson (Varsity Division) Program

These programs are cooperative programs with the Southwestern and Thomas Nelson Companies involving approximately fifty hours or more for a week of instruction in salesmanship and related areas. This is followed by a field experience of 10-12 weeks. The students' progress is evaluated by a designated professor from Trevecca along with the assistance of personnel from the Southwestern and Thomas Nelson Companies. The grade and three semester hours of credit is awarded by Trevecca Nazarene College.

For further information concerning any continuing education program contact the Director of Post-Baccalaureate Teacher Education and Teacher Workshop Programs (615-248-1233).

Graduate Programs

To encourage and provide continued professional growth opportunities, Trevecca offers three graduate programs: **Graduate Studies in Education, Graduate Studies in Religion, and Graduate Studies in Organizational Management.**

Graduate Studies in Education

Trevecca offers the Master of Education degree in the following areas:

Elementary Education
Administration and Supervision
Curriculum and Instruction (with Enrichment Emphasis in Elementary Counseling K-8)

Trevecca offers a Certificate of Advanced Graduate Studies for completion of the Masters plus 30 semester hours of graduate course work.

Graduate Studies in Religion

Trevecca offers the Master of Arts degree in Religion with the following emphases:

Practical Studies
Biblical Studies
Theological Studies

Graduate Studies on Organizational Management

Trevecca offers the Master of Arts degree in Organizational Management.

The program is modular in nature, meeting in twelve six-week modules one day per week in four-hour sessions.

Degree Requirements

1. A minimum of 33 semester hours is required.
2. Up to 9 semester hours of **approved** graduate transfer credit may be applied to the degree. (The Counseling area will accept only six graduate transfer hours. No credits are transferrable into the Master of Arts degree in Organizational Management.)

Admission Requirements

1. A baccalaureate degree from an accredited institution and minimum GPA 2.5 to 2.7 depending on the program.
2. Satisfactory score on the Graduate Record Exam (GRE) or Miller Analogies Test (MAT) the GMAT depending on the program.
3. Letters of recommendation from persons in supervisory roles, who can attest to the applicant's professional or academic achievements. See application for program requirements.
4. Non-degree students may enroll for graduate credit (limit of 9 hours may count toward a degree) as per the requirements listed in the Graduate Catalog except in the Organizational Management Program. (Admission requirements vary in each program. See the application form for specific requirements on admission form.)

Research writing, public speaking, and science lab techniques will be learned by instruction and participation.

HON 3000 Seminar: Europe - the Grand Tour (1-4)

This course is a guided study-tour of selected European sites. Included are integrative reading and writing assignments in philosophy, natural science, literature, history and the fine arts. The course is designed as a summative experience for students who have completed both years of the honors program. PREREQUISITES: HON 1010, 1020, 2010, 2020; or special permission from the instructors.

Honors Program General Education

A two year sequence of enriched humanities and science courses which will substitute for the regular humanities and science courses in the general education curriculum will be team taught by faculty from different disciplines.

Significant historical events, scientific advances, philosophical perspectives, and works of literature, art and music will be discussed and evaluated as they relate to each other in the time sequence indicated by the course titles.

Honors sequence would replace the following courses in general education: HIS 1400, 1450; ENG 1080, 2000; MUS 1500; SCI 1500 or 1600; PHL 2010 and one social science elective. All other courses in general education are required. The Science Department recommends the additional science course be chosen from science major courses.

B.A. IN MANAGEMENT

The management program is an evening program designed for adult learners 25 years or older. The major, which is interdisciplinary and social science based, consists of 29 semester hours of class work and a

5 semester hour writing project. Sixty-four (64) semester hours of college work are required for entry into the program. Of the 64 hours, 30 hours must meet specific general education criteria. The remaining thirty hours may be earned through prior learning credit and/or additional college course work.

Allied Health

DEPARTMENT OF ALLIED HEALTH

The Department of Allied Health administers baccalaureate degree programs for students majoring in Allied Health, Physician Assistant, Physical Therapy and Medical Technology, and pre-professional studies in Pre-Nursing. These programs seek to combine liberal arts, career and professional education, and Christian values in the development of each student.

Departmental Objectives

1. To prepare Allied Health students to broaden their career options as managers, public relations persons and/or educators.
2. To train Physician Assistant students to perform the more routine tasks of health care management presently performed by the primary care physician, thereby allowing the physician greater freedom and time to deal with more complicated patient problems.
3. To prepare Medical Technology students to perform both routine and highly sophisticated clinical laboratory procedures in the areas of microbiology, hematology, urinalysis, chemistry, serology, and blood banking, and to supervise technicians and laboratory aids.
4. To train physical therapists to help people overcome the effects of disease and injury, and to help prevent potential problems.

B.S. in Allied Health

This program has been developed to meet the needs and requests for Medical Assistant Graduates and Majors pursuing a Bachelor of Science Degree as well as any other interested students.

B.S. PHYSICIAN ASSISTANT

A physician assistant (PA) is a skilled health practitioner qualified by academic and clinical experience to provide a broad range of medical services under the direction and supervision of a licensed physician. PAs, working with physicians, provide a broad range of medical services in a variety of practice settings from rural communities to metropolitan areas.

The Physician Assistant Program, established in 1976, was developed to train assistants to the primary care physician to work in areas of Christian service in the United States and in the field of mission service abroad. The PA Program at Trevecca is fully accredited by the Committee on Allied Health Education and Accreditation of the American Medical Association and is the only accredited PA training program in Tennessee. An entering class of 30 students is selected annually to begin studies in August. The program welcomes students of other religious affiliations who subscribe to the ideals of the college and who qualify under its standards.

Statement of Purpose

The Physician Assistant Program at Trevecca exists to prepare professionally competent Physician Assistant graduates to assume a high degree of responsibility in the health care management of patients. To fulfill this purpose the program seeks to:

1. Recruit qualified applicants for admission into the program.
2. Provide a high quality educational program in the PA health career major which meets American Medical Association accreditation standards.
3. Provide adequate learning resources and support systems which assist students in meeting academic requirements of the program.
4. Integrate faith and learning in the life and thought of students in preparation for a life of service.
5. Empower students to develop life long learning behaviors that prepare them for a career in medicine.

6. Provide on-going review and evaluation of program effectiveness in preparing competent PA graduates.

Physician Assistant Program Objectives

The chief aim of the Physician Assistant Program is to teach the student to perform as a professional PA and be able to demonstrate competency by successful completion of the national Certifying Examination for Physician Assistants. The program additionally aims to foster and encourage students to use their skills to serve in compassionate ministries in the United States and abroad. Specific operational objectives include:

1. Provide student skills in taking medical histories and performing physical examinations including organizing, recording and evaluating medical data.
2. Prepare students to recognize, by the presenting clinical picture, the more common disease conditions affecting the major organ systems.
3. Provide students with cognitive and problem solving skills to systematically move through the diagnostic process.
4. Prepare students to diagnose and treat common, acute and chronic illnesses.
5. Provide students skills to extend the services of the physician by:
   a. Ordering appropriate laboratory studies and x-ray films
   b. Performing (or assisting) certain diagnostic and therapeutic procedures
   c. Implementing a plan of management for a patient with an established diagnosis
   d. Monitoring patients with chronic illnesses
   e. Ability to undertake service and perform competently in hospital, office/clinic setting and nursing home
   f. Assisting in surgery
   g. Patient education and counseling
   h. Initiating management of patients suffering from trauma of life threatening medical/surgical disorders
6. Develop in each student a desire for continued learning and establish patterns for future professional growth.
7. Assist the student in his/her own intellectual, social and spiritual development.
8. Prepare and orient students to sit for the National Certifying Examination for Physician Assistant.

Entrance Requirements

Prerequisite requirements for admission into the PA Program at Trevecca include:

1. Minimum completion of 64 semester or 96 quarter credit hours of previous college study.
2. Completion of all science (SCI) and general education studies (GES) coursework required for admission.

Note: Individuals who have already earned a baccalaureate degree from a regionally accredited college/university are exempt from having to satisfy Trevecca's GES prerequisite course requirements. All SCI prerequisite course requirements must, however, be completed.

3. For purposes of admissions, the PA Admissions Committee places strong emphasis on applicants having direct patient contact health care experience. Previous health care experience is regarded as an index of the applicant's awareness and commitment to the field of medicine. Applicants should have a minimum total of 12 months (full-time or part-time) of direct patient contact health care experience.

Individuals are eligible to apply for admission into the class beginning in the fall semester provided the necessary hours of previous college study and all SCI and GES course requirements are (or will be) completed by the end of the preceding summer session.

Selection Factors

Acceptance into the PA Program is determined by evaluation and recommendation of the PA Admissions Committee. Admission is based on the applicant's academic ability, (minimum cumulative GPA of 2.7 over the past five years), knowledge of the professional role, past health care experience, personal integrity, adequate career planning and demonstrated interest in Christian service. Unlicensed physician medical graduates trained outside the continental U.S. will not be considered for selection into the PA program.

All application materials including college transcripts and letters of recommendation must be submitted to the PA Program office prior to the **February 1** deadline. Applicants considered most competitive will be invited to come for a personal interview. The final selection of candidates is made by the PA Admissions Committee.

Application Procedure

Submit the following materials to the Physician Assistant Program by **February 1.**

- PA Program application
- Trevecca Nazarene College application
- Official transcripts (college seal affixed) of all previous college work completed. Applicant must have each academic institution forward two (2) transcripts to the Physician Assistant Program office. No student transcripts will be accepted.
- Three (3) letters of recommendation from the following:
  —physician for whom you have worked
  —college faculty advisor
  —professor in college major
  —current supervisor/employer
  —minister/pastor whose church you were a member
  —personal acquaintance of five or more years
- Three (3) recent 2"x 2" photos
- A $35.00 admission processing fee (non-refundable). This includes the $25.00 fee for processing the Trevecca Nazarene College application.

Qualified individuals are encouraged to submit their applications and all supporting materials beginning as early as the months of October-November for preliminary screening.

Credentials

Students who successfully complete the PA Program receive the Bachelor of Science degree from Trevecca Nazarene College and a Certificate of Completion from the PA Program. Applicants must complete all GES prerequisite course requirements prior to matriculation in the PA Program to qualify to receive the Bachelor of Science degree from the college.

Graduates subsequently qualify to make application to sit for the National Certifying Examination for Physician Assistants which is developed by the National Board of Medical Examiners and administered by the National Commission on Certification of Physician Assistants.

Pre-Professional (Pre-PA) Program

Trevecca has a two-year pre-professional (Pre-PA) program in which students may enroll. The Pre-PA Program curriculum prepares the student for application to the professional program. Students enrolled in the Pre-PA Program have the advantage of being better known by the faculty and members of the PA Admissions Committee. Enrollment in the Pre-PA Program does not, however, assure admission into the professional program.

Academic Requirements for Students in the Physician Assistant Program

Scholastic performance in the didactic phase (junior year) will be reported by using the letters "A," "B," "C," "D," "F" and "I." In the clinical phase (senior year) only grades "S," "U" and "I" will be used. Letter grades "S" and "U" indicates performance at satisfactory (passing) and unsatisfactory (failing) levels, respectively.

All required courses (didactic phase) and all assigned required and elective clinical rotations (clinical phase) must be passed with a final course grade of "A," "B," "C" or "S." Maintenance of a GPA of 2.5 in the didactic phase of the professional curriculum is required for promotion to the clinical phase.

A student must repeat any course or clinical rotation in which he/she has received a final course grade of "C-," "D," "D-," "F," or "U." If a student receives one or two final course grades of, "C-," "D," "D-," "F," or "U" during the same semester, he/she will be allowed to advance to the next semester subject to the following conditions:

The student will be
1) placed on academic probation;
2) required to repeat the course(s) or clinical rotation in which he/she received a final course grade of "C-," "D," "D-," "F," or "U"; and
3) terminated from the PA Program if he/she receives a subsequent final course grade of "C-," "D," "D-," "F," or "U" in a succeeding (including repeated) course or clinical rotation.

If a student receives three or more grades of "C-," "D," "D-," or "F," during the same semester, he/she will be dismissed from the program.

Verification of Acceptance by Candidates Selected for Admission

Candidates selected for admission are required to submit written correspondence to the Program Director verifying their acceptance into the next class and are required to submit a $200.00 (non-refundable) deposit to the program within 30 days after being notified of their acceptance by the PA Admissions Committee in order to hold a position in the next entering class. This deposit is applied toward the first semester's tuition.

Professional Curriculum

The professional curriculum is a two calendar year in length (six academic semesters) full-time tract and is entered at the junior class level. It is divided into two major components:

DIDACTIC Phase - consists of twelve (12) months of basic science and clinical medicine courses completed primarily on campus.

CLINICAL Phase - consists of twelve (12) months of required and elective rotations completed in medical centers, hospitals, clinics and private physician offices.

B.S. - MEDICAL TECHNOLOGY

The Medical Technology Program is a four year course of study which leads to a B.S. Degree in Medical Technology. The student may become eligible for the B.S. degree and National Certification as a registered Medical Technologist through this program by: 1) successfully completing the three year curriculum on campus, 2) successfully completing a twelve month internship program at one of three affiliated schools of Medical Technology: Meharry, Vanderbilt or St. Thomas and 3) qualifying for the National Registry.

The medical technologist performs both routine and highly sophisticated clinical laboratory procedures in the areas of: microbiology, hematology, urinalysis, chemistry, serology, and blood banking. He/she is qualified to supervise technicians and laboratory aides and conduct in-service training of medical personnel.

Internship training programs are accredited by the Committee on Allied Health Education and Accreditation, American Medical Association upon recommendation by the National Accrediting Agency for Clinical Laboratory Sciences (NAACLS).

Medical Technologist Objectives

1. Develop proficiency in clinical and epidemiological investigative and control procedures used in the laboratory.
2. Prepare students to logically interpret data in understanding the facts, principles, and techniques of clinical laboratory medicine.
3. Prepare students to accept responsibility and accountability for accurate test results.
4. Assist the students to develop problem solving skills and to equip them to assume managerial and leadership roles within the profession.
5. Develop in each student a desire for continual learning and establish patterns for future growth.
6. Assist the student in his/her own intellectual, social and spiritual development.
7. Develop proficiency in laboratory procedures such as: chemistry, microbiology, hematology, etc.
8. Instill a desire to strive for new knowledge and progress and to accept changing trends in the profession.

Admission

Any student may enroll in the pre-medical technology program. How-

ever, enrollment in this phase of the program does not assure admission to the senior-internship phase of the program. Acceptance into the senior year of training is very competitive and student selection is accomplished by medical staff at each affiliate hospital.

Students must make application for admission directly to affiliated hospital medical technology program. This is usually done the fall semester of their Junior or Senior year. Only those candidates selected for admission will be able to continue in the program. Those not selected may reapply at a later date.

Prerequisites required and/or recommended are General Biology, Anatomy and Physiology, Chemistry, Math, Microbiology and Immunology. Students must complete all college general education requirements for the degree, as shown.

Transfer credits from other approved hospital based Med. Tech. programs will be accepted. Tuition will be paid to TNC at the standard rate.

Students accepted into one of the affiliate training programs will pay their senior year tuition to that institution. Appropriate student fee will be paid to Trevecca.

Academic Requirements for the Professional Phase of the Medical Technology Program

All laboratory science courses must be passed with a minimum of a "C" grade. A student must repeat any laboratory science course in which he/she received below a "C" while at Trevecca.

Maintenance of GPA of 2.5 in the professional phase of the program is required for advancement to the senior year.

Students entering their senior year of the professional program will be under the jurisdiction of the administrator and faculty of that institution. Students desiring to apply for admission to non-Trevecca affiliated training programs must work through the Director, Medical Technologist Program, Trevecca Nazarene College.

Students not admitted to the professional Med. Tech. curriculum will be required to complete all general education requirements for graduation with other majors.

PRE-NURSING PROGRAM

Pre-Nursing
Trevecca Nazarene College/Vanderbilt University

This program, established by Trevecca Nazarene College and Vanderbilt University during the 1988-89 academic year, leads to the Bachelor of Science Degree in Allied Health from Trevecca Nazarene College and

the Master of Science Degree in Nursing from Vanderbilt University.

A student entering this program must complete three academic years (72 semester hours) at Trevecca Nazarene College and then six academic semesters (2 calendar years) at Vanderbilt University School of Nursing. Upon completion of the first two (2) semesters at Vanderbilt University, the student receives a Bachelor of Science Degree in Allied Health from Trevecca Nazarene College. Upon completion of the sixth (6th) semester at Vanderbilt University, the student will receive the Master of Science Degree in Nursing from Vanderbilt.

Additional information is available from the pre-nursing advisor.

Trevecca Nazarene College/Belmont College

Students seeking a Bachelor of Science degree in Nursing may attend Trevecca Nazarene College for two years (64 credit hours) and then attend Belmont College for two years (while living at TNC). During the

Junior and Senior years the nursing courses will be at Belmont while the remaining required general education or elective courses may be taken at either of the colleges. Upon completion of four years (128 hours) the student will receive a B.S.N. degree from Belmont College. Students must maintain a 2.5 GPA.

Pre-Nursing
Trevecca Nazarene College/Mid-America Nazarene College

Trevecca has a cooperative agreement with Mid-America Nazarene College which enables a student to attend Trevecca for two years and then transfer to Mid-America for the professional courses leading to a Bachelor of Science Degree in Nursing. The B.S.N. is accredited by the Kansas State Board of Nursing and the National League of Nursing. Graduates are eligible for State Board exams and licensure as a Registered Nurse.

The first two years of a B.S.N. may be taken at Trevecca. Students may then transfer to Mid-America Nazarene College.

Students must complete all courses in the first two years with a "C" or above and maintain at least a 2.6 grade point average to be considered for the professional program.

Minimum Criteria for admission to the Professional Program (Pre-Nursing):

1. Completion of pre-professional curriculum with a grade of C or above
2. A minimum G.P.A. of 2.6 on a 4.0 scale.
3. Formal application of the Division of Nursing by January 1st, to be considered for Fall admission.
4. Copies of all official transcripts on file in Nursing Department by January 1.
5. Two references from qualified persons on official forms on file in Nursing Department by January 1.
6. A personal interview with two of the Nursing Faculty.
7. A History & Physical done within the last year on file in the department by February 5.
8. Obtain recommendation of the Admissions Committee of the Division of Nursing.

B.S. - PHYSICAL THERAPY

Physical Therapy is a health care profession whose practitioners work as a member of a multidisciplinary group of health personnel to help people overcome the effects of disease and injury and to prevent potential problems. Physical Therapists treat their patients in a variety of settings such as private office, nursing homes, home health agencies, public and private schools, academic institutions, and hospices. Physical Therapists also work as educators, researchers, and consultants in a wide variety of organizations.

The demand for Physical therapists in the job marketplace is high and promises to remain so in the future. Physical therapy is a growing profession which offers a lifetime of satisfaction helping people to function more effectively. Each patient presents a new challenge to this expanding and exciting career.

Entrance Requirements

Prerequisite requirements for admission into the Physical Therapy program at Trevecca include:

1. Minimum completion of 71 semester hours of general education and pre-professional courses.
2. A minimum GPA of 3.0 / 4.0.

ALLIED HEALTH COURSES

ALH 2000 - Administrative Practice I (4)
Designed to acquaint the medical assistant student with the administrative role in the physician's office including interpersonal relationships, ethical-legal issues, telephoning, scheduling, medical records and financial record keeping.

ALH 2005 - Administrative Practice II (4)
Designed to teach the medical assistant student all aspects of medical insurance billing and collections as well as medical dictation and transcription skills. Prerequisites are Medical Terminology and Anatomy and Physiology.

ALH 2010 & 2020 - Clinical Practice I & II (4), (4)
Designed to prepare competent and versatile medical assistants by introducing them to the clinical setting and teaching the clinical procedures which are necessary for them to perform independently and/or with the physician in the office setting.

ALH 2030 - Externship (3)
Each student will spend a minimum of 300 hours in a physician's office utilizing the skills of administrative and clinical practice which the student has learned in previous classroom lectures and laboratory experiences.

ALH 2040 - Senior Seminar (2)
Taken concurrently with the externship. Designed for students to share the learning experiences of the externship, to hear special speakers, and to prepare for the certification exam.

ALH 2100 - Public School Health (3)
Designed to assist the future teacher in developing an understanding of the whole person, including their physical, mental, emotional and spiritual development, their continuum of health and how this interrelates with their academic performance. Prevention of disease, emergency care, current health issues, and health care agencies are presented to increase the teacher awareness in assisting their students in all areas of their lives which affect their academic success.

ALH 2200 - School Health Services (3)
Designed to help Health Education majors develop a good perspective about school Health Services: their programs, purposes and personnel.

ALH 2900—Physical Therapy Practicum (1-4)
Designed for Pre-Physical Therapy majors to help them gain knowledge and experience in the field of Physical Therapy.

ALH 3000 - Clinical Human Physiology (3)
An advanced course in human physiology designed for Allied Health professionals. Requires a prior course in animal physiology or a basic course in human physiology. Integrated with ALH 3040 accompanying laboratory sessions.

ALH 3010 - Introduction to the PA Profession (1)
To acquaint the students with the physician assistant profession.

ALH 3030 - Medical Law and Ethics (2)
Designed to prepare the student entering a health care field to utilize personal, social, moral and spiritual values in the conduct of his/her future professional life. Open to all Allied Health and pre-professional students.

ALH 3040 - Applied Anatomy (3)
An advanced course in human anatomy designed for Allied Health professionals. Requires a prior course in comparative anatomy or basic course in human anatomy. Integrated with ALH 3000. Lab with gross prosected anatomical materials.

ALH 3050 - Pathophysiology (3)
Presents the mechanisms of disease production.

ALH 3060 - Medical Terminology (1)
Designed to help the students who major in one of the Allied Health areas to recognize, spell, pronounce, and define medical terms correctly.

ALH 3100, 3200 - Clinical Medicine I, II (4), (4)
It serves to acquaint the student with the diagnostic process. Presents the etiology, pathophysiology, clinical findings, laboratory findings, diagnostic criteria and current treatment of the more common diseases affecting the human organism.

ALH 3110 - Pharmacology (4)
Designed to provide an understanding of the basic concepts related to pharmacology; to begin to prepare the student to evaluate drug usage in light of pharmacologic principles, toxicities, benefits, side effects and interactions; and to familiarize the student with drugs and drug classification in general usage today.

ALH 3120 - Introduction to EKG (1)
To provide basic skills in the interpretation of the EKG.

ALH 3130 - Psychosocial Aspects of Medicine (3)
Understanding human behavior both in health and illness, with a review of human growth and development, including diagnosis and treatment of common psychiatric disorders.

ALH 3140 - Physical Diagnosis (4)
Designed to provide for the physician assistant skills in the technique of performing physical examinations. Techniques are presented for obtaining medical histories. Physical examinations are performed on a variety of patients under supervision. Prerequisites: ALH 3000, ALH 3040, and ALH 3050.

ALH 3210 - Preventive Medicine (1)
Provides an introduction to epidemiology and to the practice of preventive medicine.

ALH 3220 - Clinical Nutrition (1-2)
The use of regular and special diets in the management and prevention of health problems.

ALH 3230, 3330 - Clinical Practicum I, II (1), (1)
An introduction to patient care for the physician assistant. Students are assigned a limited number of patients to follow and assist with their care. Prerequisites: ALH 3050, 3140, and 3100.

ALH 3250 - Laboratory Medicine (3)
Provides physician assistant students with skills in the performance of selected clinical laboratory procedures.

ALH 3320 - Intro. to Obstetrics and Gynecology (3)
A study for physician's assistant students in assessment of normal and abnormal clinical situations involving the female genital tract, including pregnancy and delivery.

ALH 3340 - Introduction to Surgery (3)
Designed to acquaint the student with the skills and concepts of surgical practice.

ALH 3350 - Clinical Procedures (2)
Develops skills in performing procedures that a physician assistant will use in clinical practice.

ALH 3360 - Introduction to Pediatrics (2)
To acquaint physician assistant students with the health problems of the pediatric patient.

ALH 3370 - Intro to X-ray (1)
Introduces and instructs physician assistant students to the principles of X-RAY photography, ultrasonography, and CT/MRI scanning and the technique of X-RAY, ultrasonography, and CT/MRI interpretation.

ALH 3400 - Introduction to Physical Therapy (2)
An introduction to physical therapy, the health care professional and the health care professional's role designed to assist entering students in developing a frame of reference for study of physical therapy. The course emphasizes verbal and written communication, clinical decision making, ethics and professional behavior, educational principles, and the multi-variate role of the physical therapist as a generalist and as a specialist.

ALH 3410 - Neuroanatomy & Neurophysiology (3)
A study of the structure and function of the human central and peripheral nervous system including vascular components and special senses. The course emphasizes nervous system control of movement. Laboratory experience includes human nervous system material, brain sections and anatomical models.

ALH 3420 - Biomechanics (3)
An in-depth analysis of human motion with an emphasis on biomechanics, normal gait and patterns of movement. Includes laboratory experiences designed to enhance, integrate and apply lecture concepts.

ALH 3430 - Exercise Physiology (2)
The physiological effects of movement on the human body, and the relationships existing between muscular, respiratory, circulatory, and nervous systems.

ALH 3440 - Critical Assessment in Physical Therapy (3)
A study of the clinical-decision making process in physical therapy. The course emphasizes critical thinking in decision making and assessment of movement dysfunction. Includes basic physical therapeutic evaluation techniques of joint range of motion measurement, strength assessment and movement analysis, and interpretation of data from those techniques.

ALH 3450 - Evaluation and Treatment of Orthopedic Conditions I (6)
An integrated approach to the study of all relevant physiologic, anatomic, pathologic, medical and therapeutic concepts related to physical therapy management of movement dysfunction. The course includes the physical therapy evaluation techniques, physical therapeutic techniques and procedures, and patient care program development specific to the conditions studied. The course presents classroom and laboratory experiences building from simple to complex problems to assist the student in developing the necessary competencies in physical therapy. Experiences related to psychological, social, cultural, economic, and vocational aspects of illness and disability are included. The course offers learning experiences presented using the case study approach, organized around the study of specific movement dysfunction. The course sequence closely integrates lecture and laboratory material with ALH 3470 Therapeutic Principles I.

ALH 3470 - Therapeutic Principles I (3)
The course includes the study of the pathological mechanisms affecting human movement, the study of body's physiological response to the physical therapeutic intervention, to pain and to stress. The course sequence closely integrates lecture and laboratory material with ALH 3450 Evaluation and Treatment of Orthopedic Conditions I.

ALH 3520 - Scientific Inquiry I (3)
This course introduces students to research methodology and basic statistical concepts applicable to health care professions. The course emphasizes the scientific method, research design, and the interpretation and evaluation of professional literature.

ALH 4000 - Family Medicine I (6)
A clinical practicum in an office or clinic setting to provide physician assistant students with skills to assist the family physician.

ALH 4010 - Family Medicine I Elective (2)
A two week elective clinical practicum in family medicine for physician assistant students. Graded S/U.

ALH 4020 - Infection Control in Health Care Facilities (2)
Provides students with current information in reference to transmittal and control of infectious diseases (processes) in all types of medical facilities.

ALH 4030 - Biology of Disease (3)
To teach students specific disease processes for each body system and basic treatments in different types of medical facilities.

ALH 4040 - Medical Office Management (3)
To provide management skills for the medical setting in the areas of policy and procedure manuals, employer/employee relations, purchase and maintenance of medical equipment and public relations skills.

ALH 4100 - Family Medicine II (6)
A clinical practicum in an office or clinic setting to provide physician assistant students with skills to assist the family physician. Student is assigned to complete this clinical practicum as the last rotation of their clinical year. Graded S/U.

ALH 4200 - Emergency Medicine (6)
A clinical practicum in a hospital emergency room to provide physician assis-

tant students with skills for the management of the trauma patient as well as other patients who present life threatening medical problems. Graded S/U.

ALH 4210 - Emergency Medicine Elective (2)
A two week elective clinical practicum in emergency medicine for physician assistant students. Graded S/U.

ALH 4300 - Internal Medicine (6)
A clinical practicum in an inpatient or outpatient medicine service to provide physician assistant students skills for evaluation and management of patients with internal medicine problems. Graded S/U.

ALH 4310 - Internal Medicine Elective (2)
A two week elective clinical practicum in internal medicine for physician assistant students. Graded S/U.

ALH 4320 - Cardiology Elective (2)
A two week elective in the specialty of cardiology for the physician assistant student. Graded S/U.

ALH 4330 - Allied Health Study and Research (1-3)
Individual guided study and research on special problems related to the medical disciplines. Project must be approved by the professor before enrollment.

ALH 4340 - Dermatology Elective (2)
A two week elective clinical practicum in an office or clinic setting to provide physician assistant students with skills in evaluation and management of common disorders of the skin. Graded S/U.

ALH 4350 - Geriatrics Elective (2)
A two week elective clinical practicum to provide physician assistant students skills for evaluation and management of common health problems associated with the elderly patient. Graded S/U.

ALH 4370 - Correctional Medicine Elective (2)
A two week elective clinical practicum in a prison-based medical department to provide physician assistant students skills for evaluation and management of common medical problems associated with the imprisoned. Graded S/U.

ALH 4380 - Radiology Elective (2)
A two week elective clinical practicum in radiology for physician assistant students. Graded S/U.

ALH 4400 - Obstetrics and Gynecology (6)
A clinical practicum for physician assistant students providing skills for evaluation and management of patients with obstetric and gynecologic problems. Graded S/U.

ALH 4410 - Obstetrics and Gynecology Elective (2)
A two week elective clinical practicum in obstetrics and gynecology for physician assistant students. Graded S/U.

ALH 4450 - Evaluation and Treatment of Orthopedic Conditions II (3)
Continuation of ALH 3450 (See 3450 for course description.)

ALH 4460 - Evaluation and Treatment of Neurological Conditions II (3)
See course description ALH 3450.

ALH 4470 - Therapeutic Principles II (3)
The course includes the study of normal motor development, the study of and skill in assessing abnormal reflexes and reactions, and emphasizes concepts of motor learning. This course provides foundation concepts for the study of neurological conditions presented in ALH 4460.

ALH 4480 - Evaluation and Treatment of Cardiac and Pulmonary Conditions (2)
See course description ALH 3450.

ALH 4500 - Pediatrics (6)
A clinical practicum in a pediatric office or clinic setting to provide physician assistant students with skills for evaluation and management of common health problems in children. Graded S/U.

ALH 4510 - Pediatrics Elective (2)
A two week elective clinical practicum in pediatrics for physician assistant students. Graded S/U.

ALH 4530 - Methods of Clinical Research (2)
Students define a research problem, develop a proposal, and carry out research projects that use the scientific method to answer a question in clinical practice. Projects may use a variety of methodologies, and students develop and complete the projects under the direction of a faculty advisor.

ALH 4540 - Physical Therapy Administration (3)
Theories and application of management activities including personnel relations, budgeting, planning, organizing, and operating a physical therapy service in a variety of health care settings.

ALH 4600 - Surgery (6)
A clinical practicum in a hospital and office setting to provide physician assistant students with skills for assisting in the evaluation and management of patients with surgical problems. Graded S/U.

ALH 4610 - Surgery Elective (2)
A two week elective clinical practicum in surgery for physician assistant students. Graded S/U.

ALH 4620 - Otorhinolaryngology Elective (2)
A two week elective clinical practicum for the physician assistant student with a special interest in ear, nose, and throat problems. Graded S/U.

ALH 4630 - Ophthalmology Elective (2)
A two week elective for the physician assistant student to familiarize him/her with the evaluation and treatment of ophthalmological disorders. Graded S/U.

ALH 4640 - Orthopedics Elective (2)
A two week elective clinical practicum in an office or hospital setting to provide physician assistant students skills for evaluation and management of common musculoskeletal problems. Graded S/U.

ALH 4700 - Medical Technology Internship (17) (17)
A 12 month course of study consisting initially of a core curriculum of clinical laboratory courses. After successful completion of core curriculum, the student is eligible to begin rotations in the various Clinical Laboratories. Includes 17 hours each semester of the senior year at an affiliate school of Medical Technology. Graded S/U.

ALH 4800 - Psychiatry (4)
A clinical practicum for physician assistant students to provide experience in working with psychiatric patients and developing familiarity with symptomatology and management of common mental health disorders. Graded S/U.

ALH 4810 - Psychiatry Elective (2)
A two week elective clinical practicum in psychiatry for physician assistant students. Graded S/U.

ALH 4900 - Clinical Experience I (3)
A six-week clinical experience assigned at clinical facilities located throughout the Middle Tennessee and the Southeast region. This initial, full-time experience provides students with the opportunity to develop proficiency in physical therapy management of individuals with orthopedic dysfunction.

ALH 4910 - Clinical Experience II (3)
A seven-week, full-time clinical experience assigned at facilities located throughout Tennessee, the Southeast region and beyond. This experience provides students with the opportunity to develop competency in physical therapy management of individuals with movement dysfunction related to orthopedic, cardiopulmonary, and neurological conditions.

ALH 4920 - Clinical Experience III (3)
An eight-week, full-time clinical experience assigned at facilities located throughout Tennessee, the Southeast region and beyond. This experience provides students with the opportunity to develop competency in physical therapy management in a variety of clinical settings.

ALH 4930 - Professional Topics Seminar (2)
The exploration of current issues and trends in health care at all levels (local, state, national) and their effects upon the delivery of physical therapy services. Topics include methods of health care delivery, regulations governing health care delivery, professional organizations role and function, and other relevant issues.

Business

DEPARTMENT OF BUSINESS

Business Administration majors are given broad training in liberal arts subjects and in addition take the core program in business. This major program is designed to prepare young men and women for careers in business and industry directly or through the many management training programs available in modern corporations. Students with outstanding records are encouraged to go on to graduate school.

The Business Administration major with a Concentration in Music Business is geared toward the student with a particular interest in the Music Industry. In addition to the Core program in business, students take coursework specifically designed to acquaint them with the music business.

Accounting data is widely used by all types of businesses and by the government. Students who have a broad training in the field of business supplemented by a major in accounting may find professional opportunities in public or private accounting, or in governmental or non-profit institutional services.

The student who is interested in public accounting may prepare for the C.P.A. examination which is given twice each year by the State Board of Examiners of Certified Public Accountants. The requirements for taking this examination are established by the State Board; therefore, the student should make inquiry regarding the specific requirements well in advance of the examination.

There is currently a large nationwide demand for college graduates in the liberal arts with computer skills. The two-year Associate of Science degree in Micro-Computer Technology prepares a student for a professional office position. The minor in Micro-Computer Technology provides the basic computer skills necessary for success in modern organizations for everyone from secretaries to executives.

The two-year Associate of Science degree in Sales is a specialized career-oriented program which provides training and experience in basic selling skills. The program is sufficiently flexible to enable a student to later complete the requirements for a Bachelor's degree.

Computer Information Systems gives students a chance to write, test, and debug programs written in C, RPG, PASCAL, and COBOL using up-to-date equipment. The various courses in this program are designed not only to present the technical aspects of computer programming and operations, but also to study the computer as an integrated component of many modern information systems. Students have a choice of three programs in the computer field: a minor in Computer Information Systems in a four-year degree program; a two-year degree program in Computer Information Systems; or a four-year degree in Computer Information Systems. Even students who did not major or minor in this field will find some exposure to computer information systems to be a desirable component in a broad education.

OBJECTIVES FOR MAJORS

Objectives for Accounting Majors:

1. To train accountants who will be able to exercise judgment based on high ethical standards founded in Christian values.
2. To prepare well-rounded individuals who can effectively communicate financial information to management in the business environment.
3. To develop the needed technical accounting skills in order to be certified by the American Institute of Certified Public Accountants.
4. To integrate accounting technical skills with general business decision policies.
5. To prepare students for careers in both the public and private sectors.

Objectives for Business Administration Majors:

1. For the student to obtain a working knowledge of the functional or tool courses of business - i.e., accounting, economics, marketing, management, business law, finance, and information systems.
2. For the student to gain experience in human relations and to learn the value and necessity of team work in an effective organization.
3. For the student to be able to integrate the functional tool courses into a comprehensive view of the total operating system.
4. For the student to integrate and apply the principles of the various business administration areas to actual business situations.
5. To establish within the student the need for Christian business-persons with high moral and ethical standards who can be leaders in the business community.

Objectives for CIS Majors:

1. For the student to gain a working knowledge of business programming languages.
2. For the student to learn the theory used in management analysis and design of a management information system.
3. For the student to gain practical experience in the management, analysis, design, programming, and implementation of an operational management information system.

Objectives for A.S. in CIS

1. For the student to gain a working knowledge of the programming language used in business.
2. For the student to get an introduction to the theory used in management analysis and design of an information system.

Objectives for A.S. in Micro-Computer Technology

1. For students to obtain an understanding of basic business principles as taught in accounting, economics, and business management.
2. For students to acquire sufficient computer applications skills to function productively in a business environment.

Objective for A.S. in Sales

For the student to obtain sufficient knowledge of marketing, sales management, and human relations principles to prepare for a sales career.

A.S. DEGREES IN BUSINESS DEPARTMENT (TWO-YEAR PROGRAM)

Students who cannot devote four years to a degree program may register for one of the two-year programs which will qualify them for the Associate of Science degree. These two-year programs are sufficiently flexible to enable a student to later complete the requirements for a Bachelor of Science degree.

The Associate of Science degree will be granted to students who meet the general requirements of Trevecca Nazarene College, the specific requirements for this section, and complete one of the prescribed two-year curricula as outlined.

GENERAL REQUIREMENTS

Students must present a minimum of 64 credit hours with an average grade of "C" or above. Grades of "C" or above must be earned in Upper Division courses.

Fifteen of the last 32 hours required for the degree must be registered for and carried in residence at Trevecca Nazarene College.

BUSINESS FOUNDATION COURSES

Principles of Accounting courses (Accounting 2210-2220) and Principles of Economics courses (Economics 2000-2010) are foundation courses and generally prerequisites for all other business courses. Therefore, these courses must be taken during the student's freshman and sophomore years.

BUSINESS COURSES

A. ECONOMICS

ECO 2000 - Principles of Economics I (3)
An introduction to the study of macroeconomics with an emphasis on the issues of inflation, unemployment and growth. Prerequisite to all advanced courses in the department except as noted.

ECO 2010 - Principles of Economics II (3)
An introduction to the study of microeconomics with an emphasis on the individual actors—consumers, households, firms and resource owners. Prerequisite to all advanced courses in the department except as noted.

Critical review of the development of retailing thought and important retailing literature. Special and current problems and/or trends in retailing and their impact on the firms and society. Prerequisite: MKT 3100.

MKT 4510 - Marketing Internship (3)
Marketing Service Laboratory (on-the-job experience) under faculty direction. Prerequisite: minimum of six credits completed in marketing courses (maximum of six hours). Graded S/U.

D. ACCOUNTING

ACT 2210-2220 - Principles of Accounting I & II (3), (3)
Accounting principles and practices as applied to sole proprietorships, partnerships, and corporations. Prerequisite to all other accounting courses.

ACT 2250 - Micro-Computer Accounting Applications (3)
An introduction to computerized accounting systems providing hands-on experience with major accounting systems commonly found in computerized accounting including: general ledger, accounts receivable, accounts payable, financial statement analysis, depreciation, inventory, and payroll systems. Prerequisites: ACT 2220 and CIS 2000 or CIS 2110.

ACT 3240-3250 - Intermediate Accounting I & II (3), (3)
Accounting theory and problems including accountants' working papers, preparation and analysis of financial statements, inventory procedures, asset valuation, liabilities and ownership interest. Prerequisite: ACT 2220.

ACT 3300 - Advanced Accounting (3)
Advanced problems in bankruptcy, estates and trusts, installment and consignment sales, insurance settlements, consolidated statements, and other areas of importance to the practice of public accounting. Prerequisite: ACT 3250.

ACT 3350 - System Design and Auditing (3)
The design of accounting systems is considered from the point of view of the operating information and control needed by management, with reference to the records, procedures, and machines commonly used in such systems. Such information is related to independent audit examinations, which rely heavily on the client's procedures and system of internal control. (Alternate years).

ACT 3355 - Auditing Practice (3)
A critical study of the standards of audit reporting; an advanced study of certain auditing procedural problems; and a study of current auditing topics. Application of auditing procedures to a simulated audit. Prerequisite: ACT 3350.

ACT 4100 - Tax Accounting (3)
Income tax accounting with emphasis on personal and small business procedures. Prerequisite: ACT 2220.

ACT 4105 - Federal Tax Practice (3)
Advanced problems of federal tax practice such as the tax statement of partnerships, estates, trusts, corporate organizations, foreign income and gifts, use of tax services: assessment, collection and refund procedures. Prerequisite: ACT 4100.

ACT 4110-4120 Cost Accounting I & II (3), (3)
Accounting by functions and department. Cost analysis for business firm management.

ACT 4150 - Governmental Accounting (2)
Problems relating to government appropriation accounts, encumbrances and fund accounting. Emphasis on municipal and state government accounting with an introduction to federal accounting. Prerequisite: ACT 2220.

ACT 4300 - Accounting Theory (3)
Development of basic accounting principles and concepts with a review of some of the major contributions to accounting literature and with special reference to current thought as reflected in the pronouncements of the American Institute of Certified Public Accountants and the American Accounting Association. Must be a senior.

ACT 4330 - CPA Problems (3)
(Directed Study) Semiannual CPA examination problems of the American Institute of Certified Public Accountants are analyzed. Prerequisite: Must be a senior with consent of instructor.

E. COMPUTER INFORMATION SYSTEMS

CIS 1000 - Keyboarding (1)
Designed to teach basic alphabetic keyboard and ten-key numeric keyboarding skills using the Personal Computer (PC). The touch method of typing, and the ten-key touch method will be taught with some work in speed development. The primary goal is to help students gain touchkeying skills within a limited time to more efficiently use computer terminals, wordprocessors and other keyboards.

CIS 2000 - Micro-Computer Applications (3)
An introduction to computing providing hands-on experience using commercial software packages for business applications using the Personal Computer (PC). Topics include microcomputer system components, keyboarding, the disk operating system (DOS), word processing, spreadsheets, business graphics, desktop publishing and records management. (Prerequisite: CIS 1000 or BUS 1100 or permission of the instructor. Either may be taken along with CIS 2000.)

CIS 2010 - Introduction to Computer Science (3)
See CSC 2010 for discription.

CIS 2110 - Lotus 1-2-3 (3)
Introduction to the popular Lotus Electronic spreadsheet software. Covers all basic skills necessary to use Lotus as well as the more advanced functions that are necessary in the workplace. Prerequisites: CIS 2000 or CSC 2000 or permission of the instructor.

CIS 2120 - Microcomputer Database Applications (3)
This course emphasizes software design and programming in a microcomputer environment using a relational database, and a query language (SQL) to build menu driven applications. Prerequisite: CIS 2000 or permission of instructor.

CIS 2130 - Word Processing (3)
Principles and applications of efficiently processing, editing, and printing text using a microcomputer. Prerequisite: CIS 1000 or BUS 1100 or permission of the instructor; CIS 2000 recommended.

CIS 2140 - Desktop Publishing (3)
Provides training in desktop publishing concepts and hands-on experience using computers, laser printers, and current desktop publishing software. Prerequisite: CIS 2000; CIS 2130 recommended.

CIS 2150 - Pascal Programming (3)
Introduction to structured programming using the PASCAL language.

CIS 2250 - "C" Language Programming (3)
Development of computer programming skills using the "C" Language in a microcomputer environment with an emphasis on modular/structured programming techniques. Prerequisite: CIS 2000 or CSC 2000.

CIS 2300 - RPG Programming (3)
The study of the design, coding, and testing of computer programs in the RPG language. Prerequisite: CIS 2000 or CSC 2000.

CIS 2400 - Cobol Programming I (3)
CIS 2410 - Cobol Programming II (3)
The study of the design, coding, and testing of computer programs in the COBOL language. Prerequisite: CIS 2000 or CSC 2000.

CIS 2500 - File Structures - Data Structures (3)
The application of file structures - data structures, theory and techniques associated with various storage/retrieval methods. Prerequisite: CIS 2400.

CIS 2600 - Fundamentals of Data Communications (3)
Designed to prepare the student in the foundations for network design in Data Communications II. These foundations include basic data communications concepts, such as synchronous/asynchronous transmission, modulation, and half-full duplex. A study of the day-to-day terminology, international standards organizations, hardware, and communications techniques, such as multiplexing, will enable the student to work through the initial phase of network design.

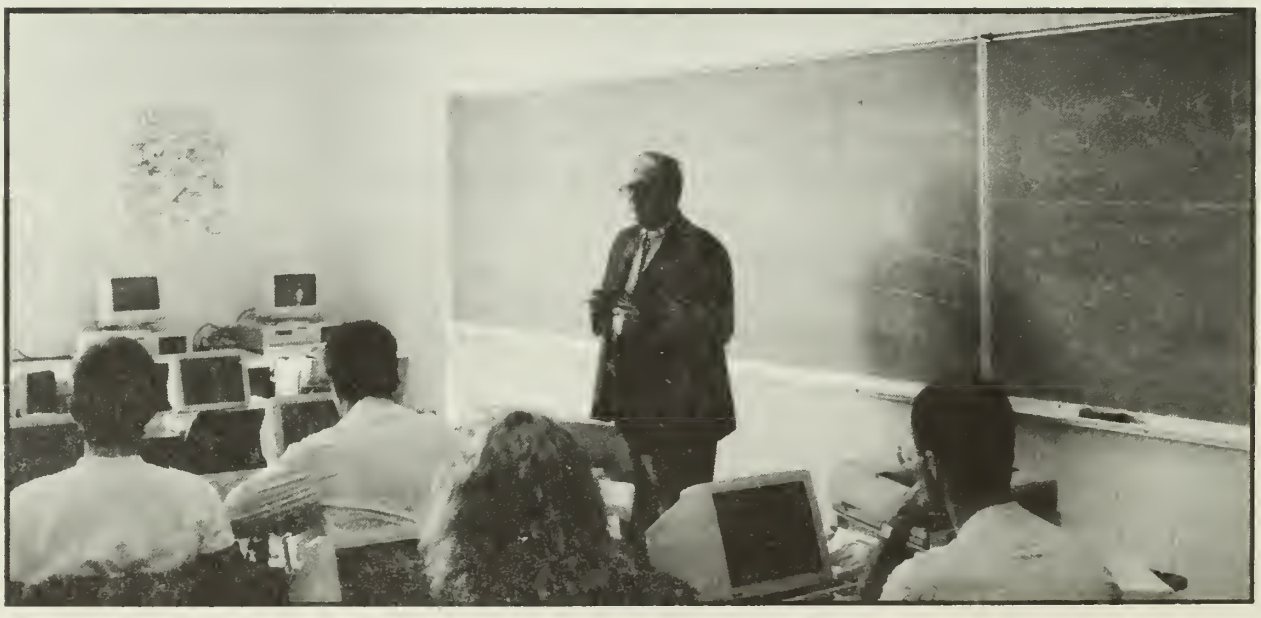
CIS 3100 - Systems Analysis and Design (3)
Basic principles and methods of systems analysis, design, and implementation. Prerequisite: CIS 2400.

CIS 3300 - Data Base Techniques (3)
Fundamental CIS concepts: conventional data systems, integrated management information systems, data base structure systems, data integration, complex file structure, on-line access systems. Emphasis on total integrated information systems data base and data base management languages. Prerequisite: CIS 2500.

CIS 3400 - Systems Utilities (3)
Introduction to structuring, orgainizing, and manipulating files. Areas covered include report writers, screen-generated programs, and job control languages. Prerequisites: CIS 2410, 2500.

CIS 4300 - Special Problems in Systems Development (3)
Practical experience in the management, analysis, design, programming, and implementation of a data processing system. Prerequisites: CIS 2400, 3100.

CIS 4330 - Special Problems in Computer Applications (1-3)
Specialized computer applications are studied in order to allow students to select and develop their own areas of expertise.



Communication

DEPARTMENT OF COMMUNICATION STUDIES

The Department of Communication Studies offers broad training in the general area of human communication. The curriculum provides considerable flexibility and is designed to fit a variety of student needs and career interests. There are five specialized majors which lead to the Bachelor's degree: 1) Dramatic Arts, 2) Speech, 3) Mass Communication, 4) Interpersonal Communications and Human Relations, and 5) Intercultural Communication. The Department also offers a Bachelor's degree in the general "Communication Studies" major consisting of courses selected from the specialized programs listed above. This Communication Studies major makes an effective double major for those who have chosen their vocation and is often recommended by other departments.

The department also offers a 2-year career oriented Associate degree in Broadcasting.

In addition to classroom course offerings, practical experience can be achieved through internships and individualized instruction in both the Associate and Bachelor degree programs.

DEPARTMENTAL OBJECTIVES

For all majors:

1. To assist students in developing effective communication skills for a variety of contexts.
2. To broaden students' understanding of the nature and role of communication in human affairs.
3. To enhance students' appreciation for effective communication.
4. To help prepare students for careers and professions which rely heavily on communication skills.
5. To provide students with the undergraduate background that is required for entering graduate study in communication.

For specific majors:

Communication Studies Major—To enable students to examine and evaluate any type of human communication from an appropriate theoretical perspective.

Interpersonal Communication and Human Relations Major—To enable students to examine and evaluate a human relations situation from an interpersonal communication perspective.

Mass Communication Major—To prepare students for management and operations positions in broadcast facilities.

Dramatic Arts Major—To train students for vocations in educational, community, or professional theatre.

Speech Major — To prepare students for creating, delivering and evaluating speeches in a variety of public speaking situations.

Intercultural Communication Major—To enable students to examine and evaluate communication occurring between differing cultures.

B.A. OR B.S. IN COMMUNICATION STUDIES

This program provides a broad based study of human communication. The program consists of communication courses from all areas within the department. The course of study is designed by the student with the

advisor's consent. Students whose programs consist primarily of Dramatic Arts and Speech courses will be awarded the Bachelor of Arts degree while those who concentrate in Human Relations and Mass Communication will be awarded the Bachelor of Science degree.

COMMUNICATION COURSES

A. MASS COMMUNICATION:

COM 2100 - Introduction to Mass Communication (3)
Surveys the chronological developments in mass communication technologies. The study begins at the invention of movable type for the printing press and concludes with the most recent advances in electronic communication. The study will focus on the people and the machines having a part in the evolution of modern mass communications.

COM 2120 - Station Practices (3)
A lecture and laboratory course that introduces the student to all aspects of broadcast radio station practices. Actual experience is gained at WENO and WNAZ, the college's own radio stations.

COM 2130 - Radio & TV Announcing and Audio Production (3)
A lecture and laboratory course designed to familiarize students with a variety of general broadcast speaking situations and techniques, as well as a study of the equipment, principles, and techniques of program production.

COM 2600 - Basic News Writing (3)
See ENG 2600 for course description.

COM 2610 - Advanced News and Feature Writing (3)
See ENG 2610 for course description.

COM 2650 - Audio-Visual Media (2)
Introduces the student to the varieties of media commonly used in public communication: systems of sound reinforcement, slide presentations, overhead transparencies, visual displays, etc. Recommended for mass communication majors, education majors, and students interested in public relations careers.

COM 2690 - Journalism Workshop (1-3)
See ENG 2690 for course description.

COM 2990 - Principles of Photography (2)
A study of the camera, film, lighting, composition and basic photographic techniques. It also introduces the student to darkroom equipment and procedures.

COM 3300 - Introduction to Video Production (3)
A lecture and laboratory course designed to familiarize students with the operation of television production studies including; cameras, lighting, and set design along with an introduction to control room procedures.

COM 3360 - Advanced Video Production (3)
A lecture and laboratory course that examines producing, directing, and control room operation of video switchers, edit controllers, and video tape recorders. Prerequisite: COM 3300 or permission of the instructor.

COM 3600 - Broadcast Advertising and Sales (3)
An in-depth study into sales and advertising for the broadcast media. It includes locating prospects, developing techniques and promotions, and using rate cards. Students will have contact with local broadcast sales professionals as part of the course.

COM 3800 - Communication Law (3)
Covers the American judicial system, First Amendment rights, communication acts, Federal Communication rules and regulations, and copyright laws. It is designed to give the student interested in mass communication an overview of the laws governing mass communications.

COM 4010 - Station Management and Promotion (3)
Designed to acquaint students with the practical management of the broadcast station. Topics will include: applying for station permits, planning facilities, selecting equipment, training and supervising staff members, determining community needs, and meeting operating costs.

COM 4110 - Journalistic Ethics and Society (3)
For description see ENG 4110.

COM 4120 - Broadcast Engineering (3)
Designed to introduce the student to the duties, functions, and responsibilities of broadcast engineers. The study will include equipment selection, maintenance, replacement schedules, budgeting, and engineer qualifications.

COM 4140 - Seminar in Broadcast Journalism (3)
Provides instruction in the area of news collection, writing, and reporting for broadcast media. Individuals successfully completing this class should have an adequate working knowledge for an entry level position in the broadcast journalism area.

B. HUMAN RELATIONS/INTERPERSONAL

COM 2000 - Theories of Communication (3)
This course will survey the major theories of human communication. The study will focus on the origins, usefulness, and limitations of each theory for understanding communication events. This course will help prepare students to analyze and interpret human communication in all its forms (intrapersonal communication, interpersonal communication, small group transactions, organizational communication, public speaking, drama, and mass communication.)

COM 2010 - Interpersonal Communication (3)
A study of two-person (dyadic) communication. Topics include: human communication theory, verbal and nonverbal codes, development of self-concept, perception, impression formation, and relationship development. Prerequisite for all courses leading to a Human Relations or Intercultural Communication major.

COM 2020 - Principles of Intercultural Communication (3)
A study of how culture affects communication behavior and intercultural relationships. Provides a broad theoretical base, as well as practical simulation and field experience.

COM 2810 - Small Group Communication (3)
Involves the study of theory and research of communication behavior in small problem-solving groups. Includes the effects of participants personal characteristics and of situational constraints involved in small group interaction.

COM 3000 - Principles of Public Relations (3)
Surveys the development, scope, and role of public relations in society and provides training in basic public relations skills. Includes practical experience with news releases, PR campaigns, communication schedules, and media strategies.

COM 3040 - Personnel Management (3)
For course description see BUS 3040.

COM 3150 - Sales Fundamentals (3)
For course description see MKT 3150.

COM 3200 - Sales Management (3)
For course description see MKT 3200.

COM 3220 - Advertising Management (3)
For course description see MKT 3220.

COM 3230 - Human Relations in Organizations (3)
Examines concepts and literature useful in analyzing interpersonal behavior in an organizational setting. Includes reading, simulations, case studies, and field observation of situations involving problems of morale, productivity, leadership, authority, communication and the introduction of change.

COM 3350 - Minority Group Relations (3)
For course description see SOC 3350.

COM 3500 - Nonverbal Communication (3)
A study of the nonverbal forms of human communication. Special attention is given to the creation of meaning through such nonverbal forms as facial expression, gesture, bodily movement, use of space and time, voice, and environmental setting.

COM 4060 - Social Influence (3)
Examines the role of communication and human relations in the initiation of attitude change and development within individuals, groups, community organizations, and other cultures. Consideration will be given to persuasive theory, diffusion of innovations, conflict resolution, and the development of working relationships between and within community groups.

COM 4100 - Seminar in Intercultural Communication (3)
A study of how culture affects communication behavior and intercultural relationships. Includes an examination of the nature of intercultural contact via a sojourn experience in a foreign culture.

COM 4560 - Leadership in the Christian Organization (3)
Secular leadership theory is not always applicable in Christian organizations. This course enables students to integrate leadership theory and Biblical principles into a workable philosophy of leadership. Careful attention is given to worldview, motivation, leadership style, team building, power, decision making, organizational culture, and conflict resolution.

C. DRAMATIC ARTS

COM 2250 - Introduction to Drama (3)
A broad overview of theatre as a collaborative art and of its role among the

performing arts. The course seeks to develop in students visual literacy by studying the elements of theatre and the nature of drama. In the process, students will actively examine and demonstrate a basic understanding of theatre history, playwriting, directing, acting, and designing.

COM 2350 - Creative Dramatics (3)
The philosophical foundation of drama as an educational tool is examined. Students will investigate the relationships among play, drama, theatre, education, and human development, and will explore the uses of creative drama and improvisation in both formal and informal learning environments. Creative drama is a widely used and highly effective educational and therapuetic tool for pre-K-12 students as well as for adults.

COM 2450 - Drama as a Ministry (3)
A workshop course designed to expose students to the variety of dramatic experiences and expressions which may be incorporated into Christian ministry. Through the study of drama as an art form in relation to theology, worship, Christian education, and personal spiritual development, students are prepared and encouraged to become practitioners of drama ministry.

COM 3140 - Acting: Theory and and Practice (3)
An introductory workshop course focusing on beginning acting techniques and scene study. Initially students will explore the actors' instrument and use of space, relaxation, concentration, imagination, improvisation, mime, movement, and how to pursue an objective through physical and psychological actions. The students will then investigate and practice traditional approaches to scene analysis, character study, development of period acting styles, and performance.

COM 3170 - Voice and Articulation (3)
Study of and practical experience in refining the vocal mechanism for general quality speech production.

COM 3400 - Theatre History and Dramatic Literature (3)
This comprehensive survey samples representative plays from each period of theatre history, noting the reciprocal effects of production techniques on dramatic forms. Special emphasis is given to cultural and historical factors influencing the rise and fall of new dramatic forms and theatrical practices. Prerequisite: COM 2250.

COM 3900 - Scriptwriting (3)
An introductory workshop course focusing on the techniques, styles, and conventions of writing for the stage and screen. Students will develop skills and gain experience in composing scripts for stage and screen, and will work on several projects throughout the course.

COM 4030 - Design and Production for the Stage (3)
A hands-on, introductory study of theatrical design and production that will primarily focus on scenic and lighting design and production. Costume design and production will be addressed briefly. In the process, students will practice design, construction, and implementation skills in conjunction with the current drama production as well as through individual project work. Prerequisite: COM 2250 or permission of instructor.

COM 4040 - Play Directing (3)
An introductory examination of the directorial process beginning with textual analysis of dramatic action, and covering such areas as production unity,

stage movement and business, motivational analysis, and pictorial composition. Other areas of emphasis include a brief overview of directing history, types of directing theory and style, planning and rehearsal techniques, and the relationship of the director to other theatre artists. Student work includes selected scene work and directing projects prepared for class presentation culminating in a final scene presentation. Prerequisite: COM 2250 or permission of instructor.

COM 4050 - Acting Studio: Special Problems in Acting (3)
An advanced acting course including advanced work on monologues and scenes from contemporary plays. Student work is designed to build upon a basic knowledge and experience in acting, concentrating on individual actor problems and on specific acting situations such as complex emotional scenes, dialects, exceptional characterizations, etc. Prerequisite; COM 3140 or permission of instructor.

COM 4400 - Modern Drama (3)
A historical study of the work of selected American, European, and Third World playwrights from the turn of the century to the present with emphasis on new production techniques as they influenced and shaped the modern theatre. An appropriate elective for literature students as well as drama majors. Prerequisite: COM 3400 or permission of instructor.

COM 422(A-E) - Drama Practicum (1)
Provides supervised participation and instruction in various aspects of drama. Open to all students with the consent of the instructor. Drama majors are required to take this one hour practicum in three of the following areas: (a) Acting, (b) Stage Management, (c) Scenery and Props, (d) Costumes and Makeup, (e) Lighting and Sound. Graded S/U.

D. SPEECH

COM 1010 - Speech Communication (3)
A study of the principles and practices of effective human communication, with emphasis placed on public speaking. The course emphasizes the critical thinking and skill development necessary for effective speech. Listening skills are included in the study.

COM 2060-70 - Sign Language I and II (3), (3)
Teaches the basic hand signs needed for working with deaf and hard of hearing in church and school settings. Interpreting signing is also taught.

COM 2230 - Oral Interpretation (3)
A study in the techniques of interpretation for oral reading applied to various types of literature. Emphasis is given to selection of material, analysis of content, characteristics of verbal delivery, and methods of nonverbal interpretation. Students will work with prose, poetry, and dramatic forms of literature. Oral reading of scripture is also emphasized.

COM 2500 - Argumentation and Debate (3)
A study of the nature of reasoned discourse. Attention is given to the process of analyzing an issue, structuring arguments, using evidence, and handling refutation and rebuttal in oral communication. Actual classroom debate will enable speakers to practice the principles being studied.

COM 3250 - History of Public Speaking (3)
Traces the development of the theoretical principles of speech making from the Classical Greek period to 1776 and the rhetoric of the American Revolu-

tion. Theory, practice, and criticism are studied in speeches relating to politics, religion, law, and education.

COM 4000- Advanced Pubilc Speaking (3)
Gives students practical experience in the preparation and presentation of the speeches that are usually required in business and the professions. Areas of instruction include speech making, oral reading of reports, and speech for radio and television. Prerequisite: COM 1010 or permission of instructor.

COM 4020 - American Public Address (3)
A study of selected speakers and speeches in American History. Attention is focused on American public address on the political platform, in the pulpit, and in other significant contexts. Special emphasis is given to the critical analysis of speeches.

COM 4210 - Forensics Practicum (1)
Individualized instruction for students who participate in intercollegiate speech competition. Training is provided in both speech making and oral interpretation. Students are required to compete in selected speech tournaments. Graded S/U.

E. DIRECTED STUDY:

COM 433R - Readings in Communication (1-3)
Readings are directed toward Interpersonal Communication and Human Relations, Speech and Forensics, Radio-TV Broadcasting, Dramatic Arts, or Intercultural Communication.

COM 4330 - Communication Study and Research (1-3)
Individual guided study and research on special problems related to Communication and Human Relations, Speech, Dramatic Arts, Mass Communications, or Intercultural Communication. Projects must be approved by the instructor before enrollment.

COM 4510 - Internship (1-8)
Intensive study, observation, and participation in various field projects designed and contracted between the student and instructor. Internships will be arranged in conjunction with the student's major.

COM 4530 - Special Topices in Communication Studies (3)
A course designed for upper division students who are investigating the interrelationship of various aspects of communication in the following areas: (a) human relations, (b) speech, (c) mass communication/broadcasting, (d) dramatic arts, (e) intercultural communications.

COM 4550 - Communication Studies Seminar (3)
This course is required of all majors and is to be taken during the senior year. It will allow students to integrate and apply the knowledge, skills, and appreciation acquired during their course of study. Students will work on a major communication project that will draw on their course background. The goal of the project will be to demonstrate that the student has met the objectives for that particular major. The work will be analyzed and evaluated in class so that the breadth of the field of human communication can be understood.

Teacher Education

DEPARTMENT OF EDUCATION

The Department of Education administers undergraduate programs for persons seeking a B. S. in Interdisciplinary Studies with specialization in Early Childhood Education or B. S. in Interdisciplinary Studies with specialization in Middle Childhood Education and a B.S. in a secondary subject area. An Associate of Science degree in Child Care and minors in Library Science and Early Childhood Education are offered by the department. The Professional Elementary and Professional Secondary minors are offered by the department to meet requirements for state licensure and college graduation.

The B.S. in Interdisciplinary Studies is designed to prepare teachers for grades K-8 or 1-8. Students who specialize in Early Childhood Education will have that specialization noted on their license and will be licensed to teach grades K-8. Students who specialize in Middle Childhood Education will have that specialization noted on their license and will be licensed to teach grades 1-8.

The Education Department collaborates with other departments on campus to offer an integrated program in Teacher Education. The department provides the professional education component for prospective teachers. The department recognizes the college General Education Honors Program which is a two-year sequence of enhanced humanities and science courses in the general education core.

DEPARTMENT OBJECTIVES

The goal of the Department of Education is to assist the student in the preparation of becoming a classroom teacher by:

* providing students opportunities for holistic development: cognitive, psychomotor, social, affective, and spiritual.
* providing students opportunities to continue to develop Christian character and ideals.
* encouraging students to set high academic, pedagogic, and moral standards.
* encouraging students to serve their communities by being positive role models.
* providing educational experiences which prepare students to better serve in a global society.

A.S. IN CHILD CARE
(64 HOURS)

This curriculum is designed to prepare a student for a career as a child care administrator or worker in a child care center. Field experience includes observation and participation in a Pre-school setting. Child Care lesson planning, implementation and evaluation, classroom management, and administration are included in the field experiences. Knowledge of child developmental needs and behavior as well as the refinement of skills in working with children are basic to the program.

TEACHER EDUCATION PROGRAM

The goal of Trevecca's Teacher Education Program is the preparation of quality classroom teachers. The program is based on the philosophy of "The Teacher as Holistic Developer". The faculty seek to produce teachers who are aware of the importance of the cognitive, psychomotor, social, affective and spiritual components of a balanced person.

The teacher educators at Trevecca are aware of the importance of a collaborative partnership with the school and community to provide for the academic, pedagogic and moral needs of students who, in turn, will serve society.

OBJECTIVES FOR TEACHER EDUCATION

The following statements comprise the objectives in teacher preparation at Trevecca. Students will:

I. Evidence basic writing, grammar, reading, and computational skills.
II. Demonstrate mastery of coursework in their major, minor, and general core.
III. Develop professional awareness as evidenced through personal initiative and commitment to lifelong learning.
IV. Demonstrate the skills of an effective teacher (the skills are listed on the respective student teaching evaluation forms).

The Teacher Education Program employs nine means of evaluating the four objectives listed above. The number of the objective to be evaluated is listed in parenthesis beside each means of evaluation:

1. The Pre-Professional Skills Test (PPST), mandated by the State of Tennessee and taken in freshman or sophomore year. An ACT Composite score of 21 or 22 Enhanced, or SAT combined verbal and mathematics of 990 is acceptable as a substitute for a passing PPST score. (I)
2. Coursework, Grade Point Average and Faculty Recommendations. (I, II, III)

3. Pre-student teaching field experiences including practica and classroom participation experiences and cooperating teacher evaluations. (III)
4. Screening interviews. A screening committee composed of TNC faculty and Metro educators interviews candidates for admission to the Teacher Education Program, and for admission to Enhanced Student Teaching.(I, II, III)
5. Student Teaching Seminar is taken in conjunction with enhanced student teaching. (I, II, IV)
6. Enhanced Student Teaching taken during the senior year. The fifteen week enhanced student teaching will be experienced in two local schools, two different socio-economic settings representative of cultural diversity.(I, II, III, IV)
7. National Teacher Examination — consisting of a Core Battery Exam and a Specialty Area Exam. The NTE is a requirement for teacher licensure. (I, II)
8 Senior exit interviews. (II, III, IV)
9. Follow-up Surveys and Induction — (I, II, III, IV)

PROGRAM DESIGN

The Teacher Education Program at Trevecca offers licensure in the following areas of study:

Undergraduate

* English Education
* Health (K-12)
* Interdisciplinary Studies, Grades K-8
* Interdisciplinary Studies, Grades 1-8
* Mathematics
* Music (K-12)
  Instrumental
  Vocal
* Physical Education (K-12)
* General Science
  - Biology
  - Chemistry
  - Physics
    Interdisciplinary
* Social Studies
  - History
  - Government
    Interdisciplinary
  - Psychology
  - Sociology

Graduate

* Administration & Supervision
  Elementary Counseling (K-8)

Students can earn licensure recommendation from the college through three different teacher education programs which serve various age and experience levels:

1. A four year bachelor's degree program which includes enhanced student teaching.
2. A post-baccalaureate program for undergraduate credit offering initial licensure, license renewal, and teaching endorsements.
3. A graduate program in education which offers licensure in the following areas for those holding an initial teaching license: Administration and Supervision, and Elementary Counseling (K-8).

The guidelines listed under Teacher Education do not constitute a contract between a Trevecca student and the college. The sole purpose is to provide regulations, course listings and degree programs which are in effect at the time of publication. Because of recent or pending changes in state and/or national requirements, Trevecca reserves the right to add, modify or withdraw courses at any time.

DUE PROCESS

Students who have questions concerning action taken by the Teacher Education Council have the right to appeal through the established due process procedure. The appeal process originates with the Director of Teacher Education. If the decision is not acceptable to the student, he/she may appeal to the Dean of Education. If the decision by the Education Dean is not acceptable to the student, he/she may appeal to the Vice-President for Academic Affairs, who will appoint an Appeals Committee of three including the Director of Teacher Education (or designee) to hear the appeal. The decision of the Appeals Committee is final.

ADMISSION TO THE TEACHER EDUCATION PROGRAM TREVECCA NAZARENE COLLEGE

Admission to the college does not constitute admission to the Teacher Education Program. Application for admission to the program should be made in Foundations of Education (EDU 1500) or in the first semester of work for transfer, graduate, or post-baccalaureate students. Post-baccalaureate students who are seeking initial licensure as teachers must be admitted to the Teacher Education Program.

Pre-requisites for Admission:

1. Registration for EDU 1500 is open only to students with a 2.5 G.P.A., an A.C.T. Composite of 21 or 22 Enhanced or SAT combined verbal and mathematics of 990, or passing scores on the P.P.S.T.
2. Students must maintain the 2.5 G.P.A. and have passing P.P.S.T. scores or their A.C.T./S.A.T. equivalents to continue taking professional education coursework. P.P.S.T. minimums are 169 in Mathematics and Reading Comprehension, 172 in Writing. Equivalent A.C.T. Composite score is 21 or 22 Enhanced, S.A.T. Combined score is 990.
3. Acceptable G.P.A, test scores, appropriate recommendations and a completed application for admission to the Teacher Education Pro-

gram are prerequisites for students to be considered candidates for the program.

4. A Teacher Education Screening Committee interviews each candidate and makes a recommendation of approval, conditional approval, disapproval, or hold to the Teacher Education Council.

The Teacher Education Council is the governing body for the Teacher Education Program at Trevecca. The membership is composed of representatives from professional education, arts and sciences faculty, teacher education administrators, public school personnel, and students. The council acts upon the recommendation of the Teacher Education Screening Committee to admit candidates who meet the following requirements:

Requirements for Admission To Teacher Education

1. Demonstrate English competence by presenting a grade of C or better in ENG 1020 and 1080 (or their equivalents). Satisfactory completion of the writing section of the P.P.S.T., the A.C.T./S.A.T. equivalent or the N.T.E. Communication Skills section is required to augment transfer credit for Trevecca's composition courses (ENG 1020, 1080).
2. Demonstrate speech competence by presenting a grade of C or better in COM 1010. Students who manifest speech problems considered by the Teacher Education Council to be detrimental to teaching success may be referred for remedial work.
3. Demonstrate legible handwriting skills. Students who manifest handwriting problems considered by Teacher Education Council to be detrimental to teaching success may be referred for remedial work.
4. Pass the Pre-Professional Skills Test (P.P.S.T.).
   Appeal Conditions for the P.P.S.T. include: If student has not passed all three sections of the P.P.S.T. after two attempts and otherwise meets all other admission criteria, he/she may appeal to the Teacher Education Council. The Council will consider the written appeal based on basic skills information from coursework, attempts by the student to remediate the deficiency, faculty recommendations, consideration of the other admission criteria, and passing scores on the N.T.E. Core Battery.
5. Complete EDU 1500 with a minimum grade of C. Students who transfer credit for this entry level course must receive permission from the Director of Teacher Education.
6. Demonstrate satisfactory completion of practica by receiving a positive evaluation from cooperating teachers.
7. Present and maintain a grade average of not less than 2.5 on a four point scale in all college work.
8. Present three letters of recommendation from persons who can assess scholarship, attitude, personality and promise of future success in the field of teaching. One of these letters must be from a faculty member in the student's major field.
9. Exhibit responsible personal/professional behaviors such as accountability, professional growth, commitment and professionalism which are evidenced by effective classroom teachers.

ADMISSION
TO THE STUDENT TEACHING PROGRAM

All students in the four year bachelor's degree Teacher Education Program at Trevecca must complete in their senior year a semester of enhanced student teaching which includes placements in two different local public school settings. This culminating experience is conducted in the public schools under the guidance of a classroom teacher and a college supervisor from Trevecca. Enhanced Student Teaching provides an extended time for the pre-service teacher to identify strengths and weaknesses and develop an effective personal teaching style.

To be admitted to student teaching, the student must make application to the Coordinator of Field Experiences one year prior to the expected student teaching semester. (Fall Semester, by November 15 of the year prior to student teaching year; for Spring Semester, by April 15 of the year prior to student teaching.) Once the student's application is on file, an interview is scheduled with the Screening Committee.

The Teacher Education Council approves the candidate based on the screening committee's recommendation. Candidates who meet the following requirements for admission and have been approved by the Teacher Education Council will be notified in writing of their approval:

1. Previous admission to the Teacher Education Program.
2. An overall GPA average of 2.5.
3. Senior status, and completion of a minimum of half the total hours of the Professional Education core including the basic methods courses in the areas of specialization in which student teaching is to be done.
4. A minimum GPA average in both the professional core and major area(s) of 2.8.
5. Completion of medical form by a physician.
6. Music Education majors, must pass the Keyboard Proficiency Exam.
7. Physical Education majors, must meet the Health and Physical Education Department's conditioning criteria.

Once approval of the student's application has been granted, the Director of Teacher Education and the Coordinator of Field Experience, in conjunction with Metropolitan Nashville Public Schools, will arrange placements.

If difficulty arises during the student teaching experience which causes sufficient doubt as to satisfactory completion of student teaching, a final screening interview will be called. Such an interview could lead to the Director of Teacher Education's decision not to recommend the student for teaching licensure. The graduating senior in teacher education must pass the National Teacher Examination, both the Core Battery and the Specialty Area Test to be recommended for licensure. The N.T.E. is mandated by the State of Tennessee for licensure. Contact the Teacher Education Office for information.

English

DEPARTMENT OF ENGLISH

The Department of English offers a variety of coursework leading to the Bachelor of Arts degree in English or English Education, as well as minors in English and journalism. Through a series of three General Education courses in English, all Trevecca students receive instruction in writing and literature studies during their first two years. Tutoring and enrichment programs in basic writing and grammar are available through the Center for Individualized Studies. Introductory language courses in French, German, and Spanish provide students an opportunity to explore communication processes in other cultures.

Advanced programs of study in English may be effectively combined with a complimentary second major or minor in such areas as Secondary Education, Business Administration, Music, Psychology, or Religion for students interested in various career options. A nationwide survey of business leaders, federal employers, and graduate school deans emphasizes the marketability of English majors who possess strong writing skills and problem-solving ability along with a creative understanding of human relationships.

As a capstone to the major, all English majors work with a faculty advisor to prepare either a scholarly paper or collection of creative writing which is presented in a public lecture or performance. Recent projects included original plays, dramatic readings of poetry and fiction, and programs integrating music, slides, and literary texts. Journalism and creative writing classes produce ***Trev-Echoes,*** the campus newspaper, and ***Legacy,*** the creative writing magazine.

ENGLISH MAJOR OBJECTIVES

By the end of their course of study, English majors should be able to demonstrate the following competencies:

1. Read a variety of written texts with comprehension and be able to identify, summarize, and evaluate main ideas, using both written and oral response.
2. Write clear, well-developed reports of different lengths, integrating several sources of information correctly.
3. Recognize and discuss thoughtfully the major authors and works of world literature.
4. Interpret and evaluate literary works using various critical approaches.
5. Understand and appreciate the diverse cultural values and multiple levels of meaning in literature as it relates to other disciplines, times, and places.
6. Develop and communicate a coherent understanding of their own values and beliefs according to a Christian aesthetic of faith and art.
7. Contribute their analytical and creative abilities to those of others to enhance all forms of communication wherever they live, work, and worship.

ENGLISH EDUCATION MAJOR OBJECTIVES

English Education Majors are required the same major curriculum as English majors; therefore, they are taught by the same objectives. The Teaching of Writing (EN G 3310) course required of all English majors

particularly addresses Objectives I, II, and IV listed in the Teach Education Program.

Music

DEPARTMENT OF MUSIC

The Department of Music offers majors in Music with a Liberal Arts Emphasis and Music with a Music Business Emphasis, Church Music, and Music Education. Career and service opportunities in music include serving as ministers of music, church soloists, pianists, organists, and choir directors, teaching in public and private schools and colleges which offer programs in vocal or instrumental music, private lessons, professional singing and playing in symphonies, opera, orchestras, and various aspects of the music industry.

The Music Department's educational philosophy is based on the premise that a student must experience the performing of music. Therefore, each degree program offers opportunities to perform with either vocal or instrumental groups on campus in addition to the basic core of music courses. There are ten performing ensembles in the Music Department: Ambassadors, Concert Choir, Treble Tones, Madrigalians, Choral Union, College/Community Orchestra, Wind Ensemble, Stage Band, Pep Band, and Handbells.

Students who are not music majors may elect courses in music, perform in ensembles, or study applied music in order to broaden and enrich their appreciation of the fine arts.

The Department of Music is a member of the National Association of Schools of Music which is the accrediting agency for schools and departments of music in colleges and universities.

Departmental Objectives

1. To provide opportunity for all students to broaden their understanding of music by;
   a. Developing a functional knowledge of the language and grammar of music.
   b. Developing the ability to hear, identify and relate aesthetically the elements of music - rhythm, melody, harmony, structure.
   c. Developing an understanding of the methods by which music is composed.
   d. Developing an acquaintance with a wide selection of music literature.
   e. Developing within the student the ability to discriminate in music.
2. To function as a service area for the college community by providing regular recital series, special concerts for varied occasions - convocations, chapels, commencement, etc.
3. To prepare musically educated individuals for various areas of performance, teaching, church music and entrance into the music business industry, developing both skills and philosophy relevant to these areas.
4. To provide adequate background for graduate study in music.

Music Education Major Objectives

Music Education Majors are required the same major curriculum as Music Majors. The same objectives apply to all programs. The courses (MUS 2300-2330) Brass, Woodwind, String, and Percussion Methods;

(MUS 4400) Materials and Methods for Elementary School Music, (MUS 4410) Materials and Methods for Elementary School Music address objectives II and IV listed in the Teacher Education Program.

APPLIED STUDY

Students should have had pre-college experience in their major applied field. Instruction is required each semester until the 8 semester hour minimum requirement is satisfied, and a Senior Recital is given.

Each student desiring to study an applied instrument (voice, keyboard, instrumental) must audition for placement. To register for applied study the student must have approval of the instructor involved.

1. Credit. Registering for 1 hour of credit entitles the student to a weekly half-hour lesson. A minimum of 8 hours of applied credits are required for a major, at least 4 of which must be upper division (4000 level) taken consecutively over 4 semesters. Four (4) hours of credit are required for minors, and this must be taken in one applied area.

Departmental Regulations

Students interested in a music major must make formal application to the department. An important part of the application procedure is an audition in the student's major applied area. Applicants should be prepared to play representative works from their repertoire in the case of instrumentalists, or sing representative vocal selections demonstrating proper interpretation, good diction and acceptable intonation.

Another aspect of the application procedure is a proficiency examination in functional keyboard skills and sight singing. Students who have deficiencies in these areas must enroll in class piano and/or sight singing until they can successfully pass the proficiency examinations.

Students intending to pursue the Music Education degree must also make formal application to the Teacher Education Program. This is normally done when the student is enrolled in Education 1500, which is prerequisite to all other professional education courses. The description of this major is listed in the Teacher Education Program section.

For Music Business:
No grade lower than C- will be allowed in the 28 hour music core and 22 hours of performance and music electives, and a C- average must be achieved in the 30 hour business core to meet degree graduation requirements.

CLASS INSTRUCTION

Class instruction in voice, piano, and guitar provides small group instruction for those with little or no previous study. Music majors may not count class instruction in their principal applied area toward graduation requirements. Minors may count up to 3 hours. Voice majors may count one quarter of MUS 1630 toward graduation requirements.

VOCAL DICTION

Fundamental elements of foreign language designed to assist voice students in their study of German, Italian, and French repertoire.

STUDIO INSTRUCTION

Private instruction is available for the applied areas listed below. Students other than music majors and minors with sufficient background and interest are encouraged to elect studio instruction whenever teaching time is available. Juries are held each semester. All majors must pass an applied examination at the end of their 4th semester of study before they will be permitted to register for 4000 level (Upper Division) applied study. Music majors must register for 4 consecutive semesters of 4000 level study in order to meet graduation requirements. Music Business Majors desiring to do senior recital must pass 4th semester exam and have 4 hours of upper division credit. One 30-minute lesson per week carries 1 hour of credit, and requires a minimum of 6 hours outside practice weekly. All applied students are required to attend all concerts and recitals sponsored by the department and all musical Lyceum performances. Failure to do so will result in a lowering of the applied grade for that quarter.

ENSEMBLES

Any student may apply for membership in one or more of the departmental ensembles which provide opportunity for a variety of musical experiences through performances. Music majors and minors are required to participate in an appropriate departmental ensemble each semester they are enrolled in applied study; i.e., voice and keyboard students enroll in Choral Union, instrumental students enroll in Wind Ensemble, and string students enroll in College/Community Orchestra.

Health & P.E.

DEPARTMENT OF HEALTH AND PHYSICAL EDUCATION

The primary goal of the Department of Health and Physical Education is to meet the physical, mental, emotional, and social needs of its students in a Christian environment. This goal is met through avenues which include activity courses for non-majors, professional education courses for majors, and intramural sports which provides opportunities for all.

Students have several choices: l) a major in health (teaching and non-teaching); 2) a major in physical education (teaching and non-teaching); 3) a major in fitness management (non-teaching) with emphasis in YMCA, health clubs, recreational settings or church employment. Minors in health education, physical education, coaching, fitness management, and athletic training may be obtained.

The department strives to provide a program that will promote personal physical fitness, a desirable attitude and responsibility for one's health, and a desire to participate in wholesome recreation throughout one's lifetime. The successful completion of HPE 1000 is a prerequisite to all activity courses. The successful completion of HPE 2000 is a prerequisite to all professional education courses for physical education and health education majors. All requirements for the teacher education programs in these majors are found in the Teacher Education Program section of this catalog.

Departmental Objectives

A. Majors and Non-Majors. Students are required to demonstrate knowledge, understanding, skills, and attitudes relative to the following:

1. The value of exercise to one's health and physical fitness.
2. The components of health-related fitness and skill-related fitness.
3. Basic personal fitness evaluation and the development of a personal fitness program.
4. The role of proper nutrition in exercise and physical fitness.
5. Satisfactory development of one's ability to participate in a minimum of two lifetime sports.

B. Majors. In addition to the above objectives (1-4), students are required to demonstrate knowledge, understanding, skills and attitudes relative to the following:

1. Satisfactory development of a variety of sports skills.
2. First aid, safety, and CPR.
3. Functional human anatomy, physiology, and kinesiology.
4. The physiological effects of exercise on the human body.
5. Appropriate activities, instructional techniques and use of teaching aids for grades K-12 with able-bodied or handicapped students.
6. Student evaluation procedures for health appraisal, physical education skills, and physical fitness.
7. Prevention, recognition, and management of injuries associated with physical activity.
8. The role of administrative and supervisory personnel in directing programs.
9. The history of physical education and athletics (including outstand-

ing events, names, dates and places).

10. Current legal interpretations and liability concerns as they relate to the teaching of physical education and coaching.

C. Health and Physical Education teaching majors are required the same major curriculum as non-teaching physical education majors. Objectives 5, 6, and 10 are specifically incorporated for teaching majors.

Religion & Philosophy

DEPARTMENT OF RELIGION AND PHILOSOPHY

The Department of Religion and Philosophy offers majors in two areas. The Religion major provides a curriculum to prepare persons for various areas of Christian service as well as for graduate study in religion. The requirements for the Religion major, excluding the religious studies major, are designed to meet the ordination requirements specified by the *Manual* of the Church of the Nazarene. The Philosophy major serves to implement an education in the classical liberal arts tradition. The department serves the College in the General Education area by providing introductory courses in Bible, doctrine and philosophy as well as senior seminars designed to integrate faith, learning and living.

An A.A. degree is offered in Church Ministry. This is a two year program designed for students who are interested in studying in a Christian college to become competent lay workers in a local church.

Several minors are also offered including: (1) Biblical Studies, (2) Religious Studies, (3) Philosophy, (4) N.T. Greek, (5) Church Ministry, (6) Missions and Anthropology, (7) Hebrew, and (8) Biblical Languages.

Objectives of the Religion Major:

A. A graduate of this department should know:
   *1. The major philosophical, theological and historical aspects of Religious Studies.
   2. The principles of biblical interpretation generally accepted among contemporary scholars.
   3. The nature and function of worship in the life of the church.
   4. The nature and principles of small-group dynamics and interaction.
   5. The foundational doctrines of a genuinely "pastoral" theology, including: a) the person and work of Christ, b) the order of salvation, c) the nature and mission of the church.

B. A graduate of this department should:
   1. Recognize the strengths and weaknesses of his/her own personality and how it relates to his/her own vocation.
   2. Demonstrate the processes and methods of personal development in order to continue to be a life-long learner, including a personal reading program.
   3. Express a caring attitude in interpersonal relations.

C. A graduate of this department should be able to:
   1. Do good biblical exegesis
   2. Effectively use communication and logic skills (in sermons, etc.)
   3. Lead worship effectively and meaningfully.
   4. Demonstrate acceptable public speaking skills.
   5. Use library and bibliographic resources effectively.
   6. Articulate a philosophy of ministry.

*This outcome alone applies to the Religious Studies major which proposes to be an academic study of religion and philosophy with no professional vocational goals in view.

Objectives of the Philosophy Major:

A. A graduate with this major should **know:**
   1. The most significant recurring problems of philosophy.
   2. The most significant proposed solutions to these problems.
   3. The distinctive concerns of philosophers of historic importance.
   4. The ways that philosophical reflections have been historically conditioned.
   5. The structure and content of each of the main branches of philosophy.

B. A graduate with this major should:
   1. Recognize the strengths and weaknesses of his/her own personality and how it relates to his/her own vocation.
   2. Demonstrate the processes and methods of personal development in order to continue to be a life-long learner, including a personal reading program.
   3. Express a caring attitude in interpersonal relations.

C. A graduate with this major should be able to:
   1. Think, write, and speak clearly, logically and creatively.
   2. Critically analyze concepts, definitions, arguments, and problems.
   3. Synthesize complex ideas creatively and coherently.
   4. Use library and other bibliographic resources effectively.
   5. Articulate a philosophy of life.

M.A. IN RELIGIOUS STUDIES

A bulletin describing this program is available on request from the Director of Graduate Studies in Religion.

RELIGION AND PHILOSOPHY COURSES

A. RELIGION

(1) General Education Core Curriculum

REL 2000 - Introduction to Biblical Faith (3)
An introduction to Biblical faith and literature designed to help the student acquire a knowledge of the basic content of Scripture as well as be able to employ basic Bible study skills.

REL 3000 - Introduction to Christian Thought (3)
An introduction to theology as it has developed in the history of the church with a view to understanding the relation between faith and life. Special attention is given to understanding the doctrine of holiness. Prerequisites: REL 2000, PHL 2010.

REL 4000 - Christian Life and Ministry (3)
Begins exploring the issue of the integration of life, learning and faith. Special attention is given to the way every Christian may exercise his/her ministry in the world. This course addresses the question, "What does it mean for me to be a Christian and serve Christ in the contemporary world?" Prerequisite: REL 2000, 3000, PHL 2010, Senior classification.

(2) Biblical Literature

REL 2990: Introduction to Biblical Interpretation (3)
This course is designed to provide an introduction to hermeneutics, with emphasis on developing an understanding of the history, methods, and principles of exegesis and theological interpretation of scripture. This course is the foundational prerequisite for all upper division biblical literature courses. Prerequisite: REL 2000.

REL 3020 - Pre-Exilic Prophets (3)
A historical and exegetical analysis of the message and significance of the prophets whose work occurred before 587 B.C. Prerequisites: REL 2000, REL 2990.

REL 3030 - Exilic and Post-Exilic Prophets (3)
Focuses on the prophets during and following the Babylonian Captivity, beginning with Ezekiel. Prerequisites: REL 2000, REL 2990.

REL 3200 - Pentateuch (3)
A historical and theological study of the first five books of the Old Testament. Prerequisites: REL 2000, REL 2990.

REL 3210 - Psalms and Wisdom Literature (3)
A study of the devotional literature compiled in the Psalms and those books in the third division of the Hebrew canon commonly called wisdom literature including the Song of Songs, Proverbs, Job and Ecclesiastes. Prerequisites: REL 2000, REL 2990.

REL 3220 - Apocalyptic Literature (3)
A study of the literary genre known as apocalyptic that flourished in the 1st centuries B.C. and A.D. including the canonical books of Daniel and Revelation. Prerequisites: REL 2000, REL 2990.

REL 4010 - Matthew and Mark (3)
A study of the life and teachings of Jesus as presented in these two Synoptic Gospels, with special attention to their literary relationships, and the uniqueness of their respective portrayals of Jesus. Prerequisites: REL 2000, REL 2990.

REL 4020 - Pauline Epistles (3)
The life and teachings of the Apostle Paul based on a careful analysis of the Pauline Epistles and Paul's travelogue in the Book of Acts. Prerequisites: REL 2000, REL 2990.

REL 4040 - Johannine Literature (3)
An investigation of the characteristics, purposes, and central themes of the gospel and epistles of John. Prerequisites: REL 2000, REL 2990.

REL 4050 - Luke - Acts (3)
A study of the Lukan writings as a literary unit which covers the history of the Gospel from its beginnings in the life and ministry of Jesus through its proclamation to the world in the life and ministry of the Early Church. Attention will be given to the literary relations between Luke and the other Synoptic Gospels, as well as to the unifying themes of Luke-Acts. Prerequisites: REL 2000, REL 2990.

REL 4230 - Hebrews and General Epistles (3)
A literary, cultural and theological analysis of the Book of Hebrews and the smaller writings at the end of the New Testament, excluding the Johannine Epistles.

(3) Theology

REL 4090 - Theology of Holiness (3)
The Biblical bases of the doctrine of holiness with special attention given to the Wesleyan understanding of Christian perfection. Required of all majors.

REL 4140-4150 - Systematic Theology i, ii (3), (3)
Develops the major doctrines of the Christian faith in logical relation to each other from the perspective of Wesleyan theology.

REL 4270 - Old Testament Theology (3)
An examination of the discipline of Biblical theology historically and methodologically and a survey of the various theological genre found in the Old Testament.

REL 4280 - New Testament Theology (3)
A study of the central theological motif of the New Testament with the various theological expressions of it. Emphasizes both the unity and diversity of the New Testament.

(4) Church History

REL 3040 - History of the Ancient and Medieval Church (3)
A survey of the major developments of the church from the ancient period to the Reformation. Missions, doctrine, polity, life, and worship in each period will be discussed. Prerequisites: HIS 1400.

REL 3050 - History of the Reformation and Modern Church (3)
A survey of the major developments of the church from the Reformation to the present. Mission, doctrine, polity, life and worship in each period will be discussed. Prerequisites: HIS 1400, 1450, ENG 1080.

REL 3060 - History and Polity of the Church of the Nazarene (3)
The rise, organization, mission, progress and polity of the Church of the Nazarene and its relation to other holiness churches. Required of all majors. Non-Nazarenes may petition for a special study in their own denominational history and polity.

REL 3070 - American Religious History (3)
A study of the development of the Christian Church in the United States from the settlement of the colonists to be present, with emphasis upon the distinctive social and theological ethos of American Christianity.

(5) Practical Theology

REL 3090, 3091 - Introduction to Pastoral Ministry (3), (3)
Consideration of the major duties of the minister such as worship, special services, visitation and ministerial ethics. Attention is also given to the general principles of organization and administrative functions within the local church.

REL 3100 - Preaching (3)
Sermonic structure, the treatment of the text, sermonic divisions, use of illustrations, and source materials. Includes preparation of expository sermons and practice preaching.

REL 3111 - Evangelism (2)
A study of the theory and practice of evangelism in the local church.

REL 4240 - Seminar In Religion (1-4)
For advanced students who desire to investigate in depth some aspects of religious thought.

REL 433R - Readings In Religion (1-3)
An advanced course in religious literature, designed to meet the student's needs and interest.

REL 4330 - Directed Study In Religion (1-3)
Special studies in selected areas under the guidance of a professor in the department.

REL 4300 - Ministers' Workshop (1)
Special course for ministers designed as continuing education.

REL 4400 - Seminar for Ministers' Spouses (1)
A special course for spouses or prospective spouses of ministerial students.

REL 4510 - Field Education In Religion (2-4-6)
Pastoral practice open only to Religion Majors. The student works under the supervision of the Director of Field Education and an approved pastor. Specific areas of observation and practical service are included. Credit for field experience may be obtained only through **prearrangement** with the Director of Field Education. Graded S/U.

B. BIBLICAL LANGUAGES

GRK 2010 - Beginning New Testament Greek (3)
The basic elements of New Testament Greek with special emphasis on pronunciation, forms, vocabulary and syntax.

GRK 2030 - Intermediate New Testament Greek (3)
More detailed study of the grammar and syntax of New Testament Greek accompanied by sight translation of selected readings in the Gospels and/or Epistles.

GRK 3010 - Advanced Greek (3)
Consideration of particularly problematic topics in the New Testament Greek grammar, with attention to their impact on the task of exegesis. Proper methods for interpreting the Greek New Testament will be surveyed and utilized.

GRK 4010-4020-4040-4050-4230 (3)
For descriptions see Religion courses with equivalent numbers with which these courses are concurrently taught. Students receiving credit in Greek study from the Greek New Testament.

HEB 2010 - Beginning Hebrew (3)
The basic elements of Old Testament Hebrew with emphasis on the structure of the language and vocabulary.

HEB 2030 - Intermediate Hebrew (3)
Further study of the language with emphasis on translation from the original text.

HEB 3010 - Advanced Hebrew (3)
Emphasis on translation of selected passages from the Hebrew Bible, stressing grammatical and textual matters.

HEB 3500 - Hebrew Reading (1)
Primary emphasis on rapid reading the language. May be taken in conjunction with another Hebrew course.

HEB 3020; HEB 3030; HEB 3200; HEB 3500 (3 each)
See descriptions of REL courses by same number for these courses.

GRK 4330 - Directed Study in Greek (1-3)

C. PHILOSOPHY

PHL 2010 - Introduction to Philosophy (3)
A general introduction to philosophical inquiry through a study of the work of representative philosophers.

PHL 2020 - LOGIC (3)
A study of thinking and thought, including the principles of reasoning and their application in the analysis of argument and detection of fallacies. No prerequisite required.

PHL 3010 - History of Philosophy I (3)
A study of the work of the most influential ancient and medieval Western philosophers, i.e. from the period extending from the sixth century B.C. through the fourteenth century A.D. Special attention is paid to the works of Plato and Aristotle. Prerequisite: PHL 2010, its equivalent, or special permission of the instructor.

PHL 3020 - History of Philosophy II (3)
A study of the work of the most influential Western renaissance and early modern philosophers from the period extending from the fourteenth through the eighteenth century. Special attention is paid to the work of Descartes and Kant. Prerequisite: PHL 2010, its equivalent or special permission of the instructor.

PHL 3030 - History of Philosophy III (3)
A study of the nineteenth century Western philosophy. Special attention is paid to Hegel, Kierkegaard, Marx and Nietzsche. Prerequisite: PHL 2010, its equivalent or special permission of the instructor.

PHL 3040 - History of Philosophy IV (3)
A study of twentieth century Western philosophy. Special attention is paid to Whitehead, Wittgenstein, and Heidegger. Prerequisite: PHL 2010, its equivalent, or special permission from the instructor.

PHL 3070 - Ethics (3)
A study of the nature of human life and the foundation of moral responsibility through readings in and discussions of the works of philosophers who have made unusually significant contributions to the field.

PHL 3140 - Living World Religions (3)
See description under MIS 3140.

PHL 4010 - Philosophy of Religion (3)
A study of the nature of religion, the reality of God, the relationship of faith to reason, and religious language through readings in and discussions of the works of philosophers who have made unusually significant contributions to the field. Prerequisite: PHL 2010, its equivalent or special permission from the instructor.

PHL 4080 - Seminar In Philosophy (1-4)
Concentrated study in the work of one or more philosophers. Prerequisite: PHL 2010 or its equivalent and permission of the instructor.

PHL 4330 - Directed Study In Philosophy (1-3)
Individual study which provides a student with the opportunity to pursue in depth and area of interest not covered in regular course work. Includes directed study by and conferences with a professor in the department.

D. CHRISTIAN EDUCATION AND YOUTH MINISTRY

CED 2010 - Survey of Christian Education (3)
The principles, objectives, agencies, history, and philosophy of Christian education.

CED 2030 - Ministry to Children (3)
The development and learning processes of the child from birth through the age of twelve; needs and interests; organization, administration, methods and materials of the church; principles of learning and teaching the Biblical message in the Church of the Nazarene.

CED 2040 - Ministry to Aduits and Retirees (3)
A survey of the characteristics, needs and problems at different levels of adulthood with special attention to the retirement age; learning experiences and objectives; enlisting and involving adults in the mission of the church. Emphasis is given to facilitating better Biblical learning, a review of the various methods, materials and purposes of adult education in the Church of the Nazarene.

CED 2990 - Summer Ministries in the Church of the Nazarene (2)
This course is designed to prepare the student for practical involvement in the summer ministries programs of the Church of the Nazarene. It emphasizes the nature and background of the specific ministries, intercultural understandings, personal growth, Biblical understandings, churchmanship, and special skills appropriate to these respective ministries. Prerequisite: introductory level CED course or instructor's approval. Offered spring term annually.

CED 2995 - Summer Ministry Practicum (1)
Offered in the summer to give credit to students participating in summer ministry experiences. Graded S or U. Prerequisite: CED 2990.

CED 3010 - Ministry to Youth (3)
The principles and practices of effective ministry to youth, 12 to 23 years, with specific focus on the role of a minister to youth. The course reviews the psychology of the adolescent, the problems and adjustments of maturation, and the denominational, organizational and curricular provisions for a Christian experience and philosophy of life.

CED 3020 - Dynamics of Staff Ministry (3)
A study of the nature and function of a multiple-staff ministry and the elements of good leadership and administration.

CED 3030 - Seminar in Christian Education (3)
An advanced course in Christian education designed to meet the student's needs and interests.

CED 3040 - Seminar in Youth Ministry (3)
An advanced study of specialized problems in ministering to young people.

CED 4010 - Field Work in Youth Ministry* (2-4)
Assignment to a church for observation and practical service in the area of youth ministry. Graded S/U.

CED 4330 - Directed Study (1-3)
Includes special projects or specialized research under the supervision of instructor.

CED 4510 - Field Work in Christian Education* (2-4)
A practical course, open to those concentrating in Christian Education involving assignment to a church for observation and service. Graded S/U.

*Credit for field experience may be obtained only through prearrangement with the Director of Field Education.

CED 4560 - Leadership in the Christian Organization (3)
Same as COM 4560

E. MISSIONS AND ANTHROPOLOGY

MIS 3112 - Missions (2)
A study of the history of the modern missionary movement, its theological bases and opportunities presently available to participate in the missionary activity of the church.

MIS 3140 - Living World Religions (3)
A study of the cevelopment and central concerns of oriental philosophy and religion. Special attention is paid to Hinduism, Buddhism, Confucianism and Taoism.

MIS 3150 - Urban Ministry (3)
A practical approach to the problem of adapting the interests and resources of the city church to the deteriorating conditions in the inner city.

MIS 4330 - Directed Study in Missions (1-3)
Includes special projects or specialized research under the supervision of an instructor.

ATH 3010 - Introduction to Anthropology (3)
A study of the meaning of culture, the diversity of cultures in both the contemporary world and the past, and the manner by which cultures have adapted and developed. Attention will be given to the work of anthropological theorists and to the four subdivisions of anthropology: cultural anthropology, physical anthropology, linguistics and archaeology.

ATH 3020 - Modern Religious Cults (3)
A study of the major 20th century cults as an expression of the religious tendencies of human nature. This will include theological evaluation from the classical Christian perspective.

Science & Mathematics

DEPARTMENT OF SCIENCE AND MATHEMATICS

The Department of Science and Mathematics provides basic courses which offer an introduction to scientific methods and to the modern world of science and mathematics including computer science. Students who want to teach science or mathematics in the secondary schools may choose from majors in General Science, Biology, Chemistry, and Mathematics Education or from minors in Biology and Chemistry. See the Teacher Education Program section of this catalog for descriptions.

Students with excellent records may prepare for graduate school, and others may desire to use their training for industry, or pre-professional training for medicine, dentistry, pharmacy, or engineering. Students desiring to do graduate work in the sciences will find mathematics an essential part of their program. With properly selected courses a student may complete two years at Trevecca and transfer to an institution offering a four-year program leading to a B.S. degree in Nursing.

Departmental Objectives

The Biology student should be able to:

1. Correctly classify organisms to the level of classification as indicated by the key.
2. Identify the structures and list the functions of the organs and systems of various animals.
3. Determine the possible genotypes and phenotypes of offspring through the second generation, when given the genotypes of parental organisms.
4. Analyze a molecular genetics problem, cite examples of research that are related to this area, and discuss possible implications for individuals and society.
5. Devise a possible solution to common ecological problems.
6. Designate the significant diagnostic features and laboratory techniques for identifying many infectious organisms.
7. Identify fundamental characteristics of microorganisms and their relationship to man and his environment, and develop standards for prevention and control of selected diseases.
8. Devise and carry out an experiment dealing with a problem in biology.
9. Relate concepts of inorganic and organic chemistry as well as biochemistry to organisms.
10. Apply principles of physics to biological functions.

The Chemistry major should be able to:

1. Interpret broad concepts in chemistry and demonstrate them through laboratory skills learned in general chemistry.
2. Give the nomneclature, properties and synthesis as well as some physical methods for determination of the structure of common organic compounds.
3. Qualitatively and quantitatively analyze chemicals by classical and instrumental analysis.

4. Explain major principles in physical chemistry and demonstrate them by means of experimentation.
5. Demonstrate laboratory skills and knowledge in areas of chemistry in which this student is trained.
6. Interpret biochemical problems and formulate solutions. (If the student has taken this area).
7. Design and perform research projects in chemistry at the college level.

The General Science Teacher Education major should be able to:

1. Prepare various chemical solutions, to be used in classroom laboratories at all levels of education.
2. Analyze the contents of a chemical solution.
3. Convert measurements from the English to metric system and from the metric to English system, at any educational level.
4. Classify a biological specimen using the appropriate classification key.
5. Identify various biological organs and systems and list the appropriate life functions of each.

The Mathematics major should be able to:

1. Apply his knowledge of mathematics in problem solving..
2. Demonstrate computer literacy and be able to use the computer effectively in problem solving. The student should be knowledgeable concerning major mathematics software packages: e.g. Derive, MathCad, Mathematics, Maple, Master Grapher and Calculus Graphics.
3. Effectively use a graphics calculator.
4. Pursue future career options including graduate school.
5. Demonstrate a basic knowledge of mathematical history and contemporary mathematics and mathematicians.
6. Demonstrate a knowledge and understanding of the fundamental theorems of arithmetic, algebra, and calculus.

The Mathematics Education major should be able to:

1. Demonstrate a grasp of an area of high school mathematics content not only by handling specific problems successfully but also by utilizing various means of handling the problems.
2. Develop lesson plans in an area of high school mathematics content whereby high school students could successfully and efficiently learn the content.
3. Demonstrate computer literacy and be able to use the computer effectively in solving problems. The student should be knowledgeable concerning software packages commonly used in high school mathematics classrooms.
4. Be cognizant of current standards for curriculum, evaluation, and teaching as recommended by the National Council of Teachers of Mathematics.
5. Research information about a specific mathematical topic and list ways it is treated by mathematicians, teachers, and textbooks.

The Mathematics and Computer Science major should be able to:

1. Apply numerical methods in problem solving with the computer.
2. 1) Determine if a mathematical problem is appropriate for solution with a computer, 2) If appropriate be able to develop an algorithm to solve it, 3) Apply the most appropriate language in his/her repertoire to solve the problem.
3. Write generic algorithms so that any computer language could be use.

CHE 1040-1050	General Chemistry I, II	(8)
CHE 2010-2020	Organic Chemistry I, II	(8)
PHY 1110-1120	General Physics I, II	(8)
OR		
PHY 2210-2220	General Physics	(8)

Total .....78 hours

The following professional Pharmacy courses may be taken at Trevecca. They should be chosen in harmony with the requirements of the professional school of pharmacy of the student's choice.

BIO 2010-2020	Anatomy-Physiology I, II	(8)
BIO 3510	Biochemistry	(4)
BIO 3520	Microbiology I	(4)
BIO 3530	Microbiology II	(4)

PRE-MEDICAL/PRE-DENTAL

The student will major in either Biology or Chemistry with a minor in the other.

One year of General Physics is required. Individual counseling is given to each student as needed.

PRE-ENGINEERING PROGRAM

First Year: Required

MAT 2010-2020	Calculus and Analytic Geometry I, II	(8)
CHE 1040-1050	General Chemistry I, II	(8)
CSC 2150	Pascal	(3)
ENG 1020	English Composition	(3)
ENG 1080	Critical Reading and Writing	(3)
REL 2000	Intro. to Biblical Faith	(3)
	*Electives	(4)
	Total	32 hours

Second Year: Required

MAT 3040	Calculus III	(4)
MAT 4020	Differential Equations	(4)
PHY 2110-2120	General Physics	(8)
REL 3000	Intro Christian Thought	(3)
	*Electives	(13)
	Total	32 hours
	Two-Year Total	64 hours

*Students should choose electives according to requirements of the institution to which they plan to transfer for completion of their engineering degree. Usually this choice will mean carefully selecting courses from a variety of areas - e.g. social sciences, humanities, fine arts, etc. - to meet general education requirements. Each student should bring a copy of the institution's catalog to be used with the TNC advisor during registration counseling.

SCIENCE AND MATH COURSES

A. BIOLOGY

BIO 1510 is a prerequisite to higher numbered biology except where noted.

BIO 1020 - Cardiovascular Physiology (2)
Designed for electives. An overview of the heart and circulatory system and its relationship to other body systems and functions. CPR instruction is included in the course.

BIO 1510 - General Biology I (4)
Fundamental concepts in the biological sciences including organization of living matter, cellular structures and function, food production by photosynthesis, energy harvest, reproduction, genetics, and taxonomy. Relationships to man and his societal and psychophysical well being is part of the cognitive aspect of this course. Students majoring or minoring in biology should register for this course instead of SCI 1500. Lecture and lab.

BIO 1520 - General Biology II (4)
A continuation of General Biology I with emphasis on relationships to man in the study of principles of biology that apply to animal and plant life. Selected representative organisms are used for laboratory studies. Prerequisite: General Biology 1510 or equivalent. Lecture and lab.

BIO 2010 - Anatomy-Physiology I (4)
The study will include the Anatomy of the body as a whole. Emphasis will be on anatomical structures and organizational relationships of all the organs and systems of the body. General physiology of each system and the major influence systems have on one another is emphasized. Laboratory studies include dissection of the cat and study of various skeletons, models, and charts. Emotional, psychomotor and physical well being is included in the cognitive aspect of this course. Lecture and lab.

BIO 2020 - Anatomy-Physiology II (4)
The study will include some anatomy, especially histology and embryology, as necessary for understanding physiology. Emphasis will be on physiological processes of all body organs and systems. Emotional, psychomotor and physical well being is an important cognitive aspect of physiology. Prerequisite: BIO 2010 or equivalent.

BIO 2500 - Ecology-Nature Study (3)
A study of plants and animals, and their relationship to their environment. Field work will be used to acquaint teachers with means of utilizing the outdoors in teaching identification of birds, flowers, and trees. An appreciation for the beauty of nature as a source of spiritual and emotional value to the individual and society is emphasized. Responsibility and relationships that man has for the condition of the environment is also a cognitive aspect of this course. Some study of astronomy, geology and weather as related to ecology is included. Lecture and lab. Alternate years (offered 1991) and summers. No prerequisite.

BIO 2700 - Nutrition (3)
A study of the nutritive value of food and the factors influencing the body's requirements. Alternate years according to demand, 1992.

BIO 3010 - Histology (3)
A study of mammalian tissue and microscopic identification of cells, tissues and organs. Opportunities for practice in the preparation of microscopic slides will be given. Lecture and lab. Prerequisite: BIO 1510-20 or equivalent. Alternate years, Fall 1991.

BIO 3020 - Embryology (3)
Gametogenesis, fertilization, cleavage, and gastrulation followed by special study of the development of the organs and systems of the vertebrate, with emphasis on frog, chick, and mammalian embryos. Lecture and lab. Prerequisite: BIO 1510-20. Alternate years Spring 1992.

BIO 3110 - Clinical Microscopy (3)
This course provides the students with a general understanding and basic working knowledge in the clinical aspects and technical procedures employed in the areas of clinical hematology and urinalysis, bacteriology and immunology. Practical exercise in related diagnostic laboratory procedures are emphasized in the laboratory. Lecture and lab.

BIO 3510 - Biochemistry (4)
The chemical composition and reaction of living matter. Prerequisite: Organic Chemistry 2010-20. Can count toward a degree in either biology or chemistry. Lecture and lab. (Alternate years)

BIO 3520 - Microbiology I (4)
A survey of bacteria, fungi, and viruses. Emphasis on bacterial and fungi of medical importance to man. Classifications, morphology, cultivation, epidemiology, treatment, clinical symptoms and lab diagnosis are considered. Laboratory deals with isolation and identification procedures. Lecture and lab.

BIO 3530 - Microbiology II (4)
Introduction to the viruses; their nature, classification and diseases. A study of the medically important parasites of man; classification, morphology, life cycle and host parasite interaction are considered. Diagnostic clinical laboratory procedures are emphasized. Lecture and lab. Prerequisite: BIO 3520 or permission of instructor.

BIO 3560 - Pathogenic Microbiology/Immunology (3)
Study of pathogenic bacteria associated with infectious diseases in man. Morphology, physiology, pathogenesis, host resistance, prevention and control will be considered as will basic immunologic principles and techniques. Laboratory emphasized diagnostic methods and culture techniques. Lecture and lab. Prerequisite BIO 3520.

BIO 3700 - Genetics (5)
Classical theories (Mendelian) of heredity and molecular genetics are both emphasized. Recent discoveries and current research will be considered. Laboratory work includes experiments with plants, Drosophila, and bacteriophages. Lecture and lab; some additional lab work to be arranged.

BIO 4330 - Special Projects in Biology (1-3)
Open to biology majors and minors with advanced standing. Individual study in a chosen field with emphasis on basic research techniques under the supervision of the faculty member in that area of biology. Prerequisite: BIO 1510-20 plus the advanced course in the area of study. Non-majors may take course by special permission.

BIO 4335 - Seminar in Biology (1)
Consists of projects and papers presented and reported to the science faculty and science majors.

B. CHEMISTRY
Cognitive skills are emphasized in the chemistry courses, and some psychomotor skills are learned in the laboratory portions of each course.

CHE 1010 - Principles of Inorganic and Organic Chemistry (4)
Includes the basic principles of inorganic chemistry and an introduction to organic chemistry. Designed for pre-nursing and pre-physician assistant students. May also be taken for Gen. Ed. credit. Lecture and lab.

CHE 1020 - Principles of Organic and Biochemistry (4)
Continuation of organic chemistry CHE 1010 and study of biochemical compounds and their reactions. Prerequisite: CHE 1010. Lecture and lab.

CHE 1040-1050 - General Chemistry I, II (4), (4)
This sequence is for students planning further work in chemistry. Topics discussed include chemical notation, atomic structures, periodic relationships, bonding, chemical equilibrium, acids, bases, salts, redox reactions, electrochemistry, environmental chemistry and qualitative analysis. Lecture and lab.

CHE 2010-2020 - Organic Chemistry I, II (4), (4)
An introduction to the study of the compounds of carbon - their classification, nomenclature, preparation, and reaction. Prerequisite: one year of college chemistry. Lecture and lab.

CHE 2510-2520 - Analytical Chemistry I, II (3), (3)
A study of volumetric, gravimetric, and instrumental methods of analysis. Lecture and lab. (Alternate years)

CHE 3200 - Advanced Inorganic Chemistry (2)
Descriptive chemistry of the metallic and nonmetallic elements, coordination chemistry, nuclear chemistry, and industrial inorganic chemistry. Selected inorganic compounds are prepared in the laboratory. Prerequisite: Chemistry 1050 or equivalent. (Alternate years.) Lecture. Offered 1992-93.

CHE 3210 - Synthetic Inorganic Chemistry (2)
A laboratory course open to advanced students in chemistry. Inorganic compounds are prepared in pure conditions. Prerequisite: Chemistry 1050 or equivalent. 6 hours Laboratory. (1991-92 last year offered.)

CHE 3510 - Biochemistry (4)
The chemical composition and reactions of living matter. Prerequisite: Organic Chemistry 2010-20. Can count toward a degree in either biology or chemistry. (Alternate years). Lecture and lab.

CHE 4010-4020 Physical Chemistry I, II (4), (4)
Thermodynamics, modern physics, quantum mechanics, spectroscopy, statistical mechanics, and chemical dynamics. Prerequisites: Math 2010-2020, General Physics 1110-20, and Chemistry 1040-50. Lecture and Lab (alternative years). Course content is the same as PHY 4010-4020.

CHE 4330 - Special Projects in Chemistry (1-3)
Open to chemistry majors and minors with advanced standing. The course consists of individual study in a chosen field with emphasis on basic research techniques under the supervision of the faculty member in that area of chemistry. Prerequisite: CHE 1040-50 plus the advanced course in the area of study. Non-majors may take course by special permission.

CHE 4335 - Seminar in Chemistry (1)
Consists of projects and paper presented and reported to the science faculty and science majors.

CHE 4510 - Internship in Chemistry (1-3)
Work in an off-campus chemistry laboratory under faculty supervision. Recommended for students planning on a career in chemistry. Prerequisite: CHE 2520. Graded S/U.

C. PHYSICS

PHY 1010 - Introduction to Physics (4)
This course is designed to cover the conceptual aspects of Physics. Mathematics above high school algebra is not required. This course in physics is suitable for elementary and secondary education majors or as a first course in physics prior to taking general physics. Lecture and lab.

PHY 1050 - Physics of Sound (4)
Designed as an introductory course in acoustics. A background in physics is

not required. Covers the basics needed to understand acoustics in a variety of non-musical and musical areas. This course explores the production, transmission and reception of sound. Topics include fundamental units of measurement, frequency, intensity, superposition, harmonic structure and effects of sound in the normal ear. Lecture and lab.

PHY 1110-20 - General Physics I, II (4), (4)
For students in biology, engineering, and medicine. Includes mechanics, heat, sound, electricity and magnetism; light and modern physics. Lecture and lab.

PHY 2030 - Digital Electronics (4)
A study of the elements of digital circuit logic and microprocessors. Includes minimization techniques, error detecting, data transfer, data conversion, and arithmetic methods. Lecture and lab.

PHY 2110-20 - General Physics I, II (4), (4)
A course designed for students in the physical sciences, engineering and mathematics. Calculus is used in the mathematical description of physical processes. Subject material and instructor are the same as Physics 1110-20. Prerequisite: Mathematics 2010-2020. (May be taught concurrently with Physics 1110-20.)

PHY 3130 - Circuits (4)
Elements of AC/DC circuits with semiconductor devices as applied to computing and other systems. Lecture and lab.

PHY 4010 - Thermodynamics (4)
A study of the first, second, and third laws of thermodynamics, phase equilibria, and reaction equilibria. Lecture and lab. Prerequisites: PHY 1120 or 2120, MATH 2020. May be taught concurrently with CHE 4010.

PHY 4020 - Modern Physics (4)
This course explores some of the current concepts in physics. Topics include relativity, energy quanta, atomic phenomena, nuclear structure, nuclear forces, and nuclear energy. Prerequisites PHY 1120 or 2120, MTH 2020. Lecture and lab. May be taught concurrently with CHE 4020.

PHY 4330 - Special Projects in Physics (1 -3)
Open to science major and minors with advanced standing. Individual study in a chosen field under the supervision of a faculty member in Physics. Non-majors may take course by special permission.

PHY 4335 - Seminar in Physics (1)
Consists of projects and paper presented and reported to the science faculty and science majors.

D. SCIENCE

SCI 1500 - Life Science (4)
Designed to convey methods of study in the biological sciences and to study biological issues and values as related to the well being of personal, societal and general environmental living.

SCI 1600 - Physical Science (4)
Designed to convey the nature of matter and methods of study in the physical sciences and to study physical science issues and values as related to the well being of personal, societal and general environmental living.

SCI 3510 - Earth and Space Science (4)
Topics covered are geology, astronomy, meteorology, oceanography. Suitable for elementary or secondary education majors and for general education. Lab activities related to each major topic are included.

SCI 3520 - Conservation of Natural Resources (3)
The cognitive issues in this course include a study of the natural resources, their source and usefulness to the society of man. Natural and technical means of protection and conservation of these resources are emphasized. Topics in geology, astronomy, meteorology and oceanography are covered as they relate to natural resources and their conservation. Suitable for elementary or secondary education majors.

SCI 3600 - Materials and Methods of Teaching Science in the Secondary School (3)
Includes a comprehensive file of science materials and references, a study of laboratory technique and review of basic subject matter. Emphasis is on discovery teaching/learning.

SCI 3700 - Concepts in Biology (3)
The cognitive components of this course include: characteristics of organisms, cell structure, biological classification, and characteristics of organisms in the five kingdoms. Particular emphasis is on seed plants, selected invertebrates, and vertebrates including humans. Values, especially as related to science/technology/society interactions regarding certain ecological problems, endangered species of plants and animals, human biomedical ethical dilemmas, and potential problems related to current biological research are considered. Use of microscope, making cultures, and other laboratory process skills are included. Primarily for pre-service elementary and middle school teachers.

SCI 3800 - Concepts in Physical Science (3)
This course deals with major concepts of chemistry and physics at the introductory level. Values related to certain issues will be considered. Laboratory activities in both physics and chemistry are included. Primarily for pre-service elementary and middle school teachers.

SCI 4000 - History and Philosophy of Science (3)
The origins of science, the formation of scientific concepts, the logical structure and verification of theories, the meaning and limitation of explanation in science, and implications of some scientific findings for ethical and social problems.

SCI 4330 - Special Projects in Earth and Space Science (1-3)
Individual study in a chosen area of earth and space science under the supervision of the faculty member in this area. Selected activities are also included.

E. MATHEMATICS

MAT 0930 - Math Skills (2)
For students with math deficiency as determined by ACT score and diagnostic testing, this course includes fractions, decimals, percents, integers, simple equations, and problem solving. A competency exam is a requirement for completing this course. Graded A, S, IP, U, F.

MAT 0940 - Elementary Algebra (2)
For students who have an algebra deficiency as determined by ACT score and diagnostic testing, who want classroom help completing the basic alge-

bra component of the general education course MAT 1040, or who need refresher preparation for MAT 1050. The course covers operations with signed numbers and polynomials, exponents, factoring, and linear operations and inequalities. Graded A, S, IP, U, F.

MAT 1040 - Concepts of Mathematics (4)
Designed to meet the objectives of general education in this area, this course is a study of the basic concepts and historical development of number and numeration, sets, measurement, function, counting techniques, statistics, and elementary algebra and geometry. Applications such as calculators, computers, other numeration systems, and matrices are explored.

MAT 1050 - Intermediate Algebra (4)
For students who have only one year of high school algebra or who need a refresher course prior to college algebra and trigonometry. It is also an alternative for meeting the general education requirement for students who prefer a mainstream mathematics course or who need more algebra background for other majors - e.g. business. It emphasizes real and complex number systems, functions and their graphs, and systems of equations and inequalities.

MAT 1060 - College Algebra and Trigonometry (4)
Study of polynomial functions, and systems including trigonometric functions and graphs, formulas, identities and equations. Prerequisite: MAT 1050 (may be waived on the basis of the results in the College Board's DTMS Intermediate Algebra Skills Test administered at the beginning of the academic year).

MAT 1100 - Concepts of Elementary Mathematics I (3)
Study of the mathematical foundations of elementary school arithmetic. Problem solving, systems of numeration, number theory, standard and alternative algorithms, calculator and computer applications and number systems. Provides content background for EDU 3100 - Cognitive Studies: Elementary Mathematics. Limited to students seeking elementary school or early childhood certification.

MAT 1200 - Concepts of Elementary Mathematics II (3)
Study of the mathematical foundations of elementary school arithmetic and geometry. Rational numbers, geometric construction and classification, measurement and the metric system, probability and statistics (as appropriate for the elementary school), calculator and computer applications. Provides content background for EDU 3100 - Cognitive Studies: Elementary Mathematics. Limited to students seeking elementary school or early childhood certification.

MAT 1500 - Introduction to Statistics (4)
A survey of probability, descriptive and inferential statistics. Discrete and continuous probability models, mathematical expectation, laws of large numbers, confidence intervals, hypothesis testing, applications. This course is a prerequisite to MAT 3000, Theory of Probability and Mathematical Statistics.

MAT 2000 - Discrete Mathematics (4)
Concepts of computer related mathematics. Topics include algorithms, binary numbers sets, combinations, probability, logic, and linear math. Prerequisite: MAT 1050 or equivalent.

MAT 2010-2020 - Calculus and Analytic Geometry I and II (4), (4)
Cartesian coordinates, equations of curves, differentiation of functions with algebraic, geometric, and mechanics applications; integration of functions, methods of integration and infinite series.

MAT 2060 - Linear and Matrix Algebra (4)
Linear equations, vector operations, matrices, determinates, linear transformations, eigenvalues and eigenvectors, singular values and singular vectors, canonical forms, polynomial functions of matrices, and related topics. Prerequisite: MAT 1050 or equivalent. Alternate years.

MAT 2070 - Modern Algebra (4)
Sets, groups, rings, and fields. Logical rigorous proofs and analysis are emphasized. Prerequisite: MAT 1060 or equivalent. Alternate years.

MAT 2080 - Foundations of Geometry (3)
Elementary geometry from an advanced standpoint; a study of axiomatic structures; Euclidian in two and three dimensions. Prerequisite: MAT 1060 or equivalent. Alternate years.

MAT 3000 - Theory of Probability and Mathematical Statistics (4)
Probability of finite sample spaces, random variable, probability distributions, binomial distributions. Analysis of the principles of descriptive and inferential statistics Analysis of sampling. Prerequisites: MAT 1500, MAT, 2020. Alternater years.

MAT 3030 - Calculus III (4)
A study of infinite series, conics, polar coordinates and parametric equations, vectors and analytic geometry in space.

MAT 3040 - Calculus IV (4)
A study of vector functions, patial derivatives, directional derivative, gradient, extrema, and multiple integrals.

MAT 3060 - Teaching Mathematics in the Secondary School (2)
An individualized course in materials and methods for teaching mathematics in secondary school. Professional resources, such as those of the National Council of Teachers of Mathematics, will be emphasized. Some involvement with lower level math courses being taught at Trevecca will provide additional opportunity for observation and practice of teaching methods with mathematical content.

MAT 3070 - Vector Analysis (3)
The algebra and the differential and integral calculus of vectors with applications to geometry and physical applications. Prerequisite: MAT 2020. Alternate years only.

MAT 4020 - Differential Equations (4)
Linear equations with constant coefficients and equations of the second order from - geometrical and physical applications. Prerequisite: MAT 3050.

MAT 4030 - Introduction to Real Analysis (3)
Real number system, functions, sequences, limits, continuity, uniform continuity, infinite series and sequences. Prerequisite: MAT 2020. Alternate years only.

MAT 4330 - Directed Study in Math (1-3)
For advanced students working on special projects supervised by the instructor.

F. COMPUTER SCIENCE

CSC 2010 - Introduction to Computer Science (same as CIS 2010) (3)
An introduction to problem solving, flow charting, touring machines, data representation within computers, overview of computer hardware and an introduction to assembly programming.

CSC 2030 - Digital Electronics (4)
Same as PHY 2030.

CSC 2150 - Pascal Programming (same as CIS 2150) (3)
Introduction to structured programming using the Pascal language.

CSC 2250 - C Programming (same as CIS 2250) (3)

CSC 2500 - Data Structures (3)
Same as CIS 2500. Prerequisite: CSC 2150.

CSC 3100 - System Analysis and Design (same as CIS 3100) (3)
Basic principles and methods of data systems analysis, design, and implementation. Prerequisite: CIS 2400.

Social & Behavioral Sciences

DEPARTMENT OF SOCIAL AND BEHAVIORAL SCIENCES

History and the Social and Behavioral Sciences have always been important areas of study at Trevecca Nazarene College. Historians and social scientists alike believe that the perceptions of people different from ourselves in time, space, and life-expressions are built upon our understanding of our own social and political experience. The department's goal, therefore, is to promote understanding of modern societies through the methods of the historian, the social scientist, and the psychologist. Students desiring to enter the professional fields of teaching, historic preservation, museum-related work, law enforcement, social work, criminal justice, personnel management, behavioral research, and all levels of government service select history, history/political science, social work, social science, psychology or behavioral science as major fields. In addition, minors in history, political science, psychology, behavioral science, social science, social work, or sociology may be selected to back up work in any area of study.

Two new and expanding areas of this department are Pre-Law and Social Work.

The Pre-Law program will usually be organized around history and political science concentrations, but may include minors or substantial course work in communications, English and business. Thus each student is guided through a course of study tailored to meet his particular needs and which will maximize his/her chances of success in graduate studies. Following the counsel of graduate schools of law and practicing attorneys, the department has established a personal program for each student who plans to pursue graduate legal studies. Thus far every graduate of our program who has applied to a graduate school of law has been accepted.

The Social Work major is designed to prepare students for entry into careers in the expanding social work professions at any level of public or private agency or into graduate programs for advanced study. The program combines study in Psychology and Sociology, as well as Social Work. Requirements include a field placement within the specific career choice of the student.

The Psychology Program at Trevecca has three goals: (1) to give students a solid base of preparation for graduate study in psychology, (2) to allow students to make the application of psychological ideas and principles to the post-baccalaureate work world, and (3) to provide teacher education students with appropriate support courses as well as to enhance the general education core.

The B.A. in Social Science is designed for the student who desires a broad disciplinary background but is not pursuing professional licensure requirements. Reference should be made to the Teacher Education Program section for certification requirements.

The B.A. in Behavioral Science is offered to allow students who wish a broad background in Sociology, Psychology, and/or Anthropology to obtain such study which is applicable to a variety of career fields as well as graduate work in the behavioral sciences. Students interested in behavioral science research, personnel management, social services, and secondary level teaching might choose a behavioral science major.

DEPARTMENTAL OBJECTIVES:

For the History Program:

1) To assist the student in understanding and interpreting the past as an indispensable aid to understanding and dealing with the present.
2) To foster tolerance and appreciation for the various political, economic and cultural achievements of the world's civilizations, past and present.
3) To promote the understanding of the background and development of the American nation as it has attained the present position of world power and influence, and to encourage the sense of responsibility which must accompany that position.
4) To develop the student's skills in reading, writing, speaking, and critical thinking, which we believe to be among the marks of the educated citizen.
5) To help the student develop the ability to better understand events in the world community by analyzing them in the light of their historical background.
6) To engender within students the practice of applying Christian values to the study and interpretation of the past, always looking for more effective ways to integrate their faith and learning.
7) To assist students in preparing for careers in teaching, law, political life, museum or archival work, or other fields which require historical perspective and skills.

For the Political Science Program:

1) To promote student understanding of political, civil and social conditions at home and abroad.
2) To provide strong foundations for purposeful careers in public service.
3) To promote student understanding of questions of morals, ethics, justice, and democratic thought as they arise within political systems, and the application of Christian principles to those questions.
4) To promote responsible Christian citizenship and effective participation and leadership in public affairs.

For the Teacher Licensure Programs in Social Studies Education/History and Social Studies Education/Interdisciplinary Social Science:

Majors preparing for teacher licensure in the Social Studies areas take the variety of courses required for majors in History/Political Science as well as in the Social Sciences. Thus, the objectives for those discipline areas apply in those fields. In addition, teaching area majors take Teaching Social Studies in the Secondary School (HIS 4500), which specifically addresses Teacher Education Program Objectives I, II and IV.

For the Social Work Program:

The primary objective of the Social Work program is to prepare students for generalist practice in the field through entry level positions in the public or private sector. An equally vital objective is to instill in students social work values and ethics and Christian values as applied to professional practice.

The Social Work program seeks to harmonize with the purpose and

stands of Trevecca Nazarene College. The program also aims to achieve and maintain the students set by the Council on Social Work Education. The program seeks to address and meet developmental as well as educational needs of the social work student. An intention of the program is to provide students with the knowledge and skills enabling them to continue in graduate study in social work. The program aims to be connected with the large community through linkage with outside individuals, agencies, and organizations.

1) To harmonize with the purpose and standards of Trevecca Nazarene College.
2) To achieve and maintain the educational standards prescribed by the Council on Social Work Education.
3) To prepare students for entry level positions in the social work profession or other social service occupations in the public or private sector.
4) To meet the developmental and educational needs of the social work student.
5) To provide students with the knowledge and skills that will enable them to continue in graduate work in social work or related fields.

For the Psychology Program:

1) To assist all students in acquiring an interpretation of human behavior which is in harmony with a Christian view of people and is substantiated by the empirical information of a solidly scientific psychology.
2) To prepare the student for further professional development and graduate training.
3) To prepare the terminal bachelor's-level student for employment as a college graduate.
4) To provide practical training in psychological skills and methods useful to students who will be applying themselves in the broad spectrum of psychologically-related fields.
5) To prepare students who will apply themselves in professions other than psychology with skills in understanding human behavior.
6) To stress the value of the scientific attitude and method in problem solving as an alternative to unfounded acceptance of internal intuitive feelings or uncritical acceptance of personal experience and authority opinions.

For the Social Science Program:

1) To provide students with the understandings and skills which are listed under the individual disciplines of history, political science, sociology, and psychology.
2) To develop student skills in the discipline area of geography: the understanding of man's interactions with his physical environment and its resources.
3) To help the student to develop an enhanced global awareness through the study of selected world areas.
4) To develop student understandings in the discipline areas of macro and micro economics, so as to promote responsible participation in

the free market economy of our nation, and the understanding of the various other economic systems operating in the modern world.

5) To assist students in the preparation for careers in the social science teaching fields.

For the Behavioral Science Program:

1) To provide students with a sound basis of information on human behavior which will assist them in understanding people as they deal with them in any profession or in their personal lives.
2) To assist students who wish to obtain entry level positions in fields related to the behavioral sciences in specialized knowledge of human behavior.
3) To help students integrate a knowledge of the psychological processes and social processes which bear upon human behavior.
4) To help students develop a Christian view of social and psychological processes in conjunction with scientific study.
5) To enable students to perceive human needs with empathy and develop socially responsible attitudes toward social problems and in particular "special needs" populations in society.
6) To prepare students for further graduate study in any field of behavioral science.
7) To enable students to receive secondary educational endorsements in Psychology and Sociology.
8) To provide students with an understanding of research methodology in the behavioral sciences.

Christian Community Living

Trevecca Nazarene College is the college of the Church of the Nazarene for the southeastern United States. As a Christian institution it exists to provide quality higher education in the tradition of the Liberal Arts within a Christian context. The Liberal Arts tradition is perceived to involve total personal development and life preparation. The Christian context is interpreted as emphasizing the Biblical teaching of Christian love as the norm of all human relations. The community attempts to foster a climate where development and integration of these areas occur through a Christian perspective on faith and living. Knowledge and truth can only find completion as it relates to eternal values.

Students, faculty, and administrators have developed general guidelines which are consistent with the standards of the Church of the Nazarene and Trevecca's concept of Christian community living. The following policies are included in this statement. We ask that all students subscribe to these guidelines before admission. Read these carefully. If you can accept these conscientiously and gladly, you will find the Trevecca experience profitable as well as conducive to the highest standards of life.

As a student at Trevecca, I agree:

1. To accept the responsibilities of campus citizenship regarding the regulations as set forth in the college catalog and guidelines for community living in the *Student Handbook.*
2. To attend required chapel services, take the required courses for Christian perspective on faith and living, and regularly attend the church of my choice.
3. To refrain from attendance at entertainment events that would compromise the Christian witness as interpreted by the Church of the Nazarene.
4. To refrain from coarse, obscene or profane language, tobacco, alcoholic beverages, illegal drugs and narcotics, gambling, and all forms of immoral conduct.
5. To abide by municipal, state, and Federal laws.
6. To respect the rights and dignity of each individual and to avoid all forms of destructive conduct that would violate those rights or damage the property of others.

While some may not have personal convictions in accord with all of these standards, enrollment at Trevecca Nazarene College, obligates the student to assume responsibility for them while enrolled. It should be understood that any behavior, either on campus or away, which gives evidence of disregard for the rules and spirit of the College's concept of Christian community living, would be sufficient reason for disciplinary action by the College. This could result in dismissal from the College.

Mission Statement

Trevecca Nazarene College is a private, coeducational, Christian liberal arts College. It exists to carry out the educational mission of the Church by means of academic programs that promote scholarship, critical reflection, thoughtful worship, and the preparation of students for lives of meaningful service in various careers. It intends that its graduates be persons of high moral character who are competent, responsible, and compassionate. The College desires that each student develop a personal relationship with Jesus Christ as a basis for a life of service.

Trevecca is the official College of the Church of the Nazarene in the southeastern United States and is guided by the doctrines and principles of conduct of the denomination. It emphasizes both the authority of the Bible and Christian holiness as interpreted by the Wesleyan tradition. While the College is an institution of the Church of the Nazarene, it welcomes students of any religious affiliation, age, sex, race, and national or ethnic origin who subscribe to its ideals and standards.
